### THE GRIM REAPER.

Mrs. Mary Taylor, relict of John Taylor, died at the home of her daughter, Mrs. Peter Jones, in Yale on Tuesday, May 5th, 1903, at the age of 86 years, 8 months and 19 days. Cause of death old age. Deceased's husband died about 13 years ago.

The subject of this obituary was born August 19, 1817, in Ireland. Came to this country when 16 years of age. She was the mother of four children, Mrs. Elizabeth Jones, Yale; Mrs. Julia Belenger; Wm. Taylor, Saginaw; Mrs. Sarah Hutton, now dead.

The funeral will be held from the house Friday afternoon and the interment will be made in Elmwood cemetery.

Robert Armstrong, living on a farm west of Yale, died at 11 o'clock Tuesday morning, May 5th, from apoplexy, after a sickness of only a few hours. Aged 72 years, 4 months and 4 days.

Deceased was born in Scotland January 1, 1831. He is one of the pioneers of Brockway township and leaves a large circle of relatives and friends to mourn his sudden demise.

The funeral was held on Thursday, from the Menery church, Elder D. McColl preaching the sermon. Interment in Elmwood cemetery.

Mrs. Ellen Segate, daughter of John Lett, died very suddenly at her home in Elmwood township on Tuesday, May 5th at the age of 38 years. The funeral was held on Thursday from the house and the interment was made in the Lett cemetery, Elder L. Clark officiating. A husband and two children are left to mourn the loss of a loving wife and kind mother.

The infant child of Mr. and Mrs. Harvey Stevens died May 3rd, having lived only one day.

### Flax Mill Fire.

What might have been a disastrous fire was extinguished at the Yale Flax Mill Thursday morning at about 7:30. No one knows just how the fire originated although it is thought that while one of the men engaged in repairing the boiler was taking a red hot rivet from the fire he threw the burning cinders from the rivet and a spark got through a crack into a pile of shives. It was but a minute when the entire pile was all aflame. Prompt action saved the flax company several thousand dollars. The damage, which amounts to less than a hundred dollars, was caused mostly by water.

A little over a year ago the Flax Co. suffered loss by fire. It is hoped that this may not be an annual occurrence.

### Second Anniversary.

The second anniversary of the dedication of the Presbyterian church was observed very pleasantly on Tuesday evening by a supper and a program later. The supper was gotten up and served by the members of the Christian Endeavor society, and the low price of fifteen cents was all that was asked. In return a bountiful and delicious supper was given which was well patronized, the society netting the neat sum of \$37.50.

At eight o'clock the seats in the audience room was well filled and Rev. Ellis called to order. The choir which sang at the dedication and also at the first birthday of the church, composed of Miss Rada Rapley, Mrs. Wallace, Messrs Wallace and Warren, were present at this second anniversary and gave the opening anthem. Remarks were then made by Rev. Ellis, who spoke of the growth and progress of the church and Sunday school during the two years and the aid given by the ladies' society and the two C. E. societies. A duet was rendered by Mrs. Wallace and Miss Rapley which certainly met the appreciation of the audience. Rev. Laird, pastor of the Presbyterian church at Crosswell, was introduced and he interested the people with a short speech. Mr. Laird is a thorough scoutman and for all his fourteen years in this country loses none of his Scotch brogue. Another anthem by the choir and Elder Reilly, of the M. P. church, was called upon for an address. The relation of the Sunday school to the church was dwelt upon strongly for the few minutes given the subject and Mr. Reilly impressed upon his hearers the necessity of having a strong union between the two. After the closing anthem the benediction was pronounced and all felt that the second birthday of the church had been satisfactorily observed.

### NOTICE.

Dr. Warner Cornell, Eye, Ear, Nose and Throat Specialist, of Port Huron will be at "The Paisley" Yale, the second Friday in each month.

### UNION REVIVALS.

The Noted Revivalist, Rev. Francis E. Smiley, Will Open Meetings in the M. E. Church, of Yale Next Thursday.

The churches of Yale having secured the services of Rev. Francis E. Smiley, D. D., there will be union evangelistic meetings held at the M. E. church, commencing Thursday evening, May 14th, and continue for ten days. Every person is invited to attend these meetings and a cordial welcome will be yours. The singing will be conducted by a Mr. McKinsey who accompanies Rev. Smiley. Following we publish what is said of the meetings held at Ewart, Mich., as published by the Review, also a true likeness of this noted evangelist.

"Although the train was twenty minutes late that brought the evangelists to us, and the evening was cold and rather unfavorable for a large audience, yet when Dr. Smiley and his musical assistant stepped upon the platform to take charge of the special meetings now to begin in our village, they were greeted by a good sized and appreciative gathering of our citizens and Christian people generally. The meeting

was a success from the first, and the people were not disappointed either in Dr. Smiley bringing his message of good cheer and encouragement, or in the singing of Mr. McKinsey, who rendered two solos to the satisfaction of all, judging from the stillness that pervaded the entire congregation. One of the greatest surprises that awaited the evangelists, perhaps, was the large chorus choir on the first night of perhaps 75 voices. This was a great inspiration in itself and seemed to encourage the evangelists greatly.

"A large attendance is expected for to-night and Saturday evening. Go early and secure good seats; courteous ushers to wait on you, cordial welcome to everybody. Let the Presbyterian church be filled.

"Rev. Francis Edward Smiley, D. D., who is conducting union revival meetings at the Presbyterian church, is an evangelist of exceptional ability."

### Wreck at Mayville.

Mayville, Mich., May 5.—Two men were killed, one probably fatally injured and six severely hurt in the head-on collision between passenger trains Nos. 22 and 23 of Saginaw division of the Pere Marquette on a curve half a mile east of the Mayville station. The trains might have been telescoped, with much greater fatality, had not Engineer Kelly promptly set the brakes of the east bound train. The trains were to pass at Mayville.

The dead: FIREMEN ALBERT J. H. OSMOND, Saginaw. EXPRESS MESSENGER GUS FLAGLER, Port Huron.

The injured: Engineer Robert Campbell, Port Huron.

Engineer Terrence Kelly, Saginaw (probably fatally).

Express Agent A. O. Smith, Saginaw. Mail Agent Frank P. Peck, Saginaw. Mail Weigher Harold James, Jackson. Conductor A. Hazeltine, Saginaw. W. E. Carson, traveling agent, Port Huron.

The injured are in a hospital in Saginaw.

A mistake in orders is supposed to have been the cause of the wreck. No. 23 was clearly entitled to the track, and it is thought that the conductor of No. 22 did not receive the correct orders. Both engines and the mail and express cars were piled in a bad wreck.

Hammocks from \$1.75 to \$2.75, good ones, at W. W. Adams' harness shop.
