

NOTICE

To the Tax-Payers of Mason County.

BY an act of the General Assembly it is made my duty, immediately after the 1st of June, to proceed with the Collection of the public Revenue as speedily as possible. By the same act it is made my duty to report, at the July, September and November County Courts, the amount of taxes collected and pay the same over to the Auditor. I am authorized under said act to notify the Tax-Payers by public notice signed up at the Court house door, and in the different Precincts or districts of the County, that on certain days between the 1st of October, and the 15th of November, I, or my deputies, will attend at the place of holding election in such districts and receive their taxes. It is made the duty of the tax-payer to attend on such days and pay the same. If this is not done, after that date they will have to pay the sum at the Court house; and, if not done there within the time prescribed by law, ten per cent. upon the amount is added. Thus it will be seen that it will be to the interest of the tax-payers to see to it that their taxes are paid, within the time prescribed by law, as after that time I shall invariably add the ten per cent. imposed by law, to their lists when I come to collect. This I shall be compelled to do as I shall have to advance the Revenue due by such delinquents and enforce payment at once with the costs to reimburse myself. By paying attention to the matter and promptness, the thing will work first rate. The people have the same time, as heretofore, within which to pay their taxes—the only difference being, that they shall give the matter attention themselves and see to its payment at the times and places prescribed. Instead of the old way of having the Sheriff call half dozen times, more or less, for their taxes.—The law is plain, simple, and to the point; and I in and to comply with its provisions and enforce its penalties, and this notice is given to call the attention of the people to it, so that no harm may be done any one, in consequence of their ignorance of the law, which I, or my deputies, will attend in the different Precincts to receive taxes between the 1st of October, and the 15th of November; will be advertised by public notice stuck up as required by law. In the mean time, let every one pay up that can when called upon between this and that time, that a good account of the promptness of the people of the county may be reported to the auditor at the July and September terms of our Court. Respectfully,
H. S. JEFFERSON, Sheriff Mason Co.

EDUCATION!

THE SISTERS OF THE VISITATION

WILL OPEN THEIR

NEW ACADEMY FOR YOUNG LADIES,

IN MAYSVILLE, MASON CO., KY.,

On the First Monday of September.

This Establishment is conducted by the Religious Sisters of the Visitation, an order founded by St. Francis de Sales, in 1610. The members of this Institute devote themselves chiefly to the instruction of Young Ladies, in principles of Virtue and in the various branches of a finished English and Ornamental Education.

The course of instruction comprises Orthography, Reading, Writing, Arithmetic, Grammar, Ancient and Modern Geography, the use of Maps and Globes, Prose and Poetical Composition; Sacred and Profane History, Chronology, Mythology, Rhetoric, Criticism, Logic, Intellectual and Natural Philosophy; Chemistry, Astronomy, Mineralogy, Botany, Algebra, Book Keeping; French; German and Latin Languages; Music on the Harp, Piano Forte, Melodeon and Guitary; Vocal Music, Drawing, Painting in water colors, &c., &c.; Plain and Ornamental Needle Work, Tapestry, &c., &c.

Those charged with the immediate Supervision of the Young Ladies, will be vigilant in requiring an exact observance of the rules of the Institution, and strict attention to a polite and amiable deportment. In the course of the Academic year, two examinations will take place; the first in January, and the second in June. At the close of the first a Semi-annual report is transmitted to the parents of each Young Lady, giving an account of her proficiency in her Studies, &c. The Young Ladies at the end of each month are assembled in the presence of their teachers, when a report is made of their advancement in their Studies, and their attention to the rules of the School. The Academic year commences on the last day of June. It is divided into two Sessions. No deduction can be made for those who may be withdrawn before the expiration of the Session, unless in case of protracted sickness. A public distribution of Premiums takes place at the close of the year, after the Second examination. Parents and friends of the Institute, are admitted on presenting an authorized ticket at the door. As regards the exact observance of rules, polite deportment, and zeal for advancement, the Young Ladies are divided into two classes; a crown is awarded as the Prize of honor—in each class. To gain the gold Medal,

the pupil must receive the crown and the first premium in the highest classes of the principal Studies.

The termination of the Scholastic year, is followed by the annual vacation.

In order to avoid interruption of classes, visits to pupils, are confined to Thursdays; and can be made only by their parents, sisters, aunts and uncles; none others will be received unless formally authorized by parents or guardians.—The pupils will be allowed to visit their parents or guardians, on the first Thursday of every month, leaving the Academy at about 8 o'clock, A. M. and returning before nightfall. Frequent visits have been found detrimental to the improvement of the pupils, and, unless particularly requested by the parents, it is preferred that they should visit only at the Specified times.

The Ladies who have charge of the Institution, profess the Catholic Faith, yet, while the exercises of religious worship are Catholic, members of every other religious denomination are received, with whom no influence is used to change their belief—but it is required for the maintenance of good order; that they assist with propriety, at the public duties of religion with their companions.
