Letter to R. Todd.

WELSH, LA.

Dear Sir: The cheap paint to buy is the one that covers more than you think; the cheap one to wear is the one that is young when old.

Mrs Moore, of Kelsey, N Y, bought 16 gallons Devoe to paint her house two coats: her painters said it would take that. Had 6 gallons left.

Mr James Ackley's house, in Cairo (Catskill Mountains)' N Y, was painted Devoe; it wore 14 years; and the paint was in good condition then. He was going to paint, the last we knew, though. That's the way to preserve a house; repaint when there's no occasion.

Yours truly

Love Finds a Way.

Fashionable weddings find prominent place in the papers: read this, as coming from the other end of the line, says the Lake Charles Press. One day last week as the foreman of a large lumbering camp in Calcasieu parish was returning from his daily duties with his crew, he was accosted by a couple, who standing before him, hand in hand, announced that they had run away! from home, sixty miles distant, where a cruel fate frowned on their love, and they asked two things—first, that the nuptial knot be tied with a round turn and a couple of half-hitches; secondly, that the bridegroom be given work. The camp foreman at once attended to the hitching part.

The bride was pleasantly gowned in a Mother Hubbard which fitted loosely in the back and front likewise at the sides, and was gathered up here and there by her fingers as she nervously handled her costume.

The bridegroom wore a complete suit of overalls and jumper, the former having one leg from the knee down patched with a different colored material.

The happy young couple buckled down to work; the groom is cutting logs in his wedding suit.

EXPLANATORY REMARKS:

WELSH, LA., OCT. 9TH, 1904.

TO THE HONORABLE MAYOR AND BOARD OF TRUSTEES OF THE TOWN OF WELSH:

We, your finance committee, respectfully submit the attached report covering the period from June 2nd, 1903 to close of business September 30, 1904.

This report shows a balance to the credit of the current fund of $4,880.39; a balance to the credit of the school fund of $781.42; and the report also shows the cemetery fund to be overdrawn $98.99. The school house fund which showed in our last report to be overdrawn 783.78 was balanced by transfering the sum of $783.78 from the current fund and as this fund had no further resources the account was dropped. thus we find the actual cash balance in all funds to be $5,519.82, of this amount 5,509.30 is to the credit of the treasurer in the First National Bank, and $50.52 in the hands of the tax collector.

Respectfully submitted,

JNO. H. COOPER,
FRANK COTTON,
CHAS. P. MARTIN. } FINANCE COMMITTEE.
