Messrs. Sherrill & Sparks, our new mill firm, will be ready for business in the near future. They expect to have a saw rig attached preparatory for cutting wood.

We are just in receipt of a letter from our old friend and neighbor, J. J. Hunter, formerly of our town, but of late of Amarilla, Texas, who is the agent for the Miami Mining Milling & Development Co., who is doing a great business for his company. We were certainly glad to hear from him and to know he was doing so well. Success to you J. J.

We are just in receipt of the announcement of the marriage of Miss Emma Linna, the accomplished daughter of Mr. and Mrs. Virdie Thompson, formerly

of this community, but now of Camner, Ky., on Friday, the 21st of December, 1917, to Corporal D. C. Biggs, of Augusta, Ga. May success attend them all through life is the wish of their many friends in our city.

Mr. and Mrs. Strong Hill, of our town, are just in receipt of a letter from their son, Ed, who is in Uncle Sam's service and at present located at Fort Leavenworth, Kan., announcing that he had recovered from his recent operation, and that he had been promoted to Corporal. We are always glad to learn of our boys being promoted.

We will close by saying, all of our farmers are going to spread themselves this year for the banner tobacco. Some are cutting timber now preparatory for tobacco beds. 25cts per lb., tobacco will get a move on them certain.
