☞ St. Aubert is the name of a new town just surveyed, at a place called Young's Landing, Calloway county. We learn from its position, being the receiving and forwarding point for the merchandise and produce of that county, as well as a part of Audrain, that it must become a place of considerable business. Our townsman, Louis Robiou, Esq., is interested in it.

THANKSGIVING.

To-day is the day appointed by the Governor, to be observed as a day of Thanksgiving, by the People of Missouri.

☞ "Lady's Book" for December. This gem of periodicals has already been received, filled to overflowing with articles from the most gifted pens, and embellished with a perfect gallery of splendid engravings, independent of the fashions. The portrait of "Grace Greenwood," one of the most gifted and charming writers of the age, is alone worth the subscription.

Every number contains 72 pages reading matter, three steel engravings, colored fashion plates, music on tinted paper,—and from ten to fifteen engravings on wood, illustrative of some useful female accomplishment.

Terms—One copy of the Book, and the Lady's Dollar Newspaper, (the best lady's paper in the country,) one year for $3; two copies of the Book, including a set of plates, one year for $5; five copies for $10, together with a copy for the person sending the money, with plates for each &c.

We advise our lady friends to send their orders so as to begin with the January number, the beginning of a volume and a year. It is the best Magazine in the country.

Locofocoism.—Some low-lived locofoco scoundrel, during the procession on Monday night, threw a stone at the flag which was carried at the head of the procession, but did not materially injure it. This flag had on it the "stars and strips" of our country! it belonged to the "Glasgow Guards"—is a beautiful piece of workmanship, and was presented to them by the Ladies of the place: even if the sacredness of the "stars and stripes" were no protection, against the fell spirit of locofocoism, the thought of the fair hands that wrought it, should have stayed the ruffian and cowardly assault.

—It is due to the more respectable portion of our opponents, to say, that they conducted themselves very properly—many of them marched in the procession, and were present at the speaking, while others lighted their houses: and for those drunken rowdies, who had to be driven from the door of the speaking, and the cowardly scamps who threw stones at the procession, entertained and expressed as much disgust and contempt, as those more immediately interested.

☞ The Metropolitan will be published tri-weekly during the session of the Missouri Legislature. For one copy $1; three do. $2; five do. $3.

☞ The Missouri Annual Conference which lately sat at Weston, passed the following important resolution: "that we view with pleasure and delight, the standard raised against and the exertions that are made by the various Divisions of the Sons of Temperance, for suppressing the use of alcoholic drinks as a beverage in the United States."

Warsaw, Mo., contains a population of 560.

Solomon J. Lowe, Loco, is no doubt elected to the Senate from the Benton Senatorial district, to fill the vacancy occasioned by the resignation of Gen. Shields.

☞ Hon. James M. Hughes, a distinguished member of the locofoco party, has removed from Clay county, to St. Louis.

☞ Did he change his residence to get an office under Cass?

☞ *Notice to the Public.*—Persons wanting genuine popular Family Medicines, are advised to go to Dr. Easterly's Family Medicine Store, corner of Third and Chesnut streets, St. Louis, Mo., where they can find almost every Popular Family Medicine that is manufactured in the United States, wholesale and retail, at the cheapest rates; or call on his agent, Dr. Wm. Dr. Upham's Vegetable Electuary, or Internal REMEDY FOR THE PILES, Triumphant!
50,000 cases Cured in the past year.

☞ This Medicine is warranted to cure all cases of piles, either bleeding or blind, internal or external, and all inflamatory diseases found in conjunction with the Piles—such as

Chronic Dysentary, Weakness and Inflammation of the Spine,

falling of the bowels, womb, &c., that females particularly are subject to, under peculiar circumstances; for which many certificates could be given of speedy and effectual cures—but delicacy forbids their publication.

Severe and Habitual Costiveness,

Flow of blood to the head, Dispepsia, Ulcerations, Fistulas, Inflammation of the Stomach, find a speedy cure in Dr. Upham's Electuary. It is an internal remedy, and cures by its action on the bowels and blood, the relaxed state, which is the cause of the above named diseases.

Universal Commendation.

