CHERRY PECTORAL:

For the Cure of

COUGHS, COLDS, HOARSENESS, BRONCHITIS, CROUP, ASTHMA, WHOOPING-COUGH AND CONSUMPTION.

In offering to the community this justly celebrated remedy for diseases of the throat and lungs, it is our wish to trifle with the lives or health of the afflicted, but frankly to lay before them the opinions of distinguished men and some of the evidences of its success, from which they can judge for themselves. We sincerely pledge ourselves to make no wild assertions or false statements of its efficacy, nor will we hold out any hope to suffering humanity which facts will not warrant.

Many *proofs* are here given, and we solicit an inquiry from the public into all we publish, feeling assured they will find them perfectly reliable, and the medicine worthy their best confidence and patronage.

FROM B. SILLIMAN, M. D., L. L. D., ETC.,

Professor of Chemistry, Mineralogy, &c., Yale College, Member of the Lit. Hist. Phil. and Scien. Societies of America and Europe.

"I deem the CHERRY PECTORAL an admirable composition from some of the best articles in the Materia Medica, and a very effective remedy for the class of diseases it is intended to cure."

New Haven, Ct., Nov. 1, 1849.

PROF. CLEAVELAND, of Bowdoin College, Me. Writes—"I have witnessed the effects of your 'CHERRY PECTORAL' in my own family and that of my friends and it gives me satisfaction to state in its favor that no medicine I have ever known has proved so eminently successful in curing diseases of the throat and lungs."

REV. DR. OSGOOD

Writes—"That he considers 'CHERRY PECTORAL' the best medicine for Pulmonary Affections ever given to the public," and states that "his daughter after being obliged to keep the room four months with a severe settled cough, accompanied by raising of blood, night sweats, and the attendant symptoms of Consumption, commenced the use of the 'CHERRY PECTORAL,' and had completely recovered."

HEAR THE PATIENT.

Dr. Ayer—Dear Sir: For two years I was afflicted with a very severe cough, accompanied by spitting of blood and profuse night sweats. By the advice of my attending physician I was induced to use your CHERRY PECTORAL, and continued to do so till I considered myself cured, and ascribe the effect to your preparation.

JAMES RANDALL.

Hampden co. SPRINGFIELD, Nov. 27, 1848.

This day appeared the above named James Randall, and pronounced the above statement true in every respect.

LORENZO NORTON, Justice.

THE REMEDY THAT CURES.

PORTLAND, Me., Jan. 10, 1847.

Dr. Ayer: I have been long afflicted with Asthma which grew yearly worse until last autumn, it brought a cough which confined me in my chamber, and began to assume the alarming symptoms of consumption. I had tried the best advice and the best medicine to no purpose, until I used your CHERRY PECTORAL, which has cured me, and you may well believe me. Gratefully yours,

J. D. PHELPS.

If there is any value in the judgment of the wise, who speak from experience, here is a medicine worthy of the public confidence.

MARRIAGE!

WHY SO OFTEN UNHAPPY.

THE CAUSES AND THE REMEDY.

Many and many a wife endures years of bodily suffering, and of mental anguish, prostrate and helpless, embittering her life, that of her husband, and hazarding the future welfare of her children, arising from causes, which, *if known*, would have spared the suffering, the anguish to the wife, and to the husband embarrassments and pecuniary difficulties having their origin in the mind being weighed down and harrassed in consequence of the sickness of the companion of his bosom.

How important that the causes should be known to every wife, to every husband, that the dreadful and harrowing consequences to the health and happiness of both may be avoided! Life is too short and health too precious to admit any portion of the one to be spent without the full enjoyment of the other. The timely possession of a little work entitled as follows has been the means of saving the health and the life of thousands, as over

TWO HUNDRED THOUSAND

copies have been sold since the first edition was issued.

The author has been induced to advertise it by the urgent and pressing request of those who have been indebted to its publication for all they hold dear, (that all may have an opportunity of obtaining it,) and who have favored him with thousands of letters of encomium, some of which are annexed to the advertisement.

THE MARRIED WOMAN'S

PRIVATE MEDICAL COMPANION.

BY DR. A. M. MAURICEAU.

Professor of diseases of Women.

TWENTIETH EDITION, 18 mo. pp. 250. PRICE ONE DOLLAR.

This work is intended especially FOR THE MARRIED, or those contemplating marriage, as it discloses important secrets which should be known to them particularly.

Hence, every female—the wife, the mother,—the one budding into womanhood, or the one in the decline of years, in whom nature contemplates an important change—can discover the causes, symptoms, and the most efficient remedies and most certain mode of cure, in every complaint to which her sex is subject.

The revelations contained in its pages have proved a blessing to thousands, as the innumerable letters received by the author, (which he is permitted by the writers to publish) will attest.

Sickly and Unhappy Wives,

Extract of a letter from a gentleman in Dayton, Ohio.

DAYTON, May 1, 1847.

DR A. M. MAURICEAU—*My Dear Sir:* The Married Woman's Private Medical Companion, for which I enclosed one dollar to your address, came safely to hand. I would not have troubled you with these few lines, but that I am impelled by a sense of gratitude, for myself and wife, to give utterance to our sincere and heartfelt emotions.

