BAD BREATH!

Nothing is so unpleasant, nothing so common, as a bad breath; and in nearly every case it comes from the stomach, and can be so easily corrected if you will take Simmons Liver Regulator. Do not neglect so sure a remedy for this repulsive disorder. It will also improve your appetite, complexion and general health.

CONSTIPATION

should not be regarded as a trifling ailment—in fact, nature demands the utmost regularity of the bowels, and any deviation from this demand paves the way often to serious danger. It is quite as necessary to remove impure accumulations from the bowels as it is to eat or sleep, and no health can be expected where a costive habit of body prevails.

SICK HEADACHE!

This distressing affliction occurs most frequently. The disturbance of the stomach, arising from the imperfectly digested contents, causes a severe pain in the head, accompanied with disagreeable nausea, and this constitutes what is popularly known as Sick Headache, for the relief of which take Simmons Liver Regulator.
