

JUDGE BETHURUM TO BE CANDIDATE FOR U. S. SENATE

Prominent Republican Announces That He Will Be a Candidate for the Republican Nomination for Senator in 1924.

Lexington, Ky., Nov. 2.—Judge B. J. Bethurum, for twelve years circuit judge of the Twenty-eighth Judicial District, today confirmed a report published in Sunday's Leader that he will be a candidate for the Republican senatorial nomination in 1924, when the term of Senator A. O. Stanley, Democratic incumbent and senior senator will expire.

When asked for a statement regarding persistent reports that he would enter the contest for the Kentucky toga, Judge Bethurum said: "You may say that I will be in the race for the Senate in 1924 and that at the proper time I will make formal announcement of my candidacy."

"I have been encouraged to believe that my entrance into the race will promote harmony and bring about a feeling of good fellowship in our ranks which is so necessary to success in Kentucky. Two years ago I was urged to make the race for senator and had pledged of support from all over the state. A careful study of the situation convinced me that it was for the best interest of the presidential election that no primary be held in Kentucky that year, and I cheerfully yielded in the interest of Senator Ernst."

Judge Bethurum has been legal adviser to the Kentucky prohibition department and chief assistant to Director Sam Collins for the past year and has greatly increased his popularity with the rank and file of the people who stand for strict enforcement of the prohibition laws.

Judge Bethurum was a candidate in the 1918 Republican primary for the senatorial nomination, but was defeated by a small margin by Dr. Ben L. Bruner, of Louisville, who in turn was defeated by Senator Stanley at the general election. Judge Bethurum was in a Chicago hospital during most of the campaign and did not make an active canvass of the state in 1918.

It is considered probable that Dr. Bruner may oppose him again in the 1924 contest. Others who have been mentioned as possible candidates are Governor Morrow and Judge Charles Kerr, who recently resigned as judge of the Panama Canal Zone to accept a place on the War Frauds Commission at Washington.

PRISON TERMS AND BIG FINES ASSESSED BY JUDGE COCHRAN

In Passing Sentence on Those Convicted at Covington Federal Court, Judge Cochran Says Prohibition Laws Must Be Enforced.

Covington, Ky., Nov. 2.—Asserting that he was determined to see that the national prohibition laws were enforced, Judge Cochran, presiding in United States Court for the Eastern District of Kentucky, yesterday sentenced Carl Webber, Covington; and Charles Ewan, Hotel Sinton, Cincinnati, and Fred Betz, Southgate, each to serve two years in the penitentiary and each to pay a fine of \$10,000.

The three men were convicted on charges of conspiring to violate the national prohibition laws. Others sentenced on similar charges to two years in the penitentiary were William E. Cottingham, proprietor of the "Licking Inn," Newport, and Charles B. Wilson and Frederick Young, owners of "The Spot," Licking pike, south of Newport.

Camillus Terlau, charged with the defacing and possessing Liberty bonds, was sentenced to serve ten years in the penitentiary. The bonds had been stolen previously from the Walton Savings Bank, Walton, Ky., when burglars visited that institution. Terlau has already served eighteen months in the Covington jail.

Before passing sentence Judge Cochran indicated that those found guilty on conspiracy charges would be punished with penitentiary sentences, second offenders of prohibition laws would be placed in jail and first violators of the same laws would be fined.

Judge Cochran said: "Violations of the prohibition laws are largely due to the opposition of many respectable citizens to these laws. Violation of these laws lead to violations of other laws. Personally, I think these laws should be enforced, and I believe they will be enforced."

JAIL TRUSTY SKIPS TOWN AND GETS IN TROUBLE

William Edgar Takes Excursion to Cincinnati While Serving out Jail Sentence and Gets into Trouble.

William Edgar who recently settled several criminal cases by paying fines aggregating \$775.00, while serving out a ten day jail sentence before gaining his freedom, was treated as a trusty at the local jail by Jailer Wheeler and was given leave to go about the city unguarded.

It has just become known that Edgar took "French leave" Sunday deciding that he would spend the day in Cincinnati. Shortly after his arrival in Cincinnati, it appears that he got too much to drink and caused some trouble which resulted in his arrest. He called on Jailer Wheeler, who held considerable money belonging to the prisoner, to come to his rescue.

Deputy Jailer Gaskins went to Cincinnati, paid Edgar's fine for him and returned the prisoner here. He was taken out of the trusty class and must remain behind bars until his jail sentence has been completed.

