**WILD OATS.**

**PROSPECTUS FOR 1876.** THE CHAMPION AMERICAN **COMIC PAPER**

Illustrated by a corps of the best American artists, and contributed to by the most popular humorists and satirists of the day.

Wild Oats now enters successfully upon the sixth year of its existence, and has become the established humorous and satirical paper of the country. It was started and continued the first year as a monthly, then to satisfy the demand of the public, it was changed to a fortnightly. Still continuing its good work of hitting folly as it flies, and showing up the political and social hums by its masterly cartoons and pungent editorials, it achieved even greater success than before, and was recognized as the ablest and brightest of its class. Since then we have yielded still further to the public demand, and now publish WILD OATS weekly! It has literally grown into its present shape on its intrinsic merits, being the first successful weekly humorous paper ever published in this country.

Wild Oats will be first class in every particular and on this account may be taken into the best of families without fear or suspicion, as no word or illustration will appear that can offend the most fastidious. Send for a sample copy and convince yourself.

**WHY YOU SHOULD TAKE THE CINCINNATI ENQUIRER.**

It is the People's paper, devoted to their interest and welfare.

It is an impartial friend to all men and measures that benefit the country.

It is the enemy of all men and measures that seek only personal gain at the expense of the country's welfare.

Its editorial columns are for the especial purpose of exposing the frauds of government officials, and laws couched in language calculated to deceive the understanding, and make plain to its readers the motives, causes and effects of general and special legislative acts.

Its news columns contain the latest news and intelligence that can be obtained from the four quarters of the globe, by means of the telegraph, mails and correspondence.

Its agricultural columns are the best adapted to the wants of farmers, all of whom are invited to give their experience and results of new ideas and experiments of all kinds of improvements calculated to advance the farming interests.

One issue of the Enquirer containing more solid information and intelligence, than can be had from fifty of the so-called literary papers. None can lay aside the Enquirer without admitting a valuable addition to his or her stock of knowledge.

Its market reports have for years been acknowledged as the most complete and reliable published, and of great value to Stock Dealers, Producers and Tradesmen generally.

It has departments and reading for the old and the young. For the family circle and the counting house—for the merchant and mechanic—for the farmer and stock dealer, and for ladies and gentlemen of every calling and station in life.

Its terms are low as any first class paper can be printed for, and the quality and quantity of reading matter used not excelled by any other paper.

Try it for this year. A Chromo for every \$2 subscriber.
