

THE BULLETIN.

MAYSVILLE, - - - JULY 14

Increase of the Price of the Bulletin. The Subscription price of the BULLETIN will hereafter be ONE DOLLAR AND FIFTY CENTS per year, instead of ONE DOLLAR.

FUN AHEAD.—There is to be a Grand Pic Nic, near Mayslick, next Saturday, in ARHAM JOHNSON'S Woods. A fine band of Music has been engaged, and good time is anticipated.

We call the attention of our readers, to the postponement of the Sale of that desirable property, known as the "PARKER HOUSE," and the proposition to sell or rent the same.

DROWNED.—An interesting son of SAMUEL EASTON, aged Eight years, was drowned in the Ohio, last Monday, while bathing.

Two new joint stock companies are advertised in Liverpool, to run steamers between that port and the St. Lawrence in the summer, and to Portland in the winter. The capital of each is fixed at £1,000,000.

The pirate Florida has been making sad havoc among the merchantmen and coasters off the Virginia Capes. The crews of four or five of the vessels destroyed have arrived at Philadelphia.

The Great Eastern has taken three thousand tons of coal on board, and will shortly leave Liverpool for Sherness or Deptford, where she will be fitted with water tanks, in which the Atlantic cable now making by Messrs. Glass, Elliot & Co. will be stowed as fast as it is completed.

The Ohio Statesman says that three thousand farms in Ohio are left without a man to attend to them—thousand of fields are left to wither for the want of hands to cultivate them; this, too, at the very season when every working man in the State is required at home.

Abel Stearns, of Los Angeles, Cal., is the largest cattle and land owner in the United States. This year his stock consisted of 48,000, besides 9,000 calves. He lost 7,000 cattle last winter through want of food.

These six—the peevish, the niggard, the dissatisfied, the passionate, the suspicious, and the man who lives upon others' means—are forever unhappy.

A pretty girl in Poughkeepsie, N. Y., has brought grief to her father's heart by eloping with a gambler.

A machine in Bridgeport, Conn., makes a pair of lad's shoes in fifteen minutes.

"Brandy one dollar a drink"—is the placard in the widow of a Broadway liquor saloon.

GOOD FOR A DUTCHMAN.—We do not mean the slightest disparagement of our German friends in using this frequent phrase, but it comes in pat with the following from the Peoria Staats Zeitung of the 28th ult:

A BAD PLACE TO NOMINATE A PRESIDENT.—Martin Van Buren was nominated at Baltimore and defeated. Henry Clay was nominated at Baltimore and defeated. Lewis Cass was nominated at Baltimore and defeated; Stephen Douglas was nominated at Baltimore and defeated; Abe Lincoln was again renominated at Baltimore, and we hope to God that he will be defeated too, and if he shall break his neck and legs all the people will say "Amen, Hallelujah!"

TRUE AS PREACHING.—A Republican exchange says the politicians are trying to defeat the people. That is true—the officers, contractors, plunderers and all the vast horde of paid pimps and lick-spittles who upon the treasury of the Nation are trying to fasten Lincoln upon the country for another term of four years. The people, however, who love liberty and have to pay the money thus squandered by these unprincipled bloodsuckers, prefer a wise and Constitutional Administration of the Government, and will make their wishes known through the ballot-box at ensuing Presidential election.

There are ninety millions of dollars due the soldiers, that the Printing Machine cannot print Greenbacks fast enough to meet the demand.

As afflictions and years may improve individuals, so battle fields and centuries may improve nations.

SILVER PLATED WARE.—CASTORS SPOONS, FORKS, TABLE CUTLERY, etc., at LOWEST CINCINNATI PRICES. decl7 R. ALBERT, 2d street.

ABSENCE PROPER FOR HUSBANDS.—Miss Mulock, says: "A lady of my acquaintance gives it as her sine qua non of domestic felicity that the man of the family should be absent at least six hours in the hours in the day." And truly a mistress of a family, however strong her affection for the male members of it, cannot but acknowledge this as a great boon. A house where "papa" or "the boys" are always about, popping in and out at all hours, everlastingly wanting something, or finding fault with something else, is a considerable trial to even feminine patience. And I beg to ask my sex generally—in confidence, of course—if it is not the greatest comfort possible when the masculine half of the family being cleared out for the day, the house settles down into regular work and orderly quietness until evening. Also, it is good for them as well as for us to have all the inevitable petty domestic bothers got over in their absence; to effect which ought to be one of the principal aims of the mistress of a family. Let them, if possible, return to a quiet, smiling home, with all its small annoyances brushed away, like the dust and cinders from the grate, which en passant, is one of the first requisites to make a fireside look comfortable. It might be as well, too, if the master could contrive to leave the worldly mud of the day at the scraper outside the door.

The course of instruction comprises Orthography, Reading, Writing, Arithmetic, Grammar, Ancient and Modern Geography, the use of Maps and Globes, French and Italian Composition, Sacred and Profane History, Chronology, Mythology, Rhetoric, Criticism, Logic, Intellectual and Natural Philosophy; Chemistry, Astronomy, Mineralogy, Botany, Algebra, Book Keeping, French German and Latin Languages, Music on the Harp, Piano Forte, Melodion and Guitar; Vocal Music, Drawing, Painting in water colors, &c., &c.; Plain and Ornamental Needle Work, &c., &c.

Those charged with the immediate Supervision of the Young Ladies, will be vigilant in requiring an exact observance of the rules of the Institution, and strict attention to a polite and amiable deportment. In the course of the Academic year, two examinations will take place; the first in January, and the second in June. At the close of the first a Semi-annual report is transmitted to the parents of each Young Lady, giving an account of her proficiency in her Studies, &c. The Young Ladies at the end of each month are assembled in the presence of their teachers, when a report is made of their advancement in their Studies, and their attention to the rules of the School. The Academic year commences on the first Monday in September, and ends on the last day of June. It is divided into two Sessions. No distinction can be made for those who may be withdrawn before the expiration of the Session, unless in case of protracted sickness. A public distribution of Prizes takes place on the last day of June, after the Second examination. Parents and friends of the Institute, are admitted on presenting an authorized ticket at the door. As regards the exact observance of rules, polite deportment, and zeal for advancement, the Young Ladies are divided into two classes; a crown is awarded to the Principal Student in the highest classes of the principal Studies.

The termination of the Scholastic year, is followed by the annual vacation. The pupils will be allowed to visit their parents or guardians, on the first Thursday of every month, leaving the Academy at about 8 o'clock, A. M., and returning before midnight. Frequent visits have been found detrimental to the improvement of the pupils, and unless particularly requested by the parents, is prohibited that they should visit only at the specified times.

The Ladies who have charge of the Institution, profess the Catholic Faith yet, while the exercises of religious worship are Catholic, members of every other religious denomination are received, with whom no influence is used to change their belief—but it is required for the maintenance of good order; that they assist with propriety, at the public duties of religion with their companions.
