A Pleasant Afternoon.

Friday afternoon about thirty-five of their lady friends gathered at the parlors of the Baptist college to spend the afternoon with Mesdames White and Cook. The parlors were tastefully decorated with palms and cut flowers and presented an inviting appearance.

The amusement of the afternoon was rather a novelty in Lexington circles. A number of pictures had been cut into two or three pieces and these pieces pinned to the curtains, portieres, and other articles in the room. The one making up the largest number of completed pictures won the prize.

Two prizes, beautiful lace handkerchiefs, were given and the first prize was won by Miss May Peak on drawing for it, she and Miss Annie Ireland having completed an equal number of pictures. Miss Belle Manly took the second prize.

Refreshments were served consisting of strawberry ice cream and pineapple ice with a variety of cakes and salted peanuts. The afternoon was greatly enjoyed by all present.

Miss Cornelia Ryland at Home.

Monday afternoon Miss Cornelia Ryland entertained a few friends in honor of Miss Mabel Sellers, of Texas, who is here visiting at the W. M. A.

The guests were Misses Brosius, Peery, Ruth and Lina Burgnes, of Central college, and from the city Misses Bradley, Atkelson, Kriehn, Young, Howe, Andrew, Gordon, McKean, Todhunter, Bates, Alford, Sawyer, Craig and Blackwell.

The feature of the afternoon was "Wives of Professional Men." Misses McKean, Brosius and Blackwell tied for the prize, which was won by Miss Blackwell on drawing. The menu was chicken patties, ham sandwiches, shrimp salad, pickles, beaten biscuit and coffee. The second course was orange souffle, angel and devil food cake.

The parlors were made most inviting by a tasty arrangement of flowers and Miss Cornelia as hostess made her guests feel at home and all enjoyed a most delightful afternoon.

Right-of-Way for River Route Practically Secured.

E. S. Cronk of the Missouri Pacific land department and Green C. Fowler returned from Marion Thursday noon, where they had been to complete negotiations with several farmers for right-of-way through their property to the river route. The right-of-way had been secured in Cole county except through four farms.

Mrs. Sarah O'Brien, of Kansas City, came down from Kansas City today, and Mr. Cronk paid her \$550 for the right-of-way through the Gale estate, which she owns. The right-of-way will take up about four acres of her ground, so she is paid about \$75 per acre—a pretty stiff price. Mr. Cronk and Fowler could not make satisfactory arrangements with three other estates, so condemnatory proceedings will be filed against them.—Jefferson City Republican.

Mrs. Elizabeth Edwards of this city has received from England a group picture of the members of her brother, Moses Edwards' family and sent in exchange one of her family. The family gathered in this city this week to have it taken. Graham, Mrs. Rebecca Hogan, Miss Ida Edwards and Mrs. Elizabeth Edwards of this city.—Higginsville Jeffersonian.
