FOLK URGES DEMOCRATS TO REMAIN ON FIRING LINE

Nominee Addresses Over Five Thousand Voters in Jasper County - Is Greeted With Enthusiasm, Which Demonstrates That Mining District Is Not Democracy's Danger Point as Reported - Gib Barbee Politically Dead.

CONGRESSMAN BENTON PROBABLY WILL BE RE-ELECTED.

BY A STAFF CORRESPONDENT.

Joplin, Mo., Nov. 2.—Jasper, third county of the State in population, and important politically for many reasons, welcomed Folk royally. Meetings were held in Carthage, Cartersville and Joplin, at each of which the attendance went above 2,000.

Many Republicans in Joplin are for Folk. Among them declared is A. S. Rogers, president of the Southwest Missouri Street Railroad System. He is a man very popular with his men, and very influential in the community, and his course unquestionably will influence many votes. Names of other prominent citizens could be had, but Mr. Rogers is a typical instance, showing the sentiment in the substantial business element.

As a center of former Folk opposition, and since its Democracy has been seriously disturbed for sometime by internal fighting, the impression has gone out into the State that it is a danger point for the ticket.

Not so, say the local leaders, now. Jasper will return its majority as heretofore. Neither is the so-called plight of M. E. Benton in his race for Congress an alarming matter. Gilbert Barbee, the conspicuous politician and former boss of Joplin, would like to show about the Congress a public career. He has not relented in his opposition. Knifing from that quarter is as certain as such things can be. But Benton's friends are confident and now consider the district safe. They place the majority at 1,000.

BARBEE'S STAR HAS DECLINED. Barbee's political star has declined considerably. Of the State Committee, his power with the County Committee also is much reduced. Lately he failed even of landing the city printing, a fact which is considered a good index to his precise status as a political factor. Not many politicians can hold a following in the face of such failures.

Benton, however, admits that he has had a fight on his hands. He met Folk at Aurora last night, where he addressed the crowd until the delayed train of the gubernatorial nominee arrived. He looked somewhat as if he had been through the mill, though now he believes that he sees the light of another victory in the Fifth.

The district includes Newton, McDonald, Lawrence, Barry, Jasper, Barton and Vernon counties. Republicans are claiming 500 to 600 majority for Congressman in Lawrence, though they can hardly do better than 200 or 300. Barry, McDonald and Newton, as one politician put it, are "in the pink of condition."

Vernon is heavily Democratic, though the Republican campaign has been carried there, and they expect to cut down the majority. Democrats, however, are sure of their old strength in the county.

BENTON'S RECORD GOOD. It is easy to urge upon voters to scratch a congressional candidate, but it is not often that many citizens of either party will do so. Jealous frequently give assistance in Congress. Friends have urged that, as a member of the House Appropriations Committee, he has power to do more than any new member could, and that his record for his district has exceeded that of any other member of the House.

For the matter of that, Benton's position and claim bills have been the joke of the town.

of his friends at Washington; he has had so many of them, and is so proficient in devising ways and means of putting them through.

In figures it is calculated that he has secured \$100,000 in private war claims to his district, and his special pension bills have been two numerous to mention. His biggest success was the public building which he secured for Joplin, a \$15,000 structure, satisfactory in every way.

The Socialist and Prohibition vote in the Fifteenth is always an important factor. It will amount to 1,500 votes this year, and it cuts more heavily into the Democratic than Republican ranks.

Folk reached Carthage at 2:30 p. m. The audience had assembled and had waited for an hour and a half. His train was late again. He was met at the depot by Cornelius Roach, Allen McReynolds, L. C. Wormington, S. H. Resan, J. H. Dryden, Tom Hackney and S. O. Morrow. They are committeemen and active workers of the Western or Carthage legislative district.

The speaking was held in the opera-house. This has 1,524 seats, every one of which was taken, with all standing room in aisles and lobby fully occupied.

Carthage is the display town of Southwest Missouri. Homes of many who have grown rich in mining are there. Aside from its business as the county seat, it is chiefly a residence community. It is over in Cartersville and Webb City that one finds himself in the midst of mining and miners.

MINERS SHOW APPRECIATION. The second meeting had been planned for Webb City, but a hall could not be had, so the place was changed to Cartersville. There Mr. Folk found a typical miner audience. Hundreds of them were present, wearing lamp in cap, ledge of their employment.

