CHARLES F. MURPHY, TAMMANY LEADER, WHOM MANY DEMOCRATS CRITICISE.

The result of the election in New York causes Democrats in many parts of the country to severely criticize Charles F. Murphy, leader of Tammany. Independent Democrats, men who do not belong to the organization, openly declare that Tammany did not do its full duty at the polls. Some members of the organization also threaten to make war on Murphy. Richard Croker, the former Tammany leader, is expected in this country soon, and the various factions probably will seek his aid in untangling the snarl that the famous political body seems to have allowed to entangle it.
