Contractor Massicot Employed by Telephone Co. to Fix All Breaks Made by Them.

The breaks in the concrete walks made by the Cumberland Telephone Co. when installing their new plant, have made the walks unsightly for a long time and it will be welcome news to everybody to learn that Contractor Massicot expects to begin repairing them within the next fifteen days, the company having contracted with him to do the work.

Blakely-Magnon.

The marriage of Miss Nina Magnon, daughter of Mr. and Mrs. E. H. Magnon, and Mr. Claude Blakely, a popular young employee of the Southern Pacific R. R., was solemnized by Rev. Father Teurlings at the home of the bride's parents last Wednesday at 8:30 o'clock, p. m. The bride, who is a beautiful blonde, was attired in a lovely creation of white silk and lace, her veil was caught with a spray of orange blossoms to her golden hair, and she carried a bouquet of white camellias and ferns. The attendants were: Miss Laura Magnon, sister of the bride, and Mr. L. L. Lusk, of Baton Rouge. The parlor and dining room were beautifully decorated with palms, ferns, smilax and cut flowers. The bride and groom stood under a large horseshoe of smilax and red camellias. After the ceremony, dainty refreshments were served. Numerous presents were received, which speaks for the popularity of the young couple.

Industrial Institute.

The Faculty has passed a resolution raising the standard of requirements for admission and in the various courses of study, making the grade higher by one term's work. Hereafter pupils will be admitted from the local public schools after completing the work of the "Advanced Sixth" grade. It is planned to have as close cooperation as possible between the Institute and the public school system, at the same time providing for the special manual training departments of the Institute.

The morning hour Friday next, the 18th inst., will be devoted to exercises in honor of the memory of the great Southern Chieftan, General Robert E. Lee. An address will be delivered by Hon. Paul DeClouet. The exercises begin at a quarter before nine o'clock, and the public is cordially invited to attend. The following day, Saturday the 19th, will be the one hundredth anniversary of his birth and will be celebrated throughout the State and the whole country, with appropriate programs of a patriotic and memorial character.

Barn Burned.

Saturday afternoon about five o'clock a barn belonging to W. G. Webb, living about two miles from town, was burned. The barn contained over 100 barrels of corn, six tons of cotton seed hulls and a quantity of pea hay. Mr. Webb can not account for the fire, but thinks perhaps it may have been caused by his dropping some matches in the barn out of his pocket, which were afterwards gnawed by rats and so ignited. The total loss is estimated at \$400.

In Memoriam.

Whereas it has pleased our Almighty Father to take from us our brother, T. S. Singleton, who passed from pain and labor to rest and reward at six o'clock New Years morning,

Resolved that in his death the community has lost a worthy citizen, the Methodist Church in Lafayette a true consecrated member, the Sabbath School an earnest faithful superintendent, who for years labored assiduously for its good, and his family a loving companion and father.

Resolved that we feel a sense of personal loss and miss him from his accustomed place in the church he so much loved, that we extend to his bereaved loved ones our tenderest sympathy.

Resolved that we furnish these resolutions to The Lafayette Advertiser and The Lafayette Gazette for publication and send a copy to his family.
