APPOINTED. — George A. Armstrong, Esq., has been appointed City Clerk, and Horace Angell City Marshal

A LARGE STRAWBERRY.—A few days since we received some strawberries from Mr. Ezra Jones, Deputy Auditor General, one of which measured four and three-eighths inches, and weighed three-eights of an ounce. They were of the Hovey's seedling variety.

PIKE'S PEAKER'S RETURNED.—Three of our citizens, Charles Foster, E. D. Buffington, and A. F. Briggs, have returned from Pike's Peak. Their testimony is that Pike's Peak is a —— humbug. We are happy to learn by ocular proof that the rumor of Mr. Buffington's death was totally unfounded.

CELEBRATION. — At a meeting of the citizens last evening, the following gentlemen were appointed a Committee of Arrangements upon the celebration of the 4th of July in this city: A. C. Winter, Geo. E. Grove, I. H. Bartholomew, A. Cottrell, C. C. Dodge.

Committee on Finance—Col. A. W. Williams, S. D. Bingham, C. H. Harrison, J. R. Price.

ARTILLERY COMPANY.—A new Artillery Company has been lately organized in this City, called "Company C, William's German Light Artillery." They are composed exclusively of our German citizens, under the following officers: D. F. Rath, Captain, Henry Gaertner, Lieutenant, Gotlob Straub, first Seargeant, Chas. Wildt, second Seargeant, A. Wehly, third Seargeant, Adam Straub, fourth Seargeant. We understand they expect to have their piece here for the coming 4th of July.

THE SCIENTIFIC AMERICAN.—The publishers of this widely circulated and popular illustrated weekly journal of mechanics and science, announce that it will be enlarged on the first day of July, and otherwise greatly improved, containing sixteen pages instead of eight, the present size, which will make it the largest and cheapest scientific journal in the world; it is the only journal of its class that has ever succeeded in this country, and maintains a character for authority in all matters of mechanics, science and the arts, which is not excelled by any other journal published in this country or in Europe. Although the publishers will incur an increased expense of $8,000 a year by this enlargement, they have determined not to raise the price of subscription, relying upon their friends to indemnify them in this increased expenditure, by a corresponding increase of subscribers. Terms $2 a year, or 10 copies for $15. Specimen copies of the paper with a pamphlet of information to inventor, furnished gratis, by mail, on application to the publishers, Munn & Co., No. 37 Park Row, N. Y.

THE LATE FROSTS.—On the whole, the people of Michigan have suffered no worse than those of neighboring States, under the visitation of the late frosts, and not as badly as some. Those of the 3d and 4th inst. were much lighter in our State than in others of the same latitude, and even in localities much farther south; while that of the 10th was certainly no more destructive here than elsewhere. While apples, peaches, grapes, &c., are very much injured in some localities, in others the damage is but slight. A few fields of wheat have been nearly or quite destroyed, and, we understand, in some instances plowed under But we are convinced that serious damage to the wheat crop is by no means general. Where corn has been "cut to the ground" it is again shooting up vigorously, and if no other mishap occurs to it, that of the frost will hardly be remembered at harvest time.

As to vines, such as melons, cucumbers and the like, there is still chance enough for something of a yield; and as they are not reckoned among staple crops, the damage to them is of minor consequence. On the whole we are inclined to the opinion that the frost has not yet jeopardied the production of pretty fair crops; and in fact, of a much larger yield than that of the two or three past years.

☞ James Madison Jefferson, a nephew of President Jefferson, died on the 29th of May last, at his residence, near Elkton, Ky. He was said to have been the most promising young man in Kentucky.

SPECIAL NOTICES.

READ THE MAINE AT THOMPSON.—A Distinguished medical gentleman says, in a letter to the proprietor "It may be a little irregular for me to say anything in favor of a patent medicine; but still I must bear witness to the efficacy of "Dr. HOOFLAND'S BALSAMIC CORDIAL." My wife had long been suffering under a violent cold, which defied all the curative means at my command; when, without my knowledge, she purchased a bottle of the Cordial, and was so visibly relieved that I myself procured a second bottle for her; on taking the contents of which she was radically cured."

