NEW ORLEANS:

SATURDAY MORNING, MARCH 16, 1850.

INSULTING A WHITE PERSON.—For this violation of the ordinance, one John Alexander, a free man of color, was arrested yesterday and required to give bail for his appearance.

COMMENCING EARLY.—Eugene Boussinet, a youth, was taken into custody yesterday for a breach of the peace. Not being able to pay a fine of $10, the juvenile rioter was committed for ten days.

ACQUITTED.—Thomas Waters and Jerry Waxter were tried and acquitted yesterday before the First District Court, on the charge of robbing Jean Jaques Bosque on the night of the 9th of December last.

FIFTH DISTRICT COURT.—The case of Mrs. Hubeh vs. the Carrollton Railroad was to have been continued yesterday, but Cyprien Petrie, a juror, absented himself from the Court. An attachment was issued without effect, and the trial was further adjourned until to-day.

DISCHARGED.—Owen Callaghan was examined yesterday on the charge of stealing cotton from the Louisiana Press. The evidence did not show that the accused was an illegal operator in this great staple, and he was accordingly discharged.

BREACH OF THE PEACE.—Thos. Kelly and Jas. Hutton, two roystering blades who had become potvaliant over their cups, disturbed the peace of the city and violated the dignity of the First Municipality yesterday by riotous behavior in Custom-house street, which public exhibition called together a wondering crowd, and attracted the notice of the Police. Recorder Genois fined these disorderly individuals $10 each, and in default of payment they were committed to prison for ten days.

LARCENY.—John Martin was brought before Recorder Genois, yesterday, upon the charge of suddenly seizing $35 in gold, from the counter of Jose Gomez's Coffeehouse, and vanishing instanter with the same. Martin was arrested soon after and insisted upon it that he took the money by permission of the owner, who, it was proved, was a stranger in the city, and had entered the bar-room to obtain silver for his funds. The accused was sent before the First District Court.

AN OUTRAGE.—Mrs. Louisa Lacheut made an affidavit before Recorder Genois, charging one Charles Roberts with assaulting her with intent to kill. The deponent stated that on Thursday afternoon Roberts came to her house, No. 18 Burgundy street, and was forbidden by her to enter the door; upon this he drew a knife and pistol, and, with threats that he would take her life, drove her from the premises. She returned a few hours after, accompanied by the police, and found the accused still in possession of the room. During this time he had completely destroyed her wardrobe and furniture, amounting in value to $200. The officers in attempting to arrest Roberts were resisted and two of them slightly wounded. The offender has been arrested and will be examined.

RECORDER BALDWIN'S COURT.—There was a promiscuous gathering yesterday, yet the aim of all things seemed the same. Charges of assault and battery made up the head and front of the offending, and mutilated visages proclaimed the damage done. Black eyes were developed in all their dark proportions; bandaged limbs attested violence used, and voluble tongues with resistless energy spread the facts before the patient magistrate. John Thompson, with ludicrous asperity, delivered himself of the burden which oppressed him in the shape of a glowing recital of a beating received from his neighbor, Brown; and Mrs. Muggins gave a lively sketch of neighborhood gossip, which was particularly edifying to the Court and spectators. Several squares in Girod and Philippa streets were depopulated for the time being by the wholesale call for witnesses to establish the fact that Peter VonStapper had been ejected out of his own premises by Mike Flaherty, the propelling power being the extremity of Mike's boots. After justice had been meted out to the much injured complainant, the Recorder closed proceedings by an adjournment.

TRIAL OF DAVID FOLEY.—The trial of David Foley, on the charge of manslaughter, took place yesterday before the First District Court. The testimony was nearly the same as that adduced at the examination before the Recorder, which we published at the time. Witnesses stated that Foley and Patrick J. Brown had a slight quarrel early on the evening of the 23d of November, at the Pierayune Coffee-house, corner of St. Charles and Poydras streets; that after this, Brown was heard in his declamations that he "could whip any one in the house," and that Foley stepped up to him and asked him if "he wished to pick a quarrel with him." Brown replied that he could whip him also, upon which Foley offered to bet $50 that he could not, and while uttering these words he was struck by Brown. Foley quickly unbuttoned his coat, drew a bowie knife, caught his assailant by the shoulder and stabbed him. Brown fell back with Foley on top, who, before the spectators could interfere, again inflicted another terrible wound which instantly caused the man's death.