It is plain that here, too, with the man who toils at 500 to 2,000 feet below ground, Folk and the issue which he has made are uppermost in the thought devoted to politics this fall.

A THOUSAND TURNED AWAY. Folk speaks to enthusiastic miners at Joplin.

REPUBLICAN SPECIAL. Joplin, Mo., Nov. 2.—At Joplin the meeting proved to be one of the largest within the recollection of the citizens. The hall at No. 507 Main street was crowded to its very limit. Not another soul could gain admittance, and fully a thousand were turned away.

Proceeding the rally a torchlight procession was held. Banners were carried displaying campaign arguments in snappy style. "Folk, the Honesty in Public Office" was one of them. "The Missouri Idea Leads the United States" was another. "To the People's Government Against Wallbridge, Butler and Boodie" was a third.

Folk was introduced by Judge M. H. Keeley. He spoke for an hour and a half and then went direct to his sleeper on the train. Folk left Joplin for Cartersville at 8:15. He will arrive at Cartersville at 10:30. He will arrive at Cartersville at 10:30. He will arrive at Cartersville at 10:30.

Polish Alliance Club Meeting. The Polish Alliance Club of the Third Ward will meet at Stoll's Hall, Thirtieth and Biddle streets, Saturday night, Oct. 22. Democratic candidate for Circuit Attorney, James J. Collins, will be the guest of honor. He will be introduced by the club's president, J. J. Collins. He will be introduced by the club's president, J. J. Collins.

To Work for Democratic Ticket. The Second Ward Parker-Folk Club at a meeting at Broadway and Benton street Monday night adopted resolutions pledging the members to support the Democratic national, State and city tickets. The resolutions also emphasize the importance of the club to appoint a committee of fourteen members, making one from each precinct, which will work to get out the entire Democratic vote.

Good Government Club to Meet. Being the last regular meeting before the election, the Good Government Republican Club will have an extra program to-night at its headquarters, No. 2300 Euclid street. Mr. Fieldley and Mrs. J. J. Collins will be the speakers.

Republican Rally Poorly Attended. REPUBLICAN SPECIAL. Joplin, Mo., Nov. 2.—The Republican rally here today was poorly attended. Alkins and Higbee spoke, but could not attract an enthusiastic crowd from the northwest part of the county said he thought had the Republicans there would vote for Folk.

A complete kitchen with all the latest appliances for cooking and the celebrated QUICK MEAL RANGE is shown in the show window of the big store on the south-west corner of the intersection of Broadway and Benton streets, attracting more attention than many of the displays shown at the great World's Fair.

Address Large Democratic Audience at Marshall. REPUBLICAN SPECIAL. Marshall, Mo., Nov. 2.—Sam E. Jeffries, Lieutenant Governor Rube and Cato Sells of Iowa addressed a large and enthusiastic crowd here last night. They were late in arriving here, having come from Higginsville on the 8 o'clock train.

Jeffries and Rube made short addresses, dealing altogether with State issues. Rube pledged himself to good government and to aid Folk to carry out the principles he advocated.

Mr. Sells said that he had come to Missouri in preference to going to Indiana and Wisconsin, where he had been urged to go by the National Committee this week. He said he would be glad to see the eyes of the whole United States, irrespective of party, were upon Missouri, as to whether or not they would endorse Mr. Folk's bold and courageous work he had undertaken in St. Louis, riding the State of corruption.

He further said that, should the Democrats allow the Republicans to gain control of the State under these conditions, the State would receive a stigma that she could not shake off within the next twenty-five years.

The meeting was attended by Democrats and Republicans as well, many of whom had come a long distance.

CELEBRATE MIKADO'S BIRTHDAY. Japanese Commission Will Entertain at the World's Fair To-Day. This afternoon there will be a gala celebration at the World's Fair in honor of the Japanese Emperor's fifty-third birthday. The celebration will take place at the Japanese gardens and at the Japanese Government Pavilions at the World's Fair.

The features of the event will be the explosion of Japanese fireworks, beginning at 8 o'clock in the morning and ending at intervals until 5 o'clock in the afternoon. A reception will be tendered to the World's Fair officials and their friends during the afternoon at the Japanese gardens. More than 1,500 invitations have been issued for this function.

