With all its horrors, being only equaled by hydrophobia,—no how strong one may be—Rupture is a lurking enemy, undermining constitution, and unfitting its victims for all physical and social enjoyment of life. The displacement of the bowel in rupture, and the use of truss, affect the kidney, bladder and other organs, till impotency, memory, fever, Bright's disease, and other mortifying and serious ailments are induced.
Dr. D. L. Suedtcker's Treatment for Rupture is becoming well known favorably wherever given a trial, and is being most successfully treated by DR. O. D. LEE.
In his treatment there is no operation, or restriction from labor, a speedy cure, and restoration from all the ailments caused by rupture.
