LIQUID COFFEE

It is the latest novelty we have to offer and is indeed a most meritorious article which cannot fail to meet with approval. It is not a substitute for coffee as many have supposed but is on the contrary the PUREST OF ALL COFFEES, being the Oil extracted in such a manner as to preserve all the good qualities. By its use a delicious cup of coffee can be made instantly without boiling, settling or other trouble. No care or skill is required. It cannot fail. Plain directions with every bottle.

The cost is no greater than other first class coffee. We have three grades. You ought to try them.

Everything Warranted as Represented. Terms Positively Cash.
