☞Consumption is Cured.☜

By Dr. Rogers' compound Syrup of Liverwort and Tar! A safe and certain cure for Consumption of the Lungs, Spitting of Blood, Coughs, Colds, Asthma, Pain in the Side, Whooping Cough, Bronchitis, and all Pulmonarry Affections.

TO those who have CONSUMPTION OR DISEASED LUNGS, we call your earnest and immediate attention to the great merit of the above preparation, and entreat you not to put it down with other advertised medicines, without inquiring whether there is not entire and satisfactory proof of its value, and that too from men of the highest standing, who are living witnesses, and can be seen by any one who will take the trouble to call upon them. ☞Not only the Physician, but even the Professors among the medical faculty, have had the BAR of prejudice broken down by the astonishing cures effected by this great remedy, and have come out at last and given us their certificates that there is no mistake about it—that it really makes cures when every thing else has failed, and that it is the Great Remedy for Diseased Lungs.

☞Call on the Agent and see the statement of the following persons of Cincinnati who were cured by Dr. Rogers' Liverwort and Tar, after being given up to die with the *last stages of Consumption*, not only by their friends, but by physicians of the highest standing:

Mr. D. Ludlow, Fifth street, between Race and Elm.

Mr. H. Plummer, hatter, between Eighth and Ninth, on Main street.

Mr. G. Whitehead, Catharine street, half a square below Linn.

Mrs. Ann Childs, Sixth street, two doors west of Smith, &c.; &c.

Be not deceived by worthless medicines, which are palmed on you, when such men as Dr. Wm. Richards and Judge Wm. Burke, Dr. H. Cox, late Professor of Cincinnati Medical College, have come out and certified, that Dr. Rogers' Liverwort and Tar is the great consumption remedy.

Dr. Cox states, that Miss Belt was pronounced by Prof. Warden and the late Prof. Worcester to be in the last stages of Consumption, and give her up to die; yet Dr. Rogers' Liverwort and Tar entirely cured her.

Statement of Judge H. Morse, of the Courts of Ohio and Cincinnati.

I am well acquainted with Dr. Hiram Cox and his practice, he having been my family physician for many years, and can cheerfully say, that I have as much or more confidence in him and his skill as a practicing physician as any man living.

HENRY MORSE.

Cincinnati, Nov. 7th, 1847.

Dr. H. Cox is also the family physician of the Hon. Judge Jas. Saffin, of Cincinnati, late City Marshal.

Caution to all.—Owing to the increased demand for this medicine, an unprincipled man, (John T. Teland,) in Cincinnati, imitated in external appearance only the yellow and blue wrapper, and despatched an interested runner, (P. Clinton,) in this nefarious business to St. Louis to make sales. This counterfeit omits the name of A. L. Scoville, in fine print on the bottom of the outside wrapper, where it reads, "Entered according to Act of Congress," &c. On the genuine, the name of A. L. Scoville is found following the words "Entered according to act of Congress," &c.

Piles! Piles!! Piles!!!

Dr. Upham's Vegetable Electuary, or Internal REMEDY FOR THE PILES, Triumphant!
50,000 cases Cured in the past year.

☞This Medicine is warranted to cure all cases of piles, either bleeding or blind, internal or external, and all inflamatory diseases found in conjunction with the Piles—such as

Chronic Dysentary, Weakness and Inflammation of the Spine,

falling of the bowels, womb, &c., that females particularly are subject to, under peculiar circumstances; for which many certificates could be given of speedy and effectual cures—but delicacy forbids their publication.

Severe and Habitual Costiveness,

Flow of blood to the head, Dispepsia, Ulcerations, Fistulas, Inflammation of the Stomach, find a speedy cure in Dr. UPHAM'S ELECTUARY. It is an internal remedy, and cures by its action on the bowels and blood, the relaxed state, which is the cause of the above named diseases.

Universal Commendation.

