Richard Golden Dies Suddenly.
New York, Aug. 11.—Richard Golden,
the actor, died suddenly on
board the houseboat Stroller in
Gravesend Bay, where he was the
guest of John Newton Porter. Mr.
and Mrs. Golden were preparing to
make a trip to Maine as guests of
Mr. and Mrs. Porter when the actor
suddenly became ill. Bright's dis-
ease was the cause of death. The
body was brought to this city and
taken to the apartments of a friend
at the West 42nd street. Services
will be held there this afternoon, and
the body will be taken to Mr. Golden's
native city, Bangor, Me., for
burial.

**KNOX'S TROUBLES
AS CABINET HEAD**

HE HAS BACK AND SIDE DOORS
IN AMERICA.

He Has the Busy Sign on His Office
In the State Depart-
ment.

ON COMMERCIAL AGREEMENTS

Washington, Aug. 11. (United
Press.)—The busy sign is out at the
state department. Secretary Knox
and Assistant Secretary Wilson have
barricaded themselves back of the
mahogany doors and only the most
important personages can expect to
hold a conference with anybody but
the messengers out in the corridor.

The forth coming year will be the
most important the department has
had to chronicle for some time. If
Secretary Hay had his troubles keep-
ing the door open in China, Secre-
tary Knox may be said to face the
problem of keeping front side and
back doors open in pretty nearly all
of the countries in both hemispheres
and it is going to be rather difficult
for him to watch China while hold-
ing his heel against the jamb in
South America and negotiating with
France to open the side entrance a
little more for the products of Amer-
ican farms and factories.

Just now he is trying to settle the
situation in China. There is not so
much a question of door being open
it has been open ever since John
Hay flashed the cryptic phrase, "ad-
ministrative entity" on the foreign
powers who were expecting to take
a nice little slice of the oriental em-
pire for themselves before the smoke
cleared away after the Boxer upris-
ing. Since then it has been discov-
ered, however, that England, Ger-
many, France, Russia and Japan have
been hanging around the doorway so
much that it is difficult for anyone
else to get in or out. Secretary
Knox proposes to see that the United
States runs that blockade, not for
once but for all time. There have
been two ministers, an ex- and a
prospective of China, and one am-
bassador from Japan hovering about
the state department for several days
talking over oriental matters of this
kind.

In addition to this, the South
American doorway must be kept
clear for United States products.
American banks are to be established
in all of the important centers in
that continent, which will facilitate
business with the United States. The
United States bankers will become
bidders for South American bonds in
order to have a voice in the con-
struction of important public pro-
jects on which American materials
will be used. This much accom-
plished, there is the tariff to be ad-
justed. For this purpose the admin-
istration has a much wider latitude
under the maximum and minimum
provision of the new tariff bill. Pres-
dent Taft can now tell the Latin
American countries that they will be
given advantages in tariff reduction
for advantages secured by the United
States.

The most perplexing of all the
problems, however, is the readjust-
ment of commercial agreements with
European nations. This task pre-
sents perplexities unthought of be-
fore. There must be speculation, cal-
culation, heaps of statistics digested,
and many pots of diplomatic savvy
used before this can be completed.
France is touchy about American
tariff. Germany is commercially ag-
gressive and will get as much as it
can. Even the smaller countries have
been showing signs of retaliating
against the United States for the
higher duties against their products

SYNOD HAS ADJOURNED.
German Lutherans Complete Their
Session at LaPorte, Ind.

LaPorte, Ind., Aug. 11.—The Ger-
man Lutheran synod, which has been
in session here for a week, being at-
tended by more than 600 delegates
from Indiana, Ohio and Kentucky,
adjourned after voting to hold the
next synod in Cleveland, O.

The general board of the church
extension fund was authorized to
raise \$200,000 during the coming
year for the continuation of its work.
Pastors were instructed to take col-
lections for the support of the mis-
sions among German Lutherans in
England and Brazil.

Church and Lodge Halls Burn.
Clarksville, Aug. 11.—The church
and Masonic and Odd Fellows' hall,
located at Oakwood, in the western
part of the county, were destroyed
by fire Saturday night about 10
o'clock, entailing a loss of \$1,500.
The church was used by all denom-
inations, and the hall was on the
upper floor. It is unknown how the
fire originated, as the Odd Fellows
had just closed their meeting when
the fire was discovered. It was a
total loss.

Launch Sunk by Towboat.
Hickman, Ky., Aug. 11.—While
the big towboat steamer Pacific No
2 was making a landing here, the
stern of the boat backed into the
private launch of Drs. J. M. Hubbard
and C. M. Blackford, and the wheel
of the towboat smashed into the
launch, sinking it. The launch was
valued at \$1,200. Efforts will be
made at once to raise her.

**HOW CASTRO'S
MILLIONS SHRUNK**

VERITABLE THEFT OF HIS CIG-
ARETTE STOCKS.