BLOODHOUNDS CALLED TO TRAIL POISONER OF CATTLE

Manchester Bloodhounds Trail From Field Where Poison Had Been Put To Home of Lewis County Man.

Captain Thurman Sowers, of Manchester, Ohio, the bloodhound man, passed through Maysville Thursday morning en route to Manchester from the Poplar Flat neighborhood in Lewis county where he had been called by Mr. Lafayette Hunt, well known farmer, who had found a large quantity of bluestone and salt scattered about his pasture field, evidently in an attempt to poison his cattle and sheep.

Captain Sowers' dogs took a trail from the field in which the poison had been placed and ran directly to the home of Dan Richards a well-known farmer of that neighborhood. Warrants were asked for a son of Mr. Richards and will likely be served Thursday.

No cause for the placing of the poison in the field was given neither was there any reason given for suspecting young Mr. Richards except that the bloodhounds ran to his home.

JUDGE MAKES GOOD ON THREAT TO JAIL MAN

Colored Man Fails to Keep his Promise To City Judge and Must Now Lay Out One Hundred Days in Jail.

A few days ago "Bud" Berry, colored, charged with a breach of the peace was before Judge Harry C. Curran in City Court. It was proven that Berry had struck his wife and on these wife beaters Judge Curran has been rather hard since his induction into office.

Word came to the court Thursday morning that Berry had not left the city nor had he made any arrangements to leave the city. POOL TOBACCO RECEIVING TO START EARLY IN DECEMBER

Burley Directors Told of Low Cost of Marketing—Receiving Is to Start Early Next Month.

Lexington, Ky., Nov. 2.—Members of the board of directors of the Burley Tobacco Growers Co-operative Association, in regular monthly session here yesterday with all the directors present, heard a report on the expense of marketing the tobacco of the members, which with every possible item of cost added will not exceed 75 cents a hundred pounds, as contrasted with a probable average of \$1.25 a hundred pounds for the growers who sold outside the association; learned that they had increased the value of their tobacco \$750,000 by proper grading and air-drying; were told that the receiving of this year's crop would start December 1 to 15, and listened to a contrast of conditions prevailing now, in the burley district and those which existed in the crop year of 1920-1921 by Judge Robert W. Bingham, of Louisville, who also reported to the directors on the success of the dark tobacco growers in forming their co-operative association.

Judge Bingham said that some of the leaders of the movement in the dark belt, when they learned that lack of money was keeping out tenants on their farms, raised the money required by the tenants and loaned it to them. The report of William Collins, chief of the field service division, showed that the association now has 73,265 members and that it is likely the number will exceed 75,000 by the time contracts being signed this week and next Monday are in.

Of the 54,000 hogsheds sold to the R. J. Reynolds Tobacco Company 13,749 hogsheds have been delivered, President Stone said. Mr. Stone also said that three of the big tobacco concerns are ready to buy the tobacco of the association as soon as it is delivered.

WIDOW'S STATEMENT IS DENIED BY MILLS IN A STATEMENT

Janitor of New Brunswick Church Denies Part of the Statement Made By Widow of Pastor to Newspaper Men Yesterday.

New Brunswick, N. J., Nov. 2.—James Mills, husband of the slain choir singer, asserted today several statements made by Mrs. Frances Noel Hall, the pastor's widow, in an interview with newspaper men yesterday were untrue.

Detective James Mason charged discrepancies existed between statements of Mrs. Hall and those of "other witnesses," while Mrs. Jane Gibson, who claims to have witnessed the dual murder, simultaneously attacked statements made by the pastor's widow, she charges, was present at the slaying of Rev. Edward W. Hall and Mrs. Eleanor Mills.

Mills, laying aside the meek demeanor he has assumed since the crime, took issue with Mrs. Hall's assertion that she notified police of her husband's disappearance before she saw Mills the morning after the pastor left home.

"I met Mrs. Hall about 8:30 a. m., Friday, at the church and she told me Hall had not been home the previous night," Mills said.

"I said, 'Neither was Eleanor. Maybe they have eloped.'"

"No, it must have been foul play," she replied.

"I myself suggested calling police and she said she would telephone them and did not intimate she already had called them. Later in the day she told me she had notified them Mrs. Mills was missing."

Mrs. Hall said repeatedly yesterday she had not talked with Mills as to the possibility of foul play or an elopement.
