HELPUS

The money made will help us buy NEW UNIFORMS and look sweet. HORSESHOE BOYS BAND

New York Letter

by Lucy Jeanne Price

New York — Whether Greenwich Village, that semi-mystical region around Washington Square, it stands forth and insist upon being considered "respectable" is a conventional, substantially commercial sense of the term, or whether it is to remain tinged with Bohemianism of art, temperament, and instability is being fought out right there upon the local field of battle. Uptowners have scorned or adored that district of meandering streets, studios-made-out-of-barns, and bobbed-haired maidens, and have disputed its worth among themselves and with the "Villagers." But now the dispute is raging between the Villagers themselves. First there came the Greenwich Village Chamber of Commerce, with announced intention of "making better business and raising the commercial standard of the Village" and of making uptowners realize that the wild stories of New York's Latin Quarter were figments of the imagination. They even invited Fifth Avenue business men down into address their meetings. The 100 per cent Villagers revolted. Led by Harvey P. Vaughn, litterateur, they formed a second organization, the Greenwich Village Board of Trade, "to protect us

from the machinations of the over-respectable and commercialized chamber of commerce and to make the Village more interesting."

It was without any tears at all that we saw 68 men and women sail out of New York Harbor the other day on their way to join "Big Bill" Haywood in Russia and become miners in one of the soviet mining enterprises in the "Red Mountains." It was said aboard ship that the trusting travelers had given over all their possessions to the Soviet Central government and kept only \$5 each for incidentals on the long journey to Big Bill. There were 14 men and four energetic women.

FORTY FRIENDS HONORARY PALMBEARERS FOR MILLER.

Owensboro, — Hundreds of friends and business associates attended the funeral of Elmer Miller who died in Louisville following an operation. Forty friends and business associates acted as honorary palmbearers. Mr. Miller was the largest stockholder of the Owensboro Banking Company, head of the City Transfer Company, the Miller Contract Company. He was 72 years of age.

WILD ONIONS CAUSING TROUBLE FOR DAIRYMEN.

Lexington, Ky. — Wild onions again are causing many Kentucky dairymen trouble in the form of tainted milk, according to inquiries being received at the College of Agriculture. The only known way to handle the problem is to take cows out of the pastures infested with the weed several hours before milking time. J. J. Hooper, head of the college dairy department says:

"We have found that much of the trouble can be eliminated by turning the cows into the infested pastures immediately after they have been milked and then taking them out in three or four hours and placing them in a barn lot or clean pasture until they are milked. It is well also to pour the milk over a cooler as this helps to get rid of some of the onion odor and flavor."

A MERCILESS JUDGE One Who Shows No Favor.

A merciless judge is Father Time. Before him the weak and the wanting go to the wall. Only the truth can stand. For years the following statement from a Maysville resident has withstood this sternest of all tests.

Mrs. M. Holliday, 221 East Second street, Maysville, says: "I have been greatly benefited by Doan's Kidney Pills and I have reason to recommend them. At times my back has become lame and ached just over my kidneys. My kidneys were irregular in action and I was dizzy. When ever I have used Doan's Kidney Pills I always get relief from these complaints. I certainly think them a good reliable remedy. I always get Doan's at Wood & Son's Drug Store."

The above statement was given November 16, 1916, and on November 22, 1920, Mrs. Holliday said: "I am glad to say my kidneys have given me no trouble since using Doan's Kidney Pills four years ago. My general health has been good. I gladly renew the statement I gave recommending Doan's at that time."

Price 60 cents, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Holliday had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Public Utility Preferred Stocks

Public utility securities deservedly take high rank in the investment field. Preferred stocks of good companies especially affording many advantages of investment interest to a discriminating purchaser.

DON'T INFECT MOSQUITOES.

Commenting on printed reports on mosquito control in such diverse countries as Spain and the Dutch East Indies, the U. S. Public Health Service calls attention to the fact that the government authorities who are trying to free a certain region in Spain of malaria refuse to allow sufferers from that disease to remain in the region over night lest they infect the malarial-bearing mosquitoes, which feed only at night. Few white people live in the region; and most of the sufferers, come from considerable distances and seem to have contracted malaria while working there in previous years. Their blood is examined and they are provided with sufficient quinine to last them for two weeks and are told to go home at once and to report back at the end of that period for another two weeks supply.

The theory is of course, that if mosquitoes cannot find a malaria patient to bite they cannot acquire malaria germs and therefore cannot pass them on to well persons. In other words, if men do not infect mosquitoes, mosquitoes will not infect men.

Incidentally, the Service notes that the American minnows, Gambusia affinis, are being imported into Spain and Italy to help in mosquito eradication.

HOMESICK FOR SOUTH, LAD FLEES BENEFACTOR'S HOME.

Louisville. — With the coming of spring wanderlust yot the best of John Hogan, 13, who had been taken into the home of Dr. E. C. Garr, of Lagrange, when his mother was sent to prison several years ago. The boy disappeared from the home of his benefactor but was picked up by police at the Union Station, where he had purchased a ticket to Montgomery, Ala. The boy said he had gotten homesick and wished to return to Lethaspeche, Ala. He was held until the arrival of Dr. Garr.

CAR BEARING THIEVES BREAKS INTO BANK.

Louisville. — A Hudson car stolen from Donald McDonald, Jr., crashed into the window of the German Security bank at Preston and Market streets after colliding with a car driven by Ed Asher. The driver and passengers of the Hudson car abandoned it and fled from the scene of the crash before the arrival of police who towed the car into the station.

PURCHASERS OPEN MINES OF OLD COAL COMPANY.

Whitesburg. — At Lott's creek the organization of the new Duane Coal Company is the result of the purchase of the old plant of the Duane Coal Company by A. S. Perry and others of Hazard. The new company has a capital of \$50,000, and it is stated that a number of additions are to be made in the plant. Resumption of the mines have been announced.

MECREARY BEAN ACREAGE TO BE INCREASED 300 PER CENT.

Whitley City, Ky. — Following the good results obtained by farmers in this section of the State in growing soybeans, the acreage of this crop is expected to be increased at least three hundred per cent in McCreary county this year, County Agent W. B. Woodward says. Only 30 acres of beans were grown in the county last year, according to Mr. Woodward. Already this year 53 bushels of certified seed have been purchased by farmers in the county, he added.

Mrs. Linton Tells How Helpful Lydia E. Pinkham's Vegetable Compound is at This Period

Denver, Colorado. — "I have taken Lydia E. Pinkham's Vegetable Compound for seven years and I cannot tell you the good it has done me. It is good for young and old and I always keep a bottle of it in the house, for I am at that time of life when it calls for Lydia E. Pinkham's help. My husband saw your ad. in the papers and said 'You have taken everything you can think of, now I want you to take Lydia E. Pinkham's Vegetable Compound.' So I let him get it, and I soon felt better and he told me 'I want you to take about six bottles.' So I did and I keep house and do all my own work and work out by the day and feel fine now. I tell every one about the Vegetable Compound, for so many of my friends thought I would not get well." — Mrs. R. J. LINTON, 1850 West 33d Avenue, Denver, Colorado.

After reading letters like the above, and we are constantly publishing them, why should any woman hesitate to take Lydia E. Pinkham's Vegetable Compound if she is in need of help? It brings relief where other medicines fail.
