Some people are growling because ladies who wish to take a little healthy exercise, in riding Bicycles, wear short skirts, yet these same grumblers will sit on the beach and watch ladies go in bathing with skirts a great deal shorter, without a murmur and will go to the theatres and see women dancing on the stage, with skirts that are next to invisible, and gaze with inexpressible satisfaction upon the fairy scenes. Circumstances alter cases occasionally.

ST. VALERIE SCHOOL.

A very pleasant conclusion to the above school, was given in the afternoon of June 28, 1895, by the Teachers to a limited number of invited guests. The exercises consisted of songs vocal and in chorus, recitations etc., calculated to bring out the varied talents of the little pupils. Miss Hogan was the chosen valetidictor and acquitted herself admirably well.

St. Valerie's school was organized in 1868 by the Misses Naquin who for 27 years have been the principal teachers therein. It is a preparatory school for boys and girls, in which the youthful minds are taught how to study, to yield to discipline, and to prepare for admission into higher schools when they become of a proper age to do so. This school, during the last session had about 50 pupils which is an average of the number generally attending its sessions.

Judging from the number of prizes that the pupils carried away the conclusion is inevitable that the discipline of the school must be good, the instruction explicit and plain, and the application of the pupils constant and faithful.

The exercises having been concluded the guests were favored with a bountiful supply of delicious ice cream and luscious cakes, whilst the kind teachers led the pupils to a soda stand and treated their little scholars to a cool and soothing beverage.

An accident, that might have been serious, occurred on the Thibodaux Branch Railroad last Monday evening.

As the train was coming up church street, near St. John's cemetery, the supports for a car load of Lumber, just in front of the passenger coaches, gave way, precipitating a portion of the load to the earth. Some of the pieces in falling struck the front of the passenger coach, breaking through and extending backward some distance into the same.

Fortunately there were no passengers in the front seats, otherwise fatal injuries might have been received.

Careless loading caused this trouble. The props or uprights in the side of the car which are intended to hold the lumber in position, were composed of mater rail too weak to sustain the weight of the load, which is generally said to be about double the quantity allowed for each car to transport.

"One of my sick headaches," you will hear people frequently say, as if the complaint was hopelessly incurable. As a matter of fact, Ayer's Pills not only relieve sick headache but effectually remove the cause of this distressing complaint, and so bring about a permanent cure.

A CONFEDERATE VETERAN GONE.

On Thursday night, July 3, inst., at the residence of his sister Mrs. A. Marouge, on Jackson street, Thibodaux, after an illness of several weeks, Mr. Claiborne G. Thibodaux passed peacefully away from the scenes of this earth to the realities of a future world. Deceased was 58 years of age, a grandson of the late Henry S. Thibodaux, the founder of this town. He was a quiet, industrious citizen, universally esteemed and respected, social, and pleasant in his intercourse with his friends, and maintaining the good will of all.

He was a native of this Parish, a son of the late Anbin Thibodaux, who resided two miles below this town on the west side of Bayou Lafourche, but from manhood has been a resident of Thibodaux.

Several years ago he lost his wife, who left with him one son, now grown, to mourn the loss of a kind and indulgent parent.

In 1862 deceased became a member of Co. D., being organized by Capt. Cleophas Lagarde for service in the confederate states Army, which company was subsequently mustered into and became part of the 26th., Louisiana Infantry. For good conduct in said command he was promoted to be a corporal, and remained in service until captured, with his comrades, at the fall of Vicksburgh on July 4, 1863, just 32 years ago.

Mr. Thibodaux was one of the first members to join Braxton Bragg Camp No. 196 United Confederate Veterans of Lafourche valley, and was an earnest and efficient member of the same.

Deceased was a Christian gentleman and a member of St. Joseph's Catholic Church. After the usual impressive services in said church he was buried on the afternoon of July 4, in St. Joseph's cemetery near the remains of family and friends who had preceded him to the silent home.
