DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
MADE WITH PURE ITALIAN OLIVE
LIVER COMPLAINT, DYSPEPSIA,
Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and *all Diseases arising from a Disordered Liver or Stomach.*
Such as Constipation, Inward Piles, Fullness of the Blood in the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a Lying Posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.
The proprietor, in selling the attention of the public to this preparation, does so with a feeling of confidence based in its virtues and adaptation to the disease or which it is recommended.
It is no new and untried article that now claims the favor of a few years' trial before the American people, and its reputation and sale are unsurpassed by any similar preparation extant. The testimony in its favor given by eminent men, well known Physicians and statesmen in all parts of the country is numerous, and a careful perusal of the pamphlets around each bottle of the remedy, and to be had of agents, will satisfy the most skeptical that the remedy is worthy the serious the great celebrity it has obtained. 1y191

DR. HOOFLAND'S
BALSAMIC CORDIAL,
FOR THE SPEEDY CURE OF
Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Throat arising from Colds, Incipient Consumption, and for the relief and cure of all pulmonary Complaints in advanced stages of the latter Disease.
This celebrated preparation for the Throat, may be confidently relied on. It is composed of a class of those well known and highly valuable remedies, which all the people of this country are familiar with, and which, from a twelfth only. This eminent authority, Dr. Hoofland, has endeavored to put the Cordial to the use of the Public, what the Public and Private Practitioners in those of other countries. But, I can safely and confidently say that my remedy is the most complete and practical than those latter."
A further proof of the terrible fatality of Diseases resulting from a "Consumptive cold" may be seen by a glance at the following statistics, taken from the records of the Board of Health of Philadelphia, a city of the most healthy localities in the Union:

1858. Total deaths in Philadelphia,		20,257
Died of Consumption,	1,982	
" all other diseases of the throat,	7,167	
" all other diseases,	9,340	
		18,489
		9,749
1857. Total deaths,		21,874
Died of Consumption,	1,845	
" all other diseases,	7,804	
		9,749
1856. Total deaths,		21,874
Died of Consumption,	2,178	
" all other diseases,	9,696	
		11,874

From these figures, it will be seen that nearly one fourth of the total deaths in the country are caused by consumption, to say nothing of the numerous other diseases springing from a "slight cold."
Do not trifle with your health; but, if suffering from a cough or cold on the lungs, buy a bottle of HOOFLAND'S BALSAMIC CORDIAL, and you may safely count on a cure. Thousands have done so, and have certified to its wonderful effects.
Coughs sometimes proceed from a disordered or a dyspeptic state of the stomach, in which case the German Bitters should be used. In case of weakness, or general debility of the system, resulting from a protracted cough, the German Bitters will be found of great benefit.
Prepared only by Dr. C. M. Jackson, 418 Arch Street, Philadelphia, and for sale by Druggists and Storekeepers throughout the United States and Canada. Price 75 cents per bottle.
For sale by R. Thayer & Co., E. D. Buffington, and Newbro & Bro., Lansing, and all respectable Druggists in the Union. 1y193

DR. J. W. KERMOTT.
Eclectic Physician and Surgeon.
Would most respectfully announce that he will visit Lansing on the fourteenth day of every month, for the purpose of meeting patients afflicted with Chronic or Lingering Diseases.
Rooms at the Lansing House.
Dr. Kermott has in his possession certificates from, and is permitted to refer to hundreds of gentlemen of high standing and respectability, in Detroit, London, Toronto, and other cities and towns, who, having been reduced to the border of the grave from Liver Complaints, Dyspepsia, and other diseases, and having tried in vain their physician's prescriptions, and most of the quack nostrums for the cure of those diseases, are now, from the use of his Vegetable Medicines, in the enjoyment of perfect health.
Dr. Kermott has, in the cities of London and Detroit, during the last seven years, administered the different remedial agents of the Vegetable Kingdom to thousands of patients, in almost every variety of disease, with unparalleled success. His medicines are exclusively vegetable, and such as are safe and efficacious in the cure of disease, without entailing on the patient any of those miseries experienced from mineral poisons.
Chronic or Lingering Diseases of the Lungs, Liver, Kidneys, and Scrofula Cancers, all impurities of the blood, and all diseases of Women and Children, treated successfully.
Dr. Kermott has had great experience in diseases of the Chest and Nervous System, curing hundreds of cases pronounced incurable by other physicians.
NO CHARGE FOR CONSULTATION
☞ Dr. Kermott's residence, Detroit. Entrance to Dispensary, No. 14 Congress street; entrance to office, Griswold street, first door from Congress.
Dr. Kermott will also visit Onondaga the 11th, Eaton Rapids the 12th, and Mason the 13th of every month. 12tf

Fever and Ague,
from which mankind suffer over a large part of the globe, is the consequence of a diseased action of the liver, induced by the poisonous miasm of vegetable decay. This exhalation is evolved by the action of solar heat on wet soil, and rises with the warm vapor from it. While the sun is below the horizon this vapor lingers near the earth's surface, and the virus is taken with it through the pores into the blood. There it acts as an irritating poison on the internal viscera and exercising unusual power not only this virus, but also the bile from the blood. Both these and the bile accumulate in the digestive system, and produce violent constitutional disorder. The spleen, the kidneys, and the liver become clogged with the fever, and become diseased also. Finally, the instinct of our system to throw off an attempt to expel the noxious matter, which contaminates the whole blood of the body. This effort is nature to force them to cast it to the surface, and rushes in the blood leaves the organs and rushes to the surface, as if it would throw off the disease through the skin. In this effort it fails. Then the blood leaves the surface, and the recovery of strength is another day. There is no remedy for FEVER AND AGUE equal to
Ayer's Ague Cure,
and when proper directions are followed, it never fails to expel it from the system. Keeps the bowels open, and those who are subject to Headache, Biliousness, Rheumatism, Neuralgia, or Liver Complaint, will find that it will prevent the return of these complaints. Those who are subject to Fever and Ague will of course understand that it is not to be used, and have found, as
