

## Best Stomach Remedy Free

It is an old saying that if the stomach is sound the whole body is safe, because so much depends upon the proper working of the stomach. Many persons find themselves with a disorder of the stomach which produces dyspepsia or a peculiar state of biliousness.

If you suffer from both stomach trouble and constipation you are on the way to a very serious disease. From just such conditions come appendicitis, rheumatism, skin diseases and similar disorders, because the waste matter that should have been expelled from the system through the bowels has found its way into the blood and vitiated it. What is needed at this point is not simply a violent cathartic tablet or pill, which usually does more harm than good, but a gentle laxative tonic like Dr. Caldwell's Syrup Pepsin, which people have been using for three centuries for nearly a quarter of a century. It cured J. C. Lantam, of Warrensburg, Mo., of stomach trouble of long standing, also William Vail, of 307 Madison St., Louisville, Ky., who had the trouble for fifteen years.

However, if you have stomach trouble you want to know from personal experience what Dr. Caldwell's Syrup Pepsin will do for you. If so, send your name to the doctor and a free trial bottle will be sent you. You are urged to send for the free bottle, as the results from it will be the best recommendation of Dr. Caldwell's Syrup Pepsin. Then you will do as over two million people did last year—send to your druggist and buy a regular bottle at 50 cents or \$1, according to the size you prefer. We could mention hundreds and hundreds of families who are never without it. You can never tell when some member of the family will need a laxative, and then no time should be lost taking Dr. Caldwell's Syrup Pepsin.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service, and the address is Dr. W. B. Caldwell, 509 Caldwell Bldg., Monticello, Ill.

## OPERATION HER ONLY CHANCE

### Was Cured by Lydia E. Pinkham's Vegetable Compound

Adrian, Ga.—"I suffered untold misery from a female weakness and disease, and I could not stand more than a minute at a time. My doctor said an operation was the only chance I had, and I dreaded it almost as much as death. One day I was reading how other women had been cured by Lydia E. Pinkham's Vegetable Compound, and decided to try it. Before I had taken one bottle I was better, and now I am completely cured."—LENA V. HENRY, Route No. 3, Adrian, Ga.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E.
