### CITIZENS' CAUCUS.

The Citizens' caucus called to meet last Wednesday evening in the Town hall, to place in nomination a village ticket met pursuant to call. R. Andree was chosen chairman of the meeting, N. B. Sponeberg, secretary, and H. Van Vleet and W. V. Andree were appointed tellers.  
A very quiet and harmonious meeting was held. The balloting resulted in the following nominations:  
President—J. C. Holden  
Trustees—W. A. Cavanagh  
H. Doelle  
Bert McDonald  
Clerk—Edward Andree  
The places on the ticket for Treasurer and Assessor were left blank. We are informed that W. A. Cavanagh and Bert McDonald decline the nomination and refuse to have their names placed on the ticket.

### SCHOOL NOTES.

"It is never too late to be what you might have been."  
"Kingdom Beautiful" is the subject of Delmer E. Croft's lecture next Wednesday evening.  
Maude Pearce, '98, visited the high school last week.  
The second intermediate room has a new picture.  
The Brown City Observer has been added to our reading table.  
The senior class furnished a very nice program last Friday p. m. The junior class will furnish a program in the near future.  
The book-keeping class are taking their last trial balance. They will close their books and take a trial balance of balances next week.  
A large number of tardy marks were recorded last Monday. Attending school should be attended to with the same promptness that will insure success in any other business.  
The spring term is a good time for new foreign students to get into good working order for next year's work.

### OBITUARY.

Eliza Steadman was born in Ireland, February 28, 1843. When 15 years old she came to Michigan, settling in Greenwood township. She was married to John Ricks May 14, 1865. Up to this union there were born three children, John, Jennie and one dying in infancy. The subject of this notice had been sick a long time, but her illness was borne with great patience and fortitude. She died Tuesday, Feb. 27, 1900, lacking one day of being 58 years old. The interment was made in Elmwood cemetery, the mother being laid beside the son, John, who had preceded her to the better land by only a few days. The funeral was conducted by Rev. J. A. Rowe. The family have the heartfelt sympathy of all in this, their double bereavement.

### A Card of Thanks.

I take this method of thanking my good neighbors and friends, the F. & A. M. brethren and the church, for their untiring kindness and helpful aid and sympathy during the recent sickness and death of my beloved wife and dear son, John. I assure these one and all that their help was greatly and truly appreciated in the time of deep and multiplied sorrow.  
Robert Ricks.

### Gas and Guessing.

It may, or it may not be true; therefore believe or do not believe, just as it suits you. We give it just as we got it, with the advice that none of our readers tell it to any one as true without further investigation. The story is to the effect that some time ago a Sanilac Centre man was in Yale, at which time he told an Expressor reporter that a certain party had told him, which certain party had been told by another certain party that a great railroad scheme was sprouting and that Sanilac Centre, Yale, Peck, and other points were in it dead sure. It is the talk, says this knowing one, that the Peck, Marquette will abandon a part of its line between Bad Axe and Palms, and instead will run a new line south to Sanilac Centre and Peck, connecting for Port Huron and Saginaw at Yale. Now, we ask, what is there certain about this scheme? In the first place, the talk is an absolute certainty and can be relied on—as talk. In the second place: the plan consummated would give the P. M. Company solid control of the Thumb, shutting out forever all schemes for opposition lines. With such a plan, it is quite true, the cost of operating the separate line would not be materially increased over the present plan of connecting at Palms, and it would be an immense advantage for all Saginaw passenger and freight traffic. Further, this deponent sayeth not.

### To The Public.

It has been reported throughout the village that the firm of C. Andree & Sons, have been using the city water for drinking, boiler, and dyeing purposes in violation of their agreement with the water board. Upon investigation I find that such is not the case. In justice to the above firm I authorize the publication of this, the result of my investigation. James McCall,  
Village President.

### Wrongfully Accused.

Of late a report has been circulated through the village to the effect that we have been using village water for supplying our steam-boiler, coloring wool and other purposes which was contrary to the agreement with the water board.

Not until Mr. Edward Andree announced himself a candidate for the office of Village Clerk did this rumor come to our hearing and as we are not using Village water contrary to agreement, we at once invited the members of the water board to visit our plant and satisfy themselves by making a full investigation.

We are surprised that some of our citizens should countenance such rumors without at least trying to ascertain the truth of them.

Any person feeling himself interested, may visit us at any time and make full investigation as to the extent of Village water used.

C. Andree & Sons.

The ordinance of baptism was performed in the Disciple church Monday afternoon, one person being immersed. Persons desiring lots in Elmwood cemetery can secure the deeds at Grant Holden's Drug Store.

Mrs. Calvin Zimmerman, Milesburg, Pa., says, "As a speedy cure for coughs, colds, croup and sore throat One Minute Cough Cure is unequalled. It is pleasant for children to take. I heartily recommend it to mothers." It is the only harmless remedy that produces immediate results. It cures bronchitis, pneumonia, grippe and throat and lung diseases. It will prevent consumption. Grant Holden.

From a communication sent to this office we learn the sad news of the dying of Mrs. Pearl Grinnell, which took place at her home in Monroe, Mich., on February 3, 1900. She was born in Port Huron in April 1880, and was married about two years ago. Last June the family moved to Monroe. The funeral was held in St. John's church, and the interment made in the Catholic cemetery, Rev. Father O'Rourke officiating.
