ADVANCED HINTS ON THE GENTLE ART OF FIGHTING.

"We should not be too sure that we grown-ups know everything about the instincts of the child," Dr. Arthur Holmes told the Hamilton County (O.) teachers.

MISSOURI REPUBLICANS CONDEMN TARIFF LAW.

The state platform adopted by the Missouri Republican convention says the present tariff laws have turned the balance of trade against the United States and have forced many manufacturers into bankruptcy.

There is now no such a thing in little Belgium as a square meal.

THE "DAY OF REST" AND HUMAN EFFICIENCY.

The refreshing influence of the weekly "day of rest" on a person subjected to the strenuous routine of a busy life is a feature which he himself can duly appreciate in the effects on his "feelings" and "spirits."

In view of this says The Journal of the American Medical Association it is of more than passing interest, to know that Dr. Martin and some of his associates in the Laboratory of Physiology at the Harvard Medical School, have been making a careful study of the whole question of fatigue and efficiency from a physiological standpoint.

The decline is interpreted as a cumulative result of general fatigue incident to routine. What is even more significant, however, is the added fact that a pronounced break in the routine—such as the "day of rest" occasions—may bring about a return of sensitiveness to a high point or, in other words, it restores the nervous tone.