From every city, town and village, where Dr. Upham's Vegetable Pile Electuary has been introduced, the most gratifying intelligence of its effects have been received by the Proprietor. In hundreds of instances it has triumphed over cases which were deemed incurable.

Letter of Capt. G. W. McLean, late of the U. S. Service, and member of the N. J. Legislature.

Rahway, June 16, 1847.

"I have been afflicted for years with the Piles, and have tried without anything like permanent benefit, almost everything assuming the name of a remedy. I had, as a matter of course, lost all confidence in medicine. Under this feeling I was induced—not without reluctance, I confess—to use 'Upham's Electuary;' and having used it for about three weeks, according to the directions laid down, I find to my utter surprise, as well as satisfaction, that every symptom of the disease has left me. I think it due alike to Dr. Upham and myself to make this statement. G. W. McLEAN."

Addressed to the agents in Columbia Ga.

Notice.—The genuine Electuary has the written signature thus; (☞A. Upham, M. D.) The hand is also done with a pen.

☞ Consumption is Cured. ☜

By Dr. Rogers' compound Syrup of Liverwort and Tar! A safe and certain cure for Consumption of the Lungs, Spitting of Blood, Coughs, Colds, Asthma, Pain in the Side, Whooping Cough, Bronchitis, and all Pulmonary Affections.

TO those who have CONSUMPTION OR DISEASED LUNGS, we call your earnest and immediate attention to the great merit of the above preparation, and entreat you not to put it down with other advertised medicines, without inquiring whether there is not entire and satisfactory proof of its value, and that too from men of the highest standing, who are living witnesses, and can be seen by any one who will take the trouble to call upon them. ☞ Not only the Physician, but even the Professors among the medical faculty, have had the bar of prejudice broken down by the astonishing cures effected by this great remedy, and have come out at last and given us their certificates that there is no mistake about it—that it really makes cures when every thing else has failed, and that it is the Great Remedy for Diseased Lungs.

☞ Call on the Agent and see the statement of the following persons of Cincinnati who were cured by Dr. Rogers' Liverwort and Tar, after being given up to die with the *last stages of Consumption*, not only by their friends, but by physicians of the highest standing:

Mr. D. Ludlow, Fifth street, between Race and Elm.

Mr. H. Plummer, latter, between Eighth and Ninth, on Main street.

Mr. G. Whitehead, Catharine street, half a square below Linn.

Mrs. Ann Childs, Sixth street, two doors west of Smith, &c., &c.

Be not deceived by worthless medicines, which are palmed on you, when such men as Dr. Wm. Richards and Judge Wm. Burke, Dr. H. Cox, late Professor of Cincinnati Medical College, have come out and certified that Dr. Rogers' Liverwort and Tar is the great consumption remedy.

Dr. Cox states, that Miss Belt was pronounced by Prof. Warden and the late Prof. Worcester to be in the last stages of Consumption, and give her up to die; yet Dr. Rogers' Liverwort and Tar entirely cured her.

Statement of Judge H. Morse, of the Courts of Ohio and Cincinnati.

I am well acquainted with Dr. Hiram Cox and his practice, he having been my family physician for many years, and can cheerfully say, that I have as much or more confidence in him and his skill as a practicing physician as any man living.

HENRY MORSE.

Cincinnati, Nov. 7th, 1847.

Dr. H. Cox is also the family physician of the Hon. Judge Jas. Saffin, of Cincinnati, late City Marshal.

Caution to All.—Owing to the increased demand for this medicine, an unprincipled man, (John T. Toland,) in Cincinnati, imitated in external appearance only the yellow and blue wrapper, and despatched an interested runner, (P. Clinton,) in this nefarious business to St. Louis to make sales. This counterfeit omits the name of A. L. Scoville in fine print on the bottom of the outside wrapper, where it reads, "Entered according to Act of Congress," &c. On the genuine, the name of A. L. Scoville is found following the words "Entered according to act of Congress," &c.

Dr. O. Henderson, Agent, Glasgow; Dr. Snelson, Fayette.

Orders may be addressed to H. Blakely & Co. St. Louis.

Why so, Mr. Brown?

Because my eyesight is so bad that I can scarcely read.

Why do you not use spectacles?

No, I have not.

Go down—he has got all kinds.

Well, I will.