This invaluable remedy, to the efficacy of which other medical men have testified, as well as the writer of the above, is prepared only by Dr. C. M. Jackson, 418 Arch Street, Philadelphia, and for sale by Druggists generally throughout the United States and Canada. Price 75 cents per bottle. 3m210

THE POETRY OF PHYSIC.
Herrick's Pills.

Changing weather, such as this,
Calls for exercise of care,
Cold nor heat nor half so vicious
As a sudden change of air.

Though you have a constitution
Subject to all human ills,
You may brave the worst of climates,
If you use these Sugar Pills.

Thousands now are strong and robust,
Who but lately writhed in pain,
Ever aching, ever groaning,
They have found their health again

Now when cold succeeds hot weather,
They're no fear of ague chills,
For they use those health preservers
HERRICK'S SUGAR COATED PILLS.

More than 100,000 cases of disease have yielded to their use during the past five years, many of which have been pronounced incurable by distinguished physicians. As cold weather is now approaching, let every one cleanse their system with a few doses of these Pills. No restraint in diet is necessary while using them. Full directions go with each box.

Great Cure after the Physicians had Failed.

BROOKLYNITE, Ohio, Jan. 10, 1855.

DR C. M. JACKSON, *Dear Sir*—We would inform you that we are out of Hoofland's German Bitters, which are very ready sale. One of our neighbors has been doctoring for some time, (we think about two years, with all the doctors in the country,) but all of no avail. He boiled as much like a dead man going about as anything we can compare him to. His disease appeared to be an overflowing of the gall. With hard persuasion we prevailed on him to try your bitters, with the promise to him, if it did no good, we would charge him nothing for it, provided he took six bottles according to the directions, which he has done, and is now entirely cured, and has become a well man. This cure has created a great sale in this neighborhood. Respectfully,

EDWARDS & BROWN.

Ask for Hoofland's German Bitters, and take nothing else. See that the signature of C. M. Jackson is on the wrapper of each bottle. These bitters are manufactured by Dr. C. M. Jackson, No. 418 Arch Street, Philadelphia, and are sold by druggists and storekeepers in every town and village in the United States, Canada, West Indies and South America, at 75 cents per bottle. 3m210

Dated, City of Lansing, June 6th, 1859.

Coryell & Jenison

ARE now receiving direct from New York, Boston, and Philadelphia, one of the largest stocks of

DRY GOODS,

Groceries, Boots, Shoes, Crockery and Hardware, ever before offered in this city, to which they invite the attention of all concerned.

Knowing that *money is the great lever of human actions*, and that people think more of their "dimes" than they do of anything else, and that the great absorbing question is, "Where can I trade the cheapest, and thereby save the most money?" we answer in as few words as possible, that this is

THE PLACE.

Where you can invest your money and obtain *more Goods for a dollar* than at any other Store in town. We have adopted the ready pay system, and we are determined to make it an object for ALL who wish to pay down for their goods to trade with us. A difference of at least twenty-five per cent. (in favor of our customers) will readily be seen, between our prices and those who trust. We mean what we say, and will satisfy all who call on us, that it is a *fact*.—We particularly invite the Ladies to examine our stock of beautiful

Silks,	Gloves,	Shawls,
Challies,	Gauntletts,	Skirts,
DeLaines,	Mitts,	Embroideries,
Cashmeres,	Hosiery,	Linens,
Merino's,	Trimmings,	Underdresses,
Muslins,	Ribbons,	Collars,
Ginghams,	Parasols,	Cottons,
Cambrics,	Hoops,	Prints,

And cards and stacks of other goods too numerous to mention.

To the Gentlemen we would merely say that we are doing some in the clothing line, and propose to clothe a man all over in a shape and style that his shadow won't be afraid to follow him, and

To the World at Large

We say give us a call and satisfy yourselves that there is one store in town where you can get the best of goods at a stonishing low prices, as we are determined to sell goods cheaper that they were ever before sold in this market. No grumbling or charges made for showing goods.

Store in the Holmes & Wright block, one door south of Burr & Grove.
