GOD'S WORD NOT MAN'S.
Mark vii, 1-13—Oct. 13.

"For the Kingdom of God is not meat and drink, but righteousness and peace and joy in the Holy Spirit."—Romans xiv, 17.

THE study today shows that the Pharisees of eighteen centuries ago, while professing to keep carefully the Divine Law, and even boasting of faithfulness in this respect, had gradually gotten away from God's Word and become followers of human tradition. And surely the same is true of Christians today. The Bible is the recognized Authority, but each denomination of Christians has its own theory, its own proof-texts, its own catechism. When the Bible is read the gloss or interpretation of the accepted creed is before the mind and veils it. Thus it is that with Bibles in our hands Christians are divided into six hundred different sects, with very little prospect of coming together, because each one insists upon using his own creedal spectacles in the study of the Bible.

If truly wise, would not all Christians cast aside and destroy these creed spectacles which have so long separated us, given false coloring to various passages of God's Word and confused our minds in general? Would it not be following Heavenly counsel and Heavenly wisdom to take a different course and to begin a study of the Word of God afresh in the light which shines from one page upon another?

Eating With Unwashed Hands. In this lesson the Pharisees inquired why the followers of Jesus were not instructed along the lines of the Talmud—to be very careful to always wash their hands before eating, as a religious duty.

Answering the Pharisees on these points, Jesus said to them, You are the holy people mentioned by Isaiah the Prophet, saying, "This people seeketh Me with their lips, but their heart is far from Me. But in vain do ye worship Me, teaching for doctrines the commandments of men."

Jesus gave them an example of how they neglected the Divine commandments while giving so much attention to ceremonial washings, commanded, not of God, but of the Talmud: The Mosaic Law commanded that father and mother should be honored and that he that spoke evil of either should be put to death. But this command had been changed by the Talmud and any man might be free from his parents by consecrating himself and substance to God and religious uses. Having done so, according to the Talmud, he was freed from all obligations to his parents. Thus they had made God's direct commandment null and void.

This was the conflict between the teachings of Jesus and of the Pharisees. Both claimed holiness and strict observance of the Divine Law, but Jesus held to the Word of God and rejected the Talmud, the traditions of the Elders, and the Pharisees neglected the Word of God and held to the traditions. What are we as Christians doing today? "Let us hold fast the faithful Word," "The Word of God, which is able to make us wise." Let us search the Scriptures daily and critically, and abandon everything which conflicts therewith.

What is God's Kingdom? Our text is frequently misunderstood to mean that God's Kingdom consists in righteousness and peace and joy in the Holy Spirit. The context shows that this is entirely a wrong thought. Let us see:

Let us bear in mind what we have already seen respecting the Kingdom mentioned in the Bible—that it is the glorious reign of Messiah for a thousand years, for the uplift of the human family, and that during that reign the Church will be associated with Jesus in His Kingdom glory, power and honor. The call of this Gospel Age is to select this Bride class and to develop them and make them "meet for the inheritance of the saints in light."

The Gentiles who came into membership in the Body of Christ were not required to conform themselves to the demands of the Jewish Law. For instance, a Jew, according to the Law, might not eat fish that had no scales, mackerel, etc., neither might he eat rabbit meat, nor pork, and in a variety of other ways he was restrained and limited in his eating and drinking. But none of these restraints apply to Christians who have come from amongst the Gentiles and who never have been under the Law Covenant. Transformed by the renewing of their minds, they have come to appreciate and love righteousness and truth. These things they prize and not specially the privilege of eating pork or some other thing forbidden to the Jews. Joy in the Holy Spirit, fellowship with the Father and with the Son and with all who possess the spirit of righteousness, is the privilege of every member of the embryonic Kingdom class, of "the Church which is the Body of Christ."

Gov. Wilson's Courage.

There are few public men of the courage of Governor Wilson. He stands for a principle and dares defend it even at the risk of failure to realize his ambition. He had rather be right than President, and the people will love him for making enemies of those who wear the livery of Democracy, the better to serve the devil of Plutocracy. It was Senator Smith of New Jersey and his clique who, twenty years ago, made it impossible for the Democrats to carry out their platform promises as to the tariff. He was a reactionary then and he is a reactionary now. He wanted to misrepresent the State of New Jersey again in the United States Senate and claimed that his advocacy of a high protective tariff is in the interest of the working man, a most arrant absurdity. The men who grow rich by the tariff are not the friends of labor and no tariff was ever designed for the laboring man.

Governor Wilson has no patience with such utterances or with the men who make them. He boldly declared that Senator Smith must be beaten and by a man who stands for policies changed by circumstances and altered by necessities of politics. In other words that he would stand for no man who does not stand squarely on the progressive platform adopted at Baltimore. The result was Smith was beaten by 20,000. All honor to such a man, and he is sure to receive it from the people who love honesty, in politics and uprightness and integrity in men.

NOTICE TO TAXPAYERS.

The tax books have been in my hands for several weeks and your taxes are now due. Heretofore the Sheriff has not advertised real estate for sale for unpaid taxes, and in this manner has been carrying a great many people. In the future all taxes that are not paid within the time allowed by law, property will be advertised for sale, as I must protect my bondsmen. If your property is listed for sale for taxes you will have only yourself to blame, so come in and settle at once. W. F. CROOKS, Sheriff Montgomery County.

WANTED: 50 MEN AND WOMEN

To Take Advantage of Special Offer by W. S. Lloyd.

W. S. Lloyd, the enterprising druggist, is advertising today for fifty men and women to take advantage of the special half price offer he is making on Dr. Howard's celebrated specific for the cure of constipation and dyspepsia and get a fifty cent package at half price, 25 cents.

So positive is he of the remarkable power of this specific to cure these diseases as well as sick headaches and liver troubles, that he agrees to refund the money to any customer whom the medicine does not quickly relieve and cure.

With Dr. Howard's specific at hand, you can eat what you want and have no fear of ill consequences. It strengthens the stomach, gives perfect digestion, regulates the bowels, creates an appetite and makes life worth the living.

If you cannot call at Mr. Lloyd's drug store today send him 25 cents by mail and he will send you a package promptly, charges paid. Mr. Lloyd has been able to secure only a limited supply of the specific, so great is the demand, and you should not delay taking advantage of this liberal offer he is making this week. 13-2t

If Life is Bitter.

Bull Moose Roosevelt promises to call an extra session of Congress, if he is elected, to improve the conditions of living and to make life one grand holiday for all his countrymen. It would be impossible. All the people would not be happy if transported to Paradise. A majority would find fault with the conditions prevalent in their new home and demand, without delay, another form of government. Bull Moose Roosevelt was President for seven long years. He did not improve conditions. The leopard never changes its spots.—Arkansas Thomas Cat.
