

Giddap!

"Will you dine a la carte or table d'out?" Said the Horse to the Mare, as he showed her the long bill of fare. But she said: "I just dine On a bundle of hay a la mowed." —Luke.

TO DROP TWO TRAINS

From L. & N. Schedule Beginning Next Sunday—May Be Put Back On Later.

Next Sunday, October 18th, the L. & N. will take off two trains, coming in and going out of Maysville. The trains to be dropped are numbers 3 and 4. No. 3 arrives at 7:35 a. m. and No. 4 departs at 8 a. m.

Superintendent Anderson was here yesterday conferring with local agent H. S. Ellis and a committee of business men regarding the matter and Mr. Anderson informed the committee that the business depression brought on by the European war forced his company to retrench and that retrenchment was the slogan all along the line. He declared however, that later on possibly by December, when the new schedule had been tried out that the two discontinued trains might be put back on.

Of course the discontinuance of these trains is a very serious blow to Maysville business men and the traveling public, and especially so to our public schools, as a large number of the pupils come to the Maysville schools on the 7:35 train in the morning.

This is such a serious matter to the Maysville public that The Public Ledger sincerely hopes that the L. & N. management will see its way clear to place the two trains back on before the year is out.

CALLED HOME

Rev. William Webster Hall Widely Known and Beloved Minister of the Christian Church Passed To The Great Beyond.

Rev. W. W. Hall is dead. This simple announcement brings tears to many an eye and sorrow to many a heart. No preacher in Mason county was nearer and dearer to the public than Rev. Willie Hall. Loving, gentle and sympathetic, he made friends and retained them by his sincerity, humility and kindness of manner. How many homes did he gladden with hope by divine ministrations? To the poor, the ill and the dying his presence gave a sustaining and supporting strength as coming through him from the Savior of man.

Brother Hall was born in Massachusetts 76 years ago and came to Dover, this county, in early youth with his mother, Mrs. Eliza Hall, who later married the late Langhorne Tabb, of Dover, one of Mason county's most prominent citizens and merchants. Mr. Tabb was a second father to Willie Hall and their love and esteem was mutual and good to behold.

Rev. Hall passed many years of his life at Dover, studying for the Christian ministry in early manhood and entering over 50 years of pastoral life. He had charges in a score of churches and probably officiated at more marriages and funerals than any preacher this county ever produced.

Rev. Hall's health began to decline a few years ago and a few weeks ago went to the home of his daughter in Richmond, Ky., in hopes that the change would do him good, but the Death Angel called him to Eternal rest Sunday evening at 9 o'clock. With him at the end were his wife, who was Miss Elizabeth Pickett, his daughter, Mrs. D. H. Breck, and his son Mr. Langhorne Tabb Hall. His oldest son, Mr. Pickett Hall was in Ohio and could not be located. Rev. Hall is also survived by two half sisters, Mrs. Thomas P. Anderson of Point au View Farm, Mrs. Ella Hanna, of Dover and one half brother, Mr. L. M. Tabb of St. Louis, Mo.

The remains will be brought here Wednesday morning and the funeral will be held from the Christian church this city, at 10:30 a. m. Burial in Maysville cemetery.

Rev. Maurice Waller of the Presbyterian Church, assisted by the pastor Rev. Albert F. Stahl, will have charge of the services at the church and at the grave.

EUROPEAN ARSENAL READY TO BLOW UP

London, England, Oct. 12.—The finger of the censor having twisted the tourist's eye on all sources of news from Belgium, just now perhaps the most potentially important scene of the fighting in the great war, the British people were forced to content themselves today with the official communication from Paris and even close analysis of this showed no marked change in the situation favoring either side.

Curzon Discusses Antwerp.

Earl Curzon of Kedleston, formerly Viceroy of India, in a speech at a war meeting at Harrow school tonight, said the taking of Antwerp was a deliberate part of the German plan.

Probably stirred by the bomb dropping exploits of German aircraft over Paris, London seems to be prepared for such visitors and notice has been served on persons living in the city near the mouth of the Thames that they should be ready to seek their cellars at the first sound of firing, as there will be no time to spread the news in a more formal way.

Drop Twenty Bombs on Paris.

Paris, Oct. 12.—A score of bombs, launched on different quarters of Paris by two German aviators yesterday, killed three civilians and injured four others.

HIGH ROLLER SUICIDES.

Springfield, Ill., Oct. 12.—Secretary of State Harry Wood, one of the Democratic Senatorial candidates at the September primary, and former operator on the Chicago Board of Trade, killed himself early yesterday morning.

WEEKLY WEATHER FORECASTS SUSPENDED.

Washington, Oct. 12.—Suspension of weekly forecasts was announced yesterday by the Weather Bureau owing to the interruption of cable reports from Europe and Asiatic ports because of the war in Europe. Interruption of cable service to Alaska has further complicated the bureau's task, it is stated, and predictions will be made only for periods of thirty-six and forty-eight hours until regular reports again are available.
