

IS YOUR STOMACH ON A STRIKE?

Give It a Rest and Employ a Substitute to Do Its Work--You Will Lose if You Try to Drive It.

STUART'S DYSPEPSIA TABLETS A PERFECT, WILLING SUBSTITUTE.

There is such a thing as overeating... causing to be a virtue even in the case of one's stomach.

Stuart's Dyspepsia Tablets relieve the stomach of its work, and permit that organ to rest and regain its health and strength.

It is this means a man can go right ahead with his work, and eat enough to keep him in proper working condition.

Stuart's Dyspepsia Tablets act naturally because they contain natural digestives. The principal component parts are aseptic pepsin, malt diastase and other ingredients.

The stomach, being thus relieved by Stuart's Dyspepsia Tablets, is restored and renewed by nature, and rest of the human body does not suffer in the least by reason of its failure to perform its work.

A Wisconsin man says: "I suffered the pains of dyspepsia for ten years. I tried every known remedy with indifferent results until I was told of the remarkable cure of Stuart's Dyspepsia Tablets."

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. The druggist never fails to have them in stock because the demand for them is so great.

No Man or Woman Can Have Dyspepsia

And Still Be Agreeable, Attractive and Popular--A Certain Cure in Reach of All.

There is nothing that will put you to the front so rapidly in the business or social world as a cheerful disposition and a pleasant appearance.

Dyspepsia destroys all the agreeable qualities that enter into a man's or woman's make-up. It is almost a humane insult.

Stuart's Dyspepsia Tablets are for sale by all druggists at 50 cents a box. All druggists means all druggists. They have become so necessary to the people that the druggist simply has to keep them, anyway.

The reason that Stuart's Dyspepsia Tablets are a certain cure is that they are a natural cure. There is nothing to be added to them.
