THIRTY DEATHS ARE TOLL OF FOOTBALL

Radical Changes in Rules Demanded to Make the Game Safer.

FOOTBALL'S CASUALTIES.

Year.	Deaths.	Injuries.
1901	7	74
1902	15	106
1903	14	63
1904	14	296
1905	24	200
1906	14	160
1907	15	160
1908	11	304
1909	30	216

According to the figures to date, there have been thirty deaths, traceable to football, during the season which opened the middle of September, and which is not yet over. There have been 216 injuries.

This is an increase in fatalities of about 200 per cent, over 1908. It

is probable that the result of many deaths will be the entire reform of the football game, eliminating entirely mass plays, in which most of the injuries were sustained, by the inter-collegiate football rules committee.

There is a general demand for legislation for the sort which will make football a safer, saner game, or else abolish the sport. Coach Stagg, of Chicago University, will embody the ideas of the West in his address at the rules committee meeting in December.

Severe Colds, Coughs, Inflamed throats and sore lungs, H. hemorrhages, Croup and Whooping Cough get quick

Youth's Companion Calendar, 1910.

The publishers of The Youth's Companion will, as always at this season, present to every subscriber whose subscription (\$1.75) is paid for 1910 a beautiful Calendar for the new year. The picture panel which suggests the title, "Venetian," for the Calendar was painted by the famous marine artist, Thomas Moran. His Venetian scene, reproduced in the Calendar by thirteen color lithography, will be found well worth preserving, long after 1910 is gone by.
