

The Peter Schuttler Wagon

We have just received a carload of the great Peter Schuttler Wagons. For over a quarter of a century this firm has been selling this good wagon, and never have we sold any implements that gave as universal satisfaction as Peter Schuttler Wagons. They tell us they run lighter and we know they are the best painted Wagons we have ever known of. They give satisfaction like that good Plymouth Twine does in the Harvest Field. Our price on Plymouth Twine is 22 cents per pound cash, pay when you get the Twine, or 22½ cents on time, interest from date.

There never has been a Twine sold that ran farther than the Plymouth, but you can find lots of twine that does not run as far. Plymouth Twine is the leading twine and other prices are based on what you have to pay for the best.

Buy the best and save trouble and you will profit by it. We are ready to load.

Something About Clothes Conditions

THERE'S one thing to remember this year—in one sense there is no such thing as cheap clothing; poor stuff costs nearly as much as the good. In another sense there is a lot of "cheap" clothing in the market; poorly made clothing; worth very little. Don't be fooled; because you pay a fairly good price it doesn't mean the merchandise is good. Get clothes you can be sure of; clothes that are guaranteed to satisfy you; Hart Schaffner & Marx clothes. As long as you pay the price of good clothes, you'd better have them.

Always your money's worth or your money back.

The Hart Schaffner & Marx double-breasted waist seam

Never in the history of the clothing business has there been a style so popular as the double-breasted waist-seam suit created by Hart Schaffner & Marx. Everybody likes it; the returning soldiers and sailors say it's the liveliest yet. Business men are wearing it. Not the same model, of course, but variations of this idea. We have any number of these good styles in any number of new patterns and colorings

\$35.00 to \$50.00

The single-breasted waist-seam

These models are popular, too; there's plenty of reason for it. They give a man an athletic appearance—the chest out, waist in. We have some great values to offer; the best you'll find in this man's town. You don't need to look any further.

\$25.00 to \$50.00