The jury were out but fifteen minutes, when they returned with a verdict of guilty upon the indictment. The prisoner was remanded to await his sentence. Counsel for the State, M. M. Reynolds, District Attorney; for the prisoner, A. G. Howard.

☞ The Hungarians now in New York have issued an address, very ably written, in which the past and present condition of Hungary is stated; and earnest thanks are tendered for the sympathy that has always been extended to them by the citizens of this country.

NEW ORLEANS MARKETS.

CRESCENT OFFICE,
Saturday Morning, March 16, 1850.

The present week has witnessed some important changes in our market, the principal one being a reduction of about a half cent in the price of Cotton immediately after the reception of the Canada's news, though the decline has since been partially recovered. Flour has improved 15 to 25c ₱ bbl, and Corn has remained nearly with very light supplies. Lard has advanced slightly, while Provisions generally have remained about stationary.

The next steamer from Europe will be the Niagara, which was to leave Liverpool for Boston on the 9th inst, and is therefore in her seventh day.

COTTON—The market closed heavily a week since, all parties being disposed to await the later news from England, expected by the Canada. Saturday also passed quietly, the sales reaching but 2500 bales, at former rates. On Monday these advices came to hand, announcing a half decline at Liverpool, which at once depressed our own market 5/8@¾ a cent, and 3000 bales changed hands at this reduction. Immediately after, however, buyers came eagerly forward, and fully 23,000 bales were sold on Tuesday and Wednesday, the currents rates at the close showing a recovery of ⅝@¾ of a cent of this decline. Factors were still firmer on Thursday and, as they offered their stocks sparingly, the sales reached but 2000 bales. Yesterday the market continued quiet but very firm and the sales embraced 2000 bales, making a total of 29,500 bales for the week, taken mainly for England. The closing prices are barely ½c below those of this day week, and we arrange our quotations accordingly. The receipts since 1st September are now 620,457 bales against 807,169 to same time in 1849, and at all the United States ports there is a decrease of 257,911 bales.

TOBACCO—Prices have been fully sustained, notwithstanding the slight increase which has taken place in the stock offering. The sales of the entire week embrace 360 hhds, of which 150 hhds Mason county at 3½ for E and 6¼@6½ for R, and 28 do, A, at 9½c. Yesterday's sales, included in the above amount, were 100 hhds, 58 A 7½ and 42 R at — ; and 67 hhds at 7½@8½c for A and 5½ for R. We quote Logs, 3½@5¾; Inferior to Common, 5¾@6½; Fair to Choice, 7@9; Mason County, 6@12c ₱ lb.

SUGAR—The Sugar market has exhibited rather a dull appearance for a week back, and prices may considered to be lower for all but the Fully Fair to Prime qualities. The entire sales comprise about 4200 hhds, (of which some 600 were disposed of yesterday) mostly to Western purchasers. We now quote Inferior and Common 2¾@3¾, Fair to Fully Fair 3½@4c, Prime and Choice 4¼@5c ₱ lb. On Plantation above the city we notice 590 hhds (two crops) sold at 4c ₱ lb.

MOLASSES—The market has been dull with sales of barely 2000 bbls for the week. The inactivity is owing to the limited supply of really Prime, which is wanted, the recent receipts consisting mainly of Inferior and fermenting parcels, which range from 12@13c, according to quality, while Prime sells 14@15c, according to quality, and re-boiled command 20@22c ₱ gallon.

FLOUR—The light receipts and unfinished stock of Flour have occasioned quite an improved movement in the Flour market, and prices are 20@25c higher than we quoted them a week ago. The week's sales amount to 10,000 bbls, the ruling rates being $5 50@5 62½ for Ohio, $5 62½@$5 75 for Superfine Illinois, $5 75@$6 00 for St. Louis, and $6 25@$6 50 ₱ bbl for Extra and Choice marks, which are especially scarce. Yesterday's sales were about 1000 bbls at this range, the week's receipts 4037 bbls. Exports 3198 bbls.

GRAIN—Light arrivals of Corn have kept prices nearly up to the rates quoted in our last, and some 16,000 sks have been disposed of at 84@87c for good shipping parcels, and 80@83c less for Inferior, etc. Yesterday the market was almost bare, and only 1800 sks were sold. Of Wheat the market continues almost bare. Oats, owing to increased supplies, are lower, and some 8000 sks have found buyers at 40@43c for Ordinary to Good Ohio, etc, and 55@60c ₱ bushel for St. Louis. Bran is still very scarce, and the last sales were at 82 50@$2 55 ₱ 100 lb on the Levee. Week's receipts 13,019 sks Corn, Exports 37,017 sks.

