DOCTOR HOOFLAND'S
CELEBRATED
GERMAN BITTERS,
WILL EFFECTUALLY CURE
LIVER COMPLAINT, DYSPEPSIA,

Jaundice, Chronic or Nervous Debility, Diseases of the Kidneys, and all Disorders arising from a disordered Liver or Stomach.

Such as Consumption, Inward Piles, Fullness or Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for Food, Fullness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of Evil and great Depression of Spirits.

The proprietors, in calling the attention of the public to this preparation, do so with a feeling of the utmost confidence in its virtues and adaptation to the diseases for which it is recommended.

It is no new and untried article, but one that has stood the test of a ten years' trial before the American people, and its reputation and sale are unrivaled by any similar preparation extant. The testimony in its favor given by prominent and well known Physicians and individuals in all parts of the country is immense, and a careful perusal of the Almanac, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has obtained. 1y185

DR. HOOFLAND'S
BALSAMIC CORDIAL,
FOR THE SPEEDY CURE OF

Coughs, Colds, Influenza, Croup, Hoarseness, Bronchitis, Pneumonia, Diseases of the Bowels arising from Colds, Incipient Consumption, and for the relief and (if at all possible) cure of Patients in advanced stages of the latter disease.

This celebrated preparation, like the Bitters, may be confidently relied on. It is designed for a class of diseases more general and more fatal than any others to which the people of this country are subject — those springing from a "slight cold." The eminent authority, Dr. Bell says: "I will not say that Colds are to our inhabitants what the Plague and Yellow Fever are to those of other countries; but, I can aver confidently that they usher in diseases of greater complexity and mortality than these latter."

A further proof of the terrible fatality of diseases result from a "common cold" may be seen by a glance at the following statistics, taken from the records of the Board of Health of Philadelphia, confessedly one of the most healthy localities in the union:

1852. Total deaths in Philadelphia,		10,551
Died of Consumption,	1,962	
" all other diseases (2?0 in one year),	7,979	
		10,941
1853. Total deaths,		9,749
Died of Consumption,	1,965	
" all other diseases,	7,784	
		9,749
1854. Total deaths,		11,814
Died of Consumption,	2,178	
" all other diseases,	9,636	
		11,814

From these figures, it will be seen that nearly one fourth of the total deaths in these years were caused by consumption, to say nothing of the numerous other diseases springing from a "slight cold."

Do not trifle with your lungs, but, if suffering from a cough or cold on the lungs, buy a bottle of HOOFLAND'S BALSAMIC CORDIAL, and you may safely count on a cure. Thousands have done so and have certified to its wonderful effects.

Coughs sometimes proceed from a disordered or dyspeptic state of the stomach, in which case the German Bitters should be used. In case of weakness, or general debility of the system, resulting from a protracted cough, the German Bitters will be found of great benefit.

HOWARD ASSOCIATION
PHILADELPHIA.

A Benevolent Institution established by special endowment for the Relief of the Sick and Distressed, afflicted with Virulent and Epidemic Diseases.

THE HOWARD ASSOCIATION, in view of the awful destruction of human life, caused by sexual diseases, and the deception practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of this class of diseases, in all their forms, and to give MEDICAL ADVICE GRATIS to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.,) and in cases of extreme poverty, to FURNISH MEDICINES FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeon in the cure of Spermatorrhœa, Seminal Weakness, Impotency, Gleet, the vice of Onanism or Self-abuse, and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhœa, or Seminal Weakness, the vice of Onanism, Masturbation, or Self-abuse, and other diseases of the sexual organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope), FREE OF CHARGE, on receipt of TWO STAMPS for postage. Other Reports and Tracts on the nature and treatment of sexual diseases, diet, &c., are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, Dr. J. SKILLIN HOUGHTON, Acting Surgeon, Howard Association, No. 2 South Ninth Street, Philadelphia, Pa. By order the Directors EZRA D. HARTWELL, President.

DR. J. W. KERMOTT,
Eclectic Physician and Surgeon,

Would most respectfully announce that he will visit Lansing on the fourteenth day of every month, for the purpose of meeting patients afflicted with Chronic or Lingering Diseases.

Rooms at the Lansing House.

Dr. Kermott has in his possession certificates from, and is permitted to refer to hundreds of gentlemen of high standing and respectability, in Detroit, London, Toronto, and other cities and towns, who, having been reduced to the border of the grave from Liver Complaints, Dyspepsia, and other diseases, and having tried in vain their physician's prescriptions, and most of the quack nostrums for the cure of those diseases, are now, from the use of his Vegetable Medicines, in the enjoyment of perfect health.

Dr. Kermott has, in the cities of London and Detroit, during the last seven years, administered the different remedial agents of the Vegetable Kingdom to thousands of patients, in almost every variety of disease, with unparalleled success. His medicines are exclusively vegetable, and such as are safe and efficacious in the cure of disease, without entailing on the patient any of those miseries experienced from mineral poisons.

Chronic or Lingering Diseases of the Lungs, Liver, Kidneys, and Scrofula Cancers, all impurities of the blood, and all diseases of Women and Children, treated successfully.

Dr. Kermott has had great experience in diseases of the Chest and Nervous System, curing hundreds of cases pronounced incurable by other physicians.

NO CHARGE FOR CONSULTATION

Dr. Kermott will also visit Onondaga the 11th, Eaton Rapids the 12th, and Mason the 13th of every month. 129
