There was no serious damage done except the top part of the dwelling of Mr. Rig Janes' was blown off. There was no one of the family at home, consequently there was no one hurt. There was not a cloud to be seen. It was perfectly clear and Mr. Janes says he don't understand things of this kind.

Last Sunday was a big day for the people of old Union Church. The crowd began to gather early in the morning, and by ten o'clock the house was well filled. The Sunday School hour had arrived, and our efficient superintendent, Bro. J. C. Dohoney, opened school. After the school closed, Prof. Grimsley with one of the finest singing classes in the county, was invited around and rendered some as fine vocal music as ever was heard. By this time the hour had arrived for preaching. Rev. Hamilton filled the pulpit with one of the most interesting sermons we have heard for a long time. The noon hour arrived, and the ladies of the community had a bountiful repast consisting of every thing good, and the

same was spread in the beautiful grove near the church. After dinner the choir was called together again and rendered some excellent pieces. The day will long be remembered.