PROVISIONS—We have had a rather inactive Pork market for the past week, and the entire sales have hardly exceeded 2500 to 3000 bbls, principally at $9 50@$9 62½ for Mess, which is alone in demand. Prime is dull at $7 37½@$7 50, and M O at $8 37½@$8 50, while Clear is selling at $10 00@$10 50 ₱ bbl. The inquiry for Bacon Pork has also fallen off, and only a few sales have been made at 3½@3¾c for Heavy round; the better rate is now hardly to be obtained even for the best corn-fed. Beef has been quite steady at $11 25@$12 00 for Mess, $8 00@$8 50 for Prime, and $4 75@$5 00 ₱ bbl for B Beef. The last sales of Prime Mess were at $15 ₱ tierce. Bacon has continued quite steady, with sales to a fair extent at 3¾@3¾c for Sides, and 3½@3½c ₱ lb for Shoulders. Hams are selling in limited quantities 6@7½c for plain and bagged, and 8@9c for Canvassed. Lard is dull at 3½@3½ ₱ lb. Western Butter is quite dull at 7@11c. Cheese is selling at about former quotations, 7@8½c ₱ lb, the outside rate only for the best imitation English Dairy. Lard has improved, owing to rather increased receipts of the better qualities, and about 4000 bbls and tierces have been taken at 4¾@5¼c for very Inferior, 5¾@6¼c for Ordinary to Good No 1, and 3000 kegs at 5½@6c for Ordinary, and 6¾@6¾c ₱ lb for Good to Strictly Prime. Of this quantity there were sold yesterday 80 bbls at 5¾, 70 do at 5¼, and 100 tierces and 214 bbls at the ₱ lb.

RICE—The supply is large and the demand very limited at 2¾@3c ₱ lb, according to quantity and quality.

WHISKY—Prices improved to 20½@21c ₱ gallon for Rectified, and some 800 bbls were sold on Thursday and yesterday, mostly at the outside price. Raw is worth 19c ₱ gal. Inland 146 bbls sold yesterday at the rates.

BAGGING AND ROPE—Prices have been very steady, and sales of 1400 to 1500 pieces and coils have been made, mostly at 14c for the former and 7@7¼c for good brands of the latter. Yesterday 50 coils brought 7¼c cash.

GUNNY BAGS—Sales of 100,000 new, 2¼ bushel bags, in bales, mostly at 9c on time.

SALT—Half a dozen cargoes of Liverpool have been sold, including 2000 sks Coarse at 74c, and 4000 sks (1200 Fine) at 80c ₱ sk round. The ruling rates for second hands, delivered, are $1 40 for Fine, and 95c ₱ sk for Coarse. Yesterday 6700 bushels Rum Key Salt sold at 22c on time.

COFFEE—Heavy receipts of Rio, without any adequate demand, have put down prices fully a cent more, and only 4100 bags have changed hands, the closing rates yesterday being 12¼@13c, with few buyers even at this sudden and great reduction. The direct imports are still 69,414 bags behind last year's to same date. Present stock in first and second hands 98,780 bags.

HEMP—60 bales Dew Rotted sold at $120 00 ₱ ton.

LEAD—Not a transaction this week.

LIME—A small cargo of Eastern was sold at $1 25, and is selling from second hands at $1 30@$1 37½ ₱ cask.

HAY—Prices have again gone up to $22 00@$25 00 ₱ ton, 400 bales Bush Hay, in store, bringing the outside price.

NAVAL STORES—A cargo of 1400 bbls from Wilmington was sold at $1 00 for Rosin, $1 00 for Tar, and $1 15 ₱ bbl for Pitch.

TALLOW—126 bbls and casks Prime sold early in the week at 7c ₱ lb.

EXCHANGES—Sterling bills being more abundant the rates have fallen to 9¾@9¾ ₱ cent prem; New York 60 day bills 1¼@1½ ₱ cent dis; sight checks ¼ ₱ ct dis.

FREIGHTS—The large operations in Cotton have given more activity to the Foreign Freight market, and British vessels have filled up readily for Liverpool at 5-16d and American vessels now claim 7-16d. For Havre, also, several ships have been taken at 13-16c, one for Gottenberg at ½d, and one for Glasgow at 11-25d.
