—Rev C. B. Clark is building a new barn in the rear of the M. P. parsonage.

—Jos Ashbridge husked in six days, on the farm of Wm J. Morgan, 217 bushels of corn.

—The election passed off very quietly. We did not see but one man drunk through the day.

—The hotels and saloon keepers deserve credit for the manner in which they closed their respective places on election day.

—H. B. Gough intends opening out a furniture and undertaking establishment in the building now occupied by S. B. Hughes.

—Jesse Rapley left for Vassar on Monday to take a position as baggage master in the station at that place with his brother Will.

—Isaiah Cassel has sold his farm of 80 acres situated one mile north and one-half west of Green's Corners to David Newstead for \$2,600.

—Tallmadge Bros, a new firm at Marlette, will have the Caroung ladies band and the Marlette band to play at their opening Nov 11th.

—Miss Maggie Jemison has been engaged to teach the school in Dist No 8. Miss Mary Brown has been engaged to teach the school in Dist No 3.

—A chap has been selling the "ozone" or "meat preserving" fraud at Battle Creek, and is now seeking greener pastures. Beware of him and keep your dog loaded.

—Wm and Alex Turnbull, Hub Russell, Jas and Robt Thompson and a number of other boys left Monday morning for Roseconns to work in the lumber woods.

—Geo Gough has lately purchased a new outfit for his photograph gallery and is better able to meet the wants of those wishing anything in his line. Read his ad in this issue.

—Wm Turnbull informs us that two years ago he brought four potatoes from Pontiac with him and planted them on his farm and they yielded a little over a peck. This year he planted the peck of potatoes and received therefrom twenty bushels of his fine potatoes as you will find anywhere.

—A surprise party was gotten up by the young folks of this place last Friday evening at the residence of S. G. Bettis. It is needless to say they were more than astonished by the unusual gathering, it being altogether unexpected. A very pleasant and agreeable evening was spent and all departed highly satisfied with the evening's enjoyment.

—J. S. Duffie has made a great improvement in his hall of late. He has had placed therein a moveable partition which will make two rooms and will be used by the societies. When there is an entertainment to be held, the partition may be taken down and the whole room used. There has also been an anteroom added to the hall which will be very convenient. —F. M. Johnson, publisher of the, *Almont Herald*, has lately been beat out of \$33.20 by a man who calls himself Thomas Webb and is canvassing for a chart "Pictorial view of the World." It seems that the said Thomas Webb had received a number of orders for the same and sent away for them and they came C. O. D. Thomas had no money and he finally induced Bro Johnson to be responsible for them and delivered three-fourths of the charts then skipped out leaving a few other bills unpaid also.

ISAIAH CASSELL.  
Kenockee Correspondence.

Rev S. Riley has been engaged for the past four weeks holding protracted meetings at the Kenockee appointment on the Grand Circuit and has met with universal success. Bro Riley is highly esteemed as a gentleman in this part of the county and we can give him credit for preaching the best sermons that have ever been administered to our people. The meetings were large and the congregations attentive and the best of order prevailed throughout all. The cause of Christ was strengthened by the conversion of some while others were quickened in the divine light. The members and friends of the M. P. church, wishing to show their appreciation of the good work Bro Riley is doing in this section, will give a donation for his benefit at the residence of T. H. Allen, on Thursday evening, Nov 16th. They will meet at the Allen school house at 7 o'clock where Revs C. B. and L. Clark, of Brockway Centre and others will deliver speeches, there will also be vocal and instrumental music rendered. Supper will be served at 8 o'clock sharp. A general invitation is extended to everybody to come and have a good time.

By Neglect.  
What's it's first but a slight cold, becomes a cough, straining and exciting the lungs till such an inflamed condition exists, that powerful remedies are not always able to stop the disease and the person goes into consumption from mere neglect. Do not be so foolish but use Hamilton's Cough Balsam, which removes the impure matter from the throat and lungs and exerts a healing influence on the diseased parts. Even those who are but the wrecks of their former selves receive wonderful help. In Croup and Whooping Cough it is invaluable. Price 25 and 50 cents. Sold by C. A. Wells & Co.

—Ask your Grocer for Port Huron Brand. Take no other. Every one warranted. Manufactured by E. Percival & Son. 1006.

—The new M. P. church at Capac will be dedicated the 12th of November. Rev Dr McElroy, P. H. D. Dean of Theology in Adams college will preach the dedicatory sermon on Sunday morning at 11 a. m. The church is a fine Gothic brick veueured structure 30x50 feet with corner tower which reflects great credit on the pastor, Rev H. D. Miller, and the denomination in general.

What 10 Cents Will Do  
By calling at F. A. Baker's drug store, you can get a sample bottle of Dr. Bosanko's Cough and Lung Syrup which will relieve the most obstinate Cough or Cold, and show you what the regular sized size will do. When troubled with Asthma, Bronchitis, Dry Hoacking Cough, Pains in the Chest, and all diseases of the Throat and Lungs, try a sample bottle of this medicine.

WANTED—A good experienced teacher or male or female to take charge of the school in District No 5 to commence on or about the first of January and continue six months. THOS BELL, Director.

CONSUMPTION.  
It is said that 50,000 people die annually in the United States alone from this disease. In some sections of the country one death in every three is from Consumption. This can be, and should be avoided; our people are too careless about an ordinary cough or cold, and other symptoms of throat and lung affections that lead to this disease. You should arrest it while it is in the germ. Two or three doses of Dr. Bosanko's Cough and Lung Syrup will relieve an ordinary cough or cold. It does not dry up a cough like many preparations on the market and leave the disease behind it, but acts directly on the throat and bronchial tubes, removing all the phlegm and morbid matter that accumulates in the throat and lungs. It always all irritation, and renders the voice clear and distinct. Sold by F. A. Baker.

Everybody Read This!  
Law the man with the mule,  
Takes everything cool,  
But he keeps moving about,  
His wagon runs easy,  
When he keeps it greasy,  
And the little mules are stout,  
He draws goods by the load,  
And can be found on the road,  
Between the city and station.  
He is not a dead beat,  
But will work as cheap,  
As to almost surprise the Nation.