Hauer Claims Shares By Right of
Purchase From the Ex-Dictator
—Castro's Friends

STRUGGLE TO SAVE FORTUNE

Caracas, Aug. 11.—The much her-
alded appeal for Cipriano Castro to
the Venezuelan congress, which,
after being read in joint session, was
referred to Castro's friends in a spe-
cial committee for the report, has
died a natural death in the commit-
tee room, and instead of the desired
report the curious ex-presidential
message has been achieved. Thus
the last spasmodic effort of a few
friends of the late dictator to awaken
sentiment for their fallen idol has
failed.

The systematic spoliation of the
fortune Castro left behind in Vene-
zuela, the method by which the mil-
lion dollars of Castro's property was
reduced to fifty thousand dollars, and
this then taken away from him,
probably will be a revelation even to
Castro.

Castro owned a million dollars of
cigarette shares, given him as his
share in the promotion of the cigar-
ette trust. A few weeks ago the
directors of the cigarette company
sold five million dollars' worth of
the concern to a private individual,
Senor Garcia Guerra, for \$250,000,
5 per cent of the capitalized value,
notwithstanding that on the same
day the shares were quoted on the
exchange at 25 per cent premium.
The next step was the formation of
the old stockholders except Castro.
Then was issued an order by the
commerce court to have \$50,000,
which corresponded to the 5 per cent
purchase price of the Castro stock,
deposited in the Bank of Venezuela
to the order of whoever might be
the holder of this stock. So, in one
day one million dollars in good
money became fifty thousand. This
fifty thousand dollars was immedi-
ately attached by individuals, who
have law suits against Castro.

The sequel was the arrival a few
days ago of a German citizen, Theo-
dore Hauer, with a million dollars in
cigarette shares, who claims that
these belong to him by virtue of pur-
chase from Castro. He engaged
counsel and will begin action against
the perpetrators of the alleged illegal
organization.

Texas Preacher Called to Jackson
Jackson, Tenn., Aug. 11.—The
Rev. Albert Sidney Johnson of Green
ville, Texas, has been unanimously
called to be pastor of the First Pres-
byterian church here, to fill the pul-
pit made vacant by the death of the
late Rev. Angus McDonald, D. D.
The call was made at a congrega-
tional meeting held Sunday, and it
is too early to know what action the
Rev. Mr. Johnson will take, but the
officers of the church confidently ex-
pect him to accept the invitation.
Though he bears the name of the
great war general of the Confederacy,
he is not related to that dis-
tinguished family.

woman who hasn't any sentiment in
her make-up.

Anty Drudge Knows.
Mrs. Oldfogy—"I don't believe in new-fangled ideas,
Old-fashioned ways are best. No Fels-Naptha soap
for me!"
Anty Drudge—"Some day you will wake up. You'll grow
tired of the old-fashioned way of washing with its
long hours, washtub slavery and backache. Then
you'll try the Fels-Naptha way. I know you will, be-
cause I've met just such prejudiced women before,
and they always join the Fels-Naptha army some day."

It is a natural instinct to keep on think-
ing that one's own way is best. Which
probably explains why there are still
women enslaved by the old, hot, hard kind
of washday.

But reason overcomes instinct. That
is part of reason's business. And there are
a million women who have gone over from
the big range-fire, the overheated house,
the steaming suds and smell, the scalded
clothes and the hard-rubbing to—the
Fels-Naptha cool, easy washday.

How is it with you? You have the
testimony of the million. Better still, you
have the chance any day, any hour, to test
our claims for yourself.

A cake of Fels-Naptha, water just as it
comes from the spigot or pump, and the
directions printed on the red and green
wrapper—and you are ready to wash or
clean anything.

Will you make the trial?

BAD MONEY

TURNED LOOSE IN CROWD OF
COLORED PEOPLE.

Police Arrest One From Louisville,
and Are Making Investigation
Today.

Bad money was turned loose yester-
day in the crowd of celebrators
and today many refreshment dealers
discovered that they had accepted
many bad dollars. The police ar-
rested Daniel Hoopwood, a negro
from Louisville, suspected of being
with the counterfeiters, although
the real operators are thought to
have made their escape.

The police have notified Louisville
and expect to locate the maulers
if possible. Hoopwood was trying
to pass the money at the skating
rink at Tenth street and Broadway
when Patrolman Rice took him in
tow. George Tandy, a Paducah
negro, was discovered with several
curious coins, but Chief Collins said
he thought he was innocent.

The "queer" coin shovers are
thought to have come from Louis-
ville and in the rush yesterday it was
easy to get the money in circulation.
The dollars bear the date "1900" and
the mint mark of New Orleans. Un-
less closely examined the coins are
good imitations.

The trial of Hoopwood was contin-
ued in police court this morning.

until Friday and in the meanwhile
the police will make more investi-
gations.

Vets Open Convention.
Pittsburgh, Aug. 11.—The arrival
of Lieutenant General Young, re-
tired, acting as personal representa-
tive of President Taft, marked the
opening of the convention of the vet-
erans of foreign service and the army
of the Philippines. Among the visi-
ters was Edward K. Lane, of Mis-
souri, Mont., former trooper in
Roosevelt's rough riders. Lane was
color sergeant of the troop when the
band of cow punchers and college
men charged San Juan Hill.
