

Stylish Cloaks— Attractively priced

We are showing the fashionable cloaks in Children's, Misses' and Ladies' wear. New goods daintily designed, neatly made. ATTRACTIVE, both on account of their appearance and the very moderate prices at which they are offered.

A special effort to secure unusual values for our patrons has resulted in our getting quite an array of smart garments at surprisingly low prices.

In children's cloaks you will find several styles to select from in blues, brown and tan and mixed goods. The prices range from \$3.00 to \$8.00, the sizes from 4 to 14 years.

In misses' cloaks we are exceptionally strong in all the latest styles. You will find the Empire and the loose back cloak in shades, priced from \$5.00 to \$10.

In ladies' cloaks our line is by far the largest we have ever had since we have handled cloaks. We have the Empire cloaks, in all shades, with and without the fur collar. They are neat and dressy.

The loose back cloak is another good number and is especially adapted for stout people. We carry this coat in black, brown, tan and castor. They also come in fur lined and sell from \$10 to \$25.

We issue you a special invitation to visit our cloak department and bring your friends. We will show you just as gladly whether you want to buy or not.

Yours for Cloaks,

All Kinds, All Prices.
We want your produce.

SIOD-REWARD-SIOD.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
