That Easter Suit

YOU will see many men on Easter Day wearing new suits. There won't be so many of him but you will notice, too, the man who hasn't one

Both of these classes of men will attract attention, but it won't be the some kind of attention.

Which class are you going to be in?

You haven't much time to decide, but it won't take you long to make up your mind when you see our Easter display of Clothcraft guaranteed all-wool clothes.

They will put you where you belong—in the well dressed parade—and they will cost you less than you think necessary to get so much quality, style and fit.

Not more than \$25—as low as \$10—possibly \$15 to \$20.

Might as well see about it to day.
