This is the most popular plan ever devised for having **money next Christmas** and enables those of small means, those in moderate circumstances and also business men to lay aside money by **systematic deposits** each week.

To Join Is Easy—No cost, no dues, no red tape. Look at the tables below and select the Club you wish to join, 1c, 2c, 5c, 10c, 25c, 50c, \$1, \$2, \$5, \$10, \$20 or more and come into our Bank with the first deposit. WHY WE HAVE THIS CLUB

It is part of the business of our Bank to encourage thrift and teach economy. In no better way can we render service to all of the people of this city and community than by giving them a definite plan for saving their money. Our Christmas Club is just such a plan.

To make "Savers" not "Spenders" out of our boys and girls. To enable everyone, old and young, to become acquainted with the banking business so that when they have money they will know its value and how to take care of it.

To give you a "Bank Connection" and show you how our Bank can help you in financial matters.

A CLUB FOR THE BABY AND THE BIG BUSINESS MAN

All parents want their children to save their money so that when they are grown up they will have the money necessary to make their "start".

Our Christmas Club is the ideal method for this purpose.

Big business men realize that there may come a time when some READY MONEY would come in very handy, and there is no easier way of having this ready money than by systematic deposits in our Christmas Club. It will not injure your business or cause any inconvenience to lay aside some money each week—and when you do need it—you have it. Every business man knows this is true.