From every city, town and village, where Dr. Upham's Vegetable Pile Electuary has been introduced, the most gratifying intelligence of its effects have been received by the Proprietor. In hundreds of instances it has triumphed over cases which were deemed incurable.

Letter of Capt. G. W. McLean, late of the U. S. Service, and member of the N. J. Legislature.

RAHWAY, June 10, 1847.

"I have been afflicted for years with the Piles, and have tried without anything like permanent benefit, almost everything assuming the name of a remedy. I had, as a matter of course, lost all confidence in medicine. Under this feeling I was induced—not without reluctance, I confess—to use 'Upham's Electuary;' and having used it for about three weeks, according to the directions laid down. I find to my utter surprise, as well as satisfaction, that every symptom of the disease has left me. I think it due alike to Dr. Upham and myself to make this statement. G. W. McLEAN."

Addressed to the agents in Columbia Ga.

Notice.—The genuine Electuary has the written signature thus, (☞A. Upham, M. D.) The hand is also done with a pen.

Dr. McLane's Liver Pills,

For the Cure of Liver Complaint, Dyspepsia, Sick Headach, and all Bilious Complaints.

The liver is much more frequently the seat of disease than is generally supposed. It is now generally admitted by Physicians of reputation and experience, that more than one-half of the complaints which occur throughout the great valley of the Missi-sippi, have their seat in a *diseased state of the liver*, and that more than three fourths of the diseases enumerated under the head of Consumption, have also their seat in a diseased liver.

Case in St. Louis of one year's standing.

ST. LOUIS, Mo. May 5, 1847.

DR. E. EASTERLY—*Sir:* I hereby certify that I have been afflicted for more than a year, with the liver complaint, and have applied to different physicians, and all to little or no effect, until I made use of Dr. McLane's Liver Pills. I am happy to inform you that I was perfectly cured by the use of one box. I can therefore, in justice, recommend others who are troubled with a diseased liver, to make a trial of these Pills.

Truly yours, ROBERT HALL.

Residence, Fourteenth and Biddle streets.

Individuals suffering with Liver Complaint, Dyspepsia, Sick Headach, or any bilious disease, are earnestly advised to make a trial of Dr. McLane's Liver Pills, as they have been prepared by a regularly educated Physician, who has had an extensive practice and experience in treating the above complaint. He confidently recommends as being the *very best* and most deserving remedy ever presented to the notice of the afflicted.

Albermarle Co. Va., March 21st, 1847.

Mr. Seth W. Fowle—Dear Sir.—I take pleasure in stating to you my experience in the use of Wistar's Balsam of Wild Cherry. I own a very valuable negro girl, who was attacked with a difficulty of the lungs, which brought her in appearance to the brink of the grave. I consulted some of our best Physicians, who pronounced her case incurable, or that they could do no more for her. I tried many remedies but none did her any good. I saw some account of Wistar's Balsam, and thought I would try it, but had little faith in it.—I procured a bottle, which was administered according to directions, and saw she began to mend; and before the first bottle was gone she was up. I procured a second and she took that, and now she is I think, cured, or nearly so. She attends to her daily labor, and I hear no complaint from her.

R. L. JEFFERSON.

Consumptive Patients!—Will please read the following note from the Harrison Gazette—The incredulous are invited to read the following note from Rev. Mr. Coldron, whose character for truth and veracity is above suspicion, and have their doubts dispelled as to the superiority of Wistar's Balsam of Wild Cherry, over all other remedies now before the public of the same character:

Corydon, Ind., Jan. 28, 1848.

It is no less a duty than a pleasure to state, for the benefit of the afflicted, that I consider Wistar's Balsam of Wild Cherry, a great blessing to the human race. Having tried it in a case of severe affliction of the lungs, I unhesitatingly recommend it to those similarly afflicted, as the best remedy I have ever tried, and one which cured me when physicians said I must die, and when I thought myself that my time to depart was near at hand.
