Your other organs may need attention—but your kidneys most, because they do most and need attention first. If you are sick or "feel badly," begin taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because as soon as your kidneys begin to get better they will help all the other organs to health. A trial will convince anyone.

The mild and immediate effect of Swamp-Root, the great kidney and bladder remedy, is soon realized. It stands the highest for its wonderful cure of the most distressing cases. Swamp-Root will set your whole system right, and the best proof of this is a trial.

DEAR SIR: Ever since I was in the Army, I had more or less kidney trouble and within the past year it became so severe and complicated that I was unable to do any work. I was advised by my doctor to take Swamp-Root and after taking it for a few days I began to feel better. I continued to use it and in a few weeks I was able to do my work again. I know that Swamp-Root is a purely vegetable and does not contain any harmful drugs. I have recommended Swamp-Root to all my friends and acquaintances who are afflicted with kidney trouble.

You may have a sample bottle of this famous kidney remedy, Swamp-Root, sent free by mail, postpaid, by which you may test its virtues for such disorders as kidney, bladder and uric acid diseases.

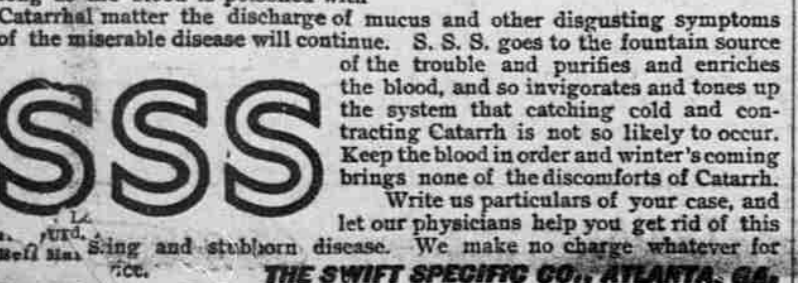

SPECIAL NOTE—So successful is Swamp-Root in promptly curing even the most distressing cases of kidney, liver or bladder troubles that to prove its wonderful merits you may have a sample bottle and a book of valuable information, both sent absolutely free by mail. The book contains many of the thousands upon thousands of testimonials received from men and women cured. The value and success of Swamp-Root are so well known that our readers are advised to send for a sample bottle. In sending your order to Dr. Kilmer & Co., Binghamton, N. Y., be sure to say you read this advertisement in "The St. Louis Daily Republic." The genuineness of this offer is guaranteed.

WINTER IS COMING BRINGING CATARRH

Every Catarrh sufferer dreads the coming of winter, for with the first breath of the "ice-king" this miserable disease is fanned into life and all the disgusting symptoms return. The nostrils are stopped up and the throat can be kept clear of mucous secretions only by continual hawking and spitting. Catarrh is a nuisance and source of annoyance, not only to the one who has it, but everybody else. The thick, yellow discharge from the head produces a feeling of personal defilement, and the odor of the breath is almost intolerable.

Write us particulars of your case, and our physicians will help you get rid of this annoying and stubborn disease. We make no charge whatever for our Swift Specific Co., Atlanta, Ga.