My wife has been perceptibly sinking for some three years or more, in consequence of her great anguish and suffering some months before and during confinement; every successive one more and more debilitated and prostrated her, putting her life in imminent danger, and which was on the last occasion, despaired of. I supposed that this state of things was inevitable, and resigned myself to meet the worst. At this time (now about two months) I heard you book highly spoken of, as containing some matters reaching my case. On its receipt and perusal I cannot express to you the relief it afforded my distressed mind and the joy its pages imparted to my wife, on learning that the great discovery of M. M. Desmoraux provided a remedy. It opened a prospect to me which I little conceived was possible. No pecuniary consideration can ever repay the obligations I am under to you for having been the means of imparting to us the matters contained in the Married Women's Private Medical Companion. But for this, ere another year would have passed over my head, in all human probability my wife would have been in her grave, and my children left motherless.

COMPETENCE AND HEALTH.

LANCASTER, PA., Oct. 24, 1847.

Dear Sir: I know you will have the kindness to bear with me in my encroaching upon your time while I acknowledge, (in behalf of myself and wife) the obligations we feel ourselves under to you, in having made known certain matters contained in your 'invaluable Married Women's Private Medical Companion.' It has been worth to me eight hundred dollars in gold to me. If I express myself rather warmly, you see that I cannot do so too warmly, when I consider you of the extent to which I have, through it been benefitted. I will state my situation, when I obtained your book through the correct channel. I took upon it as one of the most fortunate events of my life. I had been married some ten years and was the father of seven children. I was being stung long unceasingly, to the end that I might give a moderate competency, but the results of my utmost exertions at the end, left me about where I was at the beginning of each year; and that only with the most strict economy, scraping with barely the necessaries of life. Finally, this constant effort was beginning to have its effect on my health; I felt less capable to endure its continuance, while I felt the necessity of perseverance.

This constant, unceasing struggle on my part was imperative, in consequence of the protracted confinement of my wife (with occasional intermission) for six years, much of the time confined to her bed, and of course incapable of taking the charge and management of household affairs. Her condition arose from causes of which I was ignorant. Oh what would I have given had I the six years to live over again! What would my wife have given to have been spared the long days and still longer nights prostrate on a bed of sickness!—all of which would have been avoided, had I then seen a copy of "*The Married Woman's Private Medical Companion.*"

DANGEROUS DELIVERIES,

OBSTRUCTIONS, IRREGULARITIES,

&c., &c.

How many are suffering from obstruction or irregularities peculiar to the female system, which undermine their health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. How many suffer from *prolapsus uteri*, (falling of the womb,) or from *fluor albus*, (weakness, debility, &c.) How many are in constant agony for many months preceding confinement? How many have difficult or dangerous deliveries, and whose lives are jeopardized during such time, will find in its pages the means of prevention, amelioration, and relief.

TO THOSE JUST MARRIED.—HAD I KNOWN!

PHILADELPHIA, Nov. 29, 1847.

DR. A. M. MAURICEAU: Had I known of the important matters treated of in the Married Woman's Private Medical Companion, some years ago, how much misery I might have escaped! I have suffered years from causes which you point out in your book, without knowing what to do. I obtained a copy and found my case treated of. I trust every female will avail herself of the information contained in its pages.

Letters are daily received of this character, unnecessary to present.

To those yet unmarried, but contemplating marriage, or perhaps unhesitating as to the propriety of incurring the responsibilities attendant upon it, the importance of being possessed of the revelations contained in these pages, so intimately involving their future happiness, cannot be appreciated.

It is of course, impracticable to convey more fully the various subjects treated of, as they are of a nature strictly intended for the married, or those contemplating marriage; neither is it necessary, since it is every one's duty to become possessed of knowledge whereby the sufferings to which a wife, a mother, or a sister, may be subject, can be obviated.

For the Removal and Permanent Cure of all

NERVOUS DISEASES,

And of those Complaints which are caused by an impaired, weakened or unhealthy condition of the

NERVOUS SYSTEM.

This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNETISM, has been pronounced by distinguished physicians, both in Europe and the United States, to be the most valuable *medicinal discovery of the Age*

Dr. CHRISTIE'S GALVANIC BELT

and

MAGNETIC FLUID,

is used with the most perfect and certain success in all cases of

GENERAL DEBILITY,

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEAFNESS, NERVOUS TREMORS, PALPITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

☞ In NERVOUS COMPLAINTS, Drugs and Medicines *increase the disease*, for they weaken the vital energies of the already prostrated system; while, under the strengthening, life-giving, vitalizing influence of Galvanism, as applied by this beautiful and wonderful discovery, the exhausted patient and wearied sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curative,

consists in the fact that they arrest and cure disease by *outward application*, in place of the usual mode of drugging, and physicking the patient, till exhausted Nature sinks hopelessly under the infliction.

They strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never in the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than

75,000 Persons

including all ages, classes and conditions among which were a large number of ladies, who are peculiarly subject to Nervous Complaints, have been

ENTIRELY AND PERMANENTLY CURED,

when all hope of relief had been given up, and everything else been tried in vain!

To illustrate the use of the GALVANIC BELT, suppose the case of a person afflicted with that bane of civilization, DYSPEPSIA, or any other Chronic or Nervous disorder. In ordinary cases, stimulants are taken, which, by their action on the nerves and viscera of the stomach, afford temporary relief, but which leave the patient in a lower state, and with impoverished, after the action thus excited has ceased. Now compare this with the effect res