Eighteenth Ward Democrats Meet. Democrats of the Eighteenth Ward held an open-air meeting at Thirteenth and North Market streets last night, which was largely attended. Among the speakers were Ben Israel, E. J. Collins, J. L. Croley, Mike Walsh, Thomas J. Hollahan and city Central Committeeman Matt J. Durkin.

ANDERSON AT KIMMSWICK.

Jefferson County Voters Cheer Mention of Folk.

REPUBLICAN SPECIAL. Kimmswick, Mo., Nov. 2.—Thomas L. Anderson, City Attorney of St. Louis, spoke here to-night to an enthusiastic Democratic audience.

His allusions to Folk were cheered loudly by the Jefferson County farmers who had gathered to hear him speak.

Mr. Anderson spoke in part as follows: I am here to tell you that a militant city Democracy, under the magnificent leadership of our country, Article 1, section 8, of that document expressly prohibits the enactment of a law which would give the State a right of eminent domain over a territory exceeding ten square miles.

But the Republican party has hauled up in the Philippines and left the constitution at home.

These islands have cost us over \$20,000,000 and the blood of many American soldiers. For half the money and with no loss of life, a hundred thousand acres could be opened in arid lands of the West, and an ocean highway made of the Mississippi River.

RESERVOIR BURSTS; NINE PERSONS DIE

Residents of Winston-Salem, N. C., Drowned in Their Homes.

MANY MIRACULOUS ESCAPES. Four or Five Persons Seriously Injured in Rushing Stream of Water, but All Are Expected to Recover.

Charlotte, N. C., Nov. 2.—A reservoir of the Municipal Waterworks, located near the center of Winston-Salem, N. C., broke at 5 o'clock this morning, causing the loss of nine lives and the injury of four or five persons.

The dead are: Mrs. Martin Peoples, Mrs. Vogler, Mrs. John Poe and her 12-year-old daughter, Mrs. Southern and John Southern, Miss Octavia Bailey, 39 years old; Lucille Maton, Carolina Martin. The last two are negroes.

The injured are: Martin V. Peoples, both legs broken; Walter Peoples, injury to back; Gilley Jordan, slightly bruised. These are at the hospital. D. L. Payne, a traveling man of Greensboro, who was badly hurt, may recover, though his condition prevents his removal to the hospital now.

The north side of the reservoir, which is thirty feet high, tumbled over, falling upon the home and barn of Martin Peoples. There were about 500,000 gallons of water in the reservoir, and the stream rushed northeast to the Southern Railway cut and thence to Bob's Pond, a distance of half a mile. Four tenement houses were washed several hundred yards.

D. L. Payne, injured, said he was awakened by the crash and thought he was being swallowed by a carbonic gas. "I cannot describe my experience while I was floating on the mad, rushing stream of water," said Mr. Payne, after his removal to a house near the place where he was found.

MIRACULOUS ESCAPES. There were several miraculous escapes. A man and his wife, named Davis, after their house was turned over, floated upon the stream.

THE VALUE OF CHARCOAL. Few People Know How Useful It Is in Preserving Health and Beauty. Nearly everybody knows that charcoal is the safest and most efficient disinfectant and purifier in nature, but few realize its value when taken into the human system for the same cleansing purposes.

Charcoal is a remedy that the more you take of it the better; it is not a drug at all, but simply absorbs the gases and impurities always present in the stomach and intestines and carries them out of the system.

Charcoal sweetens the breath after smoking, drinking or after eating onions and other odorous vegetables. Charcoal effectively clears and improves the complexion, it whitens the teeth and further acts as a natural and eminently safe cathartic.

It absorbs the injurious gases which collect in the stomach and bowels, and purifies the breath, mouth and throat from the poison of carbolic.

At drug stores sell charcoal in one form or another, but probably the best charcoal and the most for the money is in Stuart's Charcoal Lozenges; they are composed of the finest powdered Willow charcoal and other harmless antiseptics in tablet form. It is the only form of large, pleasant-tasting lozenges, the charcoal being mixed with honey.

EMERGENCY REGISTRATION CLOSES

To-Day is the Last Opportunity for Invalids and Absentees. This is the last day those who were sick or absent from the city during the general registration last September will have the opportunity of placing their names on the books. In fact, the registration books will close to-night against transfers or emergency names.

