The school at Jamestown closed Friday, the 24th. The entertainment Friday night was a success and largely attended. Prof. Bernard, Miss Throope and Miss Thurman are all fine teachers, and a good school is always the result.

On March 20, 1916, the grim Reaper entered the home of Mr. and Mrs. Conda Cundiff, and claimed for his own their loving daughter, Nina, aged 2 years, 3 months and 20 days. Nina was a bright little girl and was sick about a week. All that loving hands and medical skill could do was done, but to no avail, for God saw best to call her to the home prepared for his little children. She leaves a father, mother, grandfather, sisters, brothers and other friends. Funeral services were held by Rev. J. K. P. Aaron, after which the remains were laid to rest in the Collins graveyard.

On March 14th, Mrs. Rachel Lloyd, wife of Rev. C. C. Lloyd, who lived at Rowes X Roads, died after a short illness. Mrs. Lloyd was about 25 years old, a member of the Christian church. Leaves a husband and 3 small children. She was buried at the Lloyd place, near Rowena.

S. B. Collins has been awarded the contract to furnish lumber for the new Methodist church at Jamestown.

Rev. Wallace, the Methodist circuit rider on the Jamestown charge, was a pleasant visitor at Mt. Vernon on Saturday evening of last meeting. Bro. Wallace and Bro. Grimsley are old friends and doubtless enjoyed meeting.

### Spring.

Spring is looked upon by many as the most delightful season of the year but this cannot be said of the rheumatic. The cold and damp weather brings on rheumatic pains which are anything but pleasant. They can be relieved, however, by applying Chamberlain's Liniment. Obtainable at Paull Drug Co. Adv.

## Stomach Trouble Solved

Most stomach troubles are not diseases. The stomach is simply weak. Tired out. The right kind of a tonic is what is needed. A few meals, well digested, will furnish natural strength. That is what a tonic will do for you. It will start the stomach going right. Then the stomach will take care of itself.

## PE-RU-NA Good the Year 'Round

**Always Ready-to-Take** There is no use of writing a new prescription every time a remedy is needed for a weak stomach. No use whatever. The old, well-tried remedies, put up on purpose for such cases, are a great deal better than an off-hand prescription. Peruna is the remedy that people have relied upon for a great many years. It is ready to take, composed of pure drugs, of uniform strength and composition. Not an experiment. Peruna is a substantial, household remedy, with forty years of splendid history behind it. In buying Peruna you take no risk. You know what you are getting.

## NOTICE.

"Joe" Cleveland Bay.

This celebrated Stallion will make the season of 1916 at my barn 4 1/2 miles south of Columbia, and 1 1/2 miles west of Gadberry on Pettits Fork creek, and will serve mares at \$7.00 to insure a living colt. He has proven to be a good breeder.

JOE is a dark bay, 16 hands high, heavy built, good style, has the best of eyes, feet and legs, and in fact a perfect model in every respect. He is the best and quietest work horse I ever saw, and a fine driver for women with perfect safety, so he needs no further introduction.

Money due when colt is foaled. All care will be taken to prevent accidents but not responsible should they occur.

JOE was sired by Cleveland Bay, and his first dam was a Lexington. Call and see my horse if interested or phone me.

WILL JOHNSON.
