MAGNETIC attractions in every department. Everything is now ready for the big Christmas rush soon to begin. All depleted lines have been filled up and we are now in a position to satisfy your every want. Attractive and useful presents for every one of your family can be found here. In fact at no season of the year have we been in a better position to supply your needs than at the present time. During the last ten days hundreds of garments have been added to our ready-to-wear department; with every express from the east daily adding new items to our already immense stock, we are better prepared to supply the public with new and wanted merchandise than any house in all this section. The woman or man who is not averse to saving a goodly sum on their winter clothes, all who appreciate the height of style and superb tailoring, should not fail to visit this store. Below are a few of the many items that will appeal to all.
