## RED CROSS ASKS FOR VOLUNTEERS

Two Hundred and Fifty Thousand  
Workers Needed to Conduct  
Third Roll Call.

RECRUITING LISTS OPEN

Every Local Chapter Will Enlist Men  
and Women to Obtain Annual  
Memberships From Novem-  
ber 2 to 11.

Two hundred and fifty thousand  
volunteer workers will be needed in  
the Central Division to conduct the  
third roll call of the American Red  
Cross, November 2  
to 11.

An appeal is  
made from Cen-  
tral Division headquarters in Chicago  
calling upon the men and women of ev-  
ery community to enlist for the ten-day  
campaign to secure dollar annual  
memberships. With approximately  
600 chapters in the division, this num-  
ber will allow for about 400 workers to  
a chapter. Every chapter will be a  
recruiting office for these workers.

**Workers Will Wear Badges.**  
Each worker will be supplied with a  
badge proclaiming that the wearer is a  
volunteer worker for the Red Cross.  
The success of the campaign will, in  
reality rest upon the shoulders of  
these volunteer workers, as the third  
roll call cannot be a success without  
a complete organization.

The purpose of the campaign is to  
obtain, as nearly as possible, a univer-  
sal enrollment in the Red Cross as an  
expression of confidence in the past  
performances of the Red Cross and a  
reaffirmation of allegiance to the prin-  
ciples which will guide its work in the  
future. In order to do this every man  
and woman in the territory of each  
chapter must be asked to join the Red  
Cross, and this will require the serv-  
ices of hundreds of workers. The  
Central Division wants at least 4,000,  
000 enrollments for 1920. Special  
stress during the campaign will be  
placed upon the annual one-dollar  
memberships in order to make the roll  
call an appeal to all the people.

**Past Campaigns Successful.**  
Success has attended all Red Cross  
activities in the Central Division in  
the past. In the last year fund  
drive this division, with a quota of  
\$13,800,000, subscribed \$21,307,602.83.  
In the second roll call, more than 4,  
000,000 were enrolled.

The money quota for the Central  
Division is \$3,000,000. Throughout the  
nation, the Red Cross will enlist 20,  
000,000 members and raise \$15,000,000  
to carry on its international, national  
and local work.

Had Enough of the Zoo.

Smithson—"Come with me to the  
zoo." Pimpleton—"No, thank you; I'll  
stay at home. My eldest daughter  
does the kangaroo walk, my second  
daughter talks like a parrot, my son  
laughs like a hyena, my wife watches  
me like a hawk, my cook is cross as  
a bear, and my mother-in-law says I'm  
an old gorilla. When I go anywhere I  
want a change."

Money in Blueberries.

The average profit from an acre of  
Maine blueberry land is said to be  
about \$100, and as no fertilizer or cul-  
tivation is necessary these berries are  
a quick and profitable crop. This is  
one of Washington county's big indus-  
tries. For instance, the whole section  
from Porcupine mountain to the east  
Machias line is practically all blue-  
berry land. Several factories are de-  
voted to the canning of the berries.

Effect Not Appreciated.

Instead of candles, Lucille's mother  
placed six large marshmallows on top  
of her birthday cake. When little  
Doris returned from the party her  
mother said: "Well, did you all have  
a jolly good time?" and she replied:  
"Yes, all but the cake. Oh, mother,  
that cake looked so bad, just like a  
cemetery. It had little tombstones  
on it."

Too Much Rush in Life.

Today, as never before, the world is  
brimming over, palpitant with the full-  
ness. And yet so many of us fail to  
sense it, to so many of us a primrose  
is but a primrose, a fallen leaf but a  
dead thing. In the rush of modern  
life, with its insistent demands upon  
our time and attention, driving our-  
selves from one self-made duty to an-  
other, we have missed the glory of  
the sunshine, the fragrance of the  
flowers, the beauty and charm and joy  
that are all about us.—Exchange.

Made Me a Well Man

Mr. Louis Young, 1652  
Clifford St., Rochester, N.  
Y., writes:

"I suffered for thirty years  
with chronic bowel trouble, stom-  
ach trouble and hemorrhages of  
the bowels.  
We bought a bottle of Peruna  
and I took it faithfully, and I  
began to feel better.  
My wife persuaded me to con-  
tinue, and I took it for some  
time as directed. Now I am a  
well man."

Suffered thirty  
years with  
stomach  
trouble and

**Rice Culture Progress.**  
The culture of rice is alluded to in  
the Talmud, and there is evidence  
that it was grown in the valley of the  
Euphrates before 400 B.C. It was tak-  
en into Persia from India, and later  
into Spain by the Arabs. Thence its  
culture was introduced into Italy about  
A. D. 1468.