Almost 2,000 absentee and invalid blanks had been given out at the close of the Election Commissioners' office last night and at 5 o'clock this morning, the registration books were closed. Five applications were refused because they were in St. Louis County and not fifty miles away from the city during the regular registration.

Despite the repeated statements that invalid certificates would have to be sworn to by the attending physician and the nature of the disease or ailment set forth, nearly half a hundred applications were turned away yesterday because they had failed to fulfill the qualifications.

The Commissioners remained in session until 10 o'clock last night and they will sit as long to-night cleaning up the last of the emergency registration as quickly as possible.

After to-day there will be no further registration in the election returns, State and city election next Tuesday.

EARLY ELECTION RETURNS. Commissioners Plan to Facilitate Count at Chestnut Street Station. The Election Commissioners hope to make the counting as speedy as possible, and have been conferring for several days to devise the most expedient method. The police will be asked to assist in entering the returns at the Chestnut Street Station with as much dispatch as is consistent with accuracy.

The Commissioners yesterday sent out the following letter to the judges and clerks of election: "On the night of Tuesday, November 8, the newspapers of the city will compile election returns at the Chestnut Street Police Station, as has been the case in former years. In order to facilitate the count, so that early and accurate reports of the day's vote may be given to the public, the Board of Election Commissioners ask that you use every effort to complete, as soon as possible, the count of your vote cast at your respective polling places, fill it out on the blank placed at every booth by the policeman stationed at your polling place. The officer will in turn take this precinct report to the Chestnut Street Police Station, where it will be filed and follow the instructions on the precinct blanks. This request is made in view of the general interest in the election returns and the necessity of early and accurate information."

WELLS WILL MAKE SPEECHES. Mayor to Participate in the Closing Week of the Campaign. It is announced that Mayor Rolla Wells will participate in the last week of the campaign in St. Louis and will make speeches in various portions of the city.

Important meetings have been arranged in different sections, and the campaign will end with the close of a series of Democratic rallies and the consequent speechmaking, which has been seldom seen in St. Louis. Mayor Wells will be seen at many of the more important of these meetings, and will have the pleasure of telling the citizens of St. Louis many of the more predominant features which stand out in his administration as examples of good, clean, economical government and the results which have been obtained thereby.

BIG AUDIENCE GREET GUEST. Johnson County Will Give Usual Democratic Majority. REPUBLICAN SPECIAL. Warrensburg, Mo., Nov. 2.—Governor A. M. Dockery spoke to a large audience at the opera-house here to-night, in the interest of the State and national tickets. Governor Dockery dealt at length on State issues, and urged all Democrats to stand by the entire ticket. His address was terrific, making a hit, and again with hearty applause.

It is safe to predict that Johnson County will roll up her usual majority of 60.

BRILLIANT FUNCTION AT TEXAS PAVILION

Miss Clara Driscoll Entertains Lavishly for Mrs. Louis J. Wortham.

MISS HELEN GOULD ASSISTS. Reception by Lone Star Social Leaders Said to Be the Most Elaborate Yet Given on the State Plateau.

Of all the functions which have been given on the State plateau since the World's Fair, none has excelled in point of brilliancy the reception and ball given by Miss Clara Driscoll of San Antonio, the hostess of the Texas building, at the State pavilion last night. The affair was given to the Texas Commission, with Mrs. Louis J. Wortham of Austin as the guest of honor.

At the head of the receiving line, which was stationed in one of the five points of the pavilion, was Miss Driscoll, the hostess, who was most becomingly gowned in white point applique, with tulle and sunburst of diamonds; Mrs. Wortham, black lace and jet, and then Miss Helen Gould, who wore black chiffon with a touch of lace on the sleeves and collar. Others in the receiving line were Mrs. H. P. Drought, Mrs. F. J. Badger, Miss Bettie Brown, Mrs. Tom Randolph, Miss O. V. Dancy, Miss Emma Lauterbaum, Miss Josephine Armstrong, Mrs. J. B. Drought, Miss Jessie Hall and Miss Kate Tynan.

The reception was most successful, and the dancing, which began at 8 o'clock, was held, presenting a beautiful appearance.

Clay Clement, the actor, who has lately become a citizen of Texas, made a brief address. He was introduced by Louis J. Wortham, general manager of the commission.
