LEXINGTON WOMAN IS 99 YEARS OLD

Daily News Special.

Lexington, Miss., October 21.—Mrs. Frances L. Walton, of this place, is today celebrating her 99th birthday. She is the grandmother of former State Insurance Commissioner W. W. Coles, of Jackson, who is present. Mrs. Walton is about to enter her 100th year in the possession of more physical and mental vigor than is possessed by many women much younger in years. It is said, in fact, that she possesses fewer grey hairs than her Jackson grandson, Mr. Coles. She is the surviving head of five liv-

ing generations, and comes of a family noted for its longevity. Indeed, her family physician says that there is no reason why she should not survive for many more years, for she is in full possession of all her faculties and despite the fact that she is now at the century milestone, is physically strong and active.

There is a large gathering of children, grandchildren, great-grandchildren and great-great-grandchildren at the Walton home, representatives of each of the five living generations assembling to pay homage to Mrs. Walton.

LITTLE NEMO TO GO ON THE STAGE

Hearst News Service.

New York, October 21.—"Little Nemo," who is familiar to the kids of the country as a newspaper "comic section" character, made his initial metropolitan stage appearance at the New Amsterdam Theatre last night. The hearty welcome accorded to "Little Nemo" at the "tryout" in Philadelphia bids fair to be repeated in New York, and predictions are made that he will succeed. "The Merry Widow" in the affections of devotees of comic opera.

"Little Nemo" is set to entrancing music by Victor Herbert, while the book is by Harry R. Smith. There are 150 people in the cast, the principal comedians being Joseph Cawthorn, Harry Kelly and Billy Van.

"The Merry Widow," the most successful comic opera of recent years, goes to Brooklyn with the original cast, and later will tour the New England states.

Being resigned to a thing is being winded from fighting it, till you couldn't fight it any longer.

For Chronic Diarrhoea.

"While in the army in 1863 I was taken with Chronic diarrhoea," says George M. Felton, of South Gibson, Pa. "I have since tried many remedies but without any permanent relief, until Mr. A. W. Miles, of this place, persuaded me to try Chamberlain's Colic, Cholera and Diarrhoea Remedy, one bottle of which stopped it at once." For sale by Hays & Field and Yellow Pine Pharmacy.

Here is Christy Mathewson, the peerless pitcher of the Giants, as he looks holding down his first real job. Matty is now an agent for a life insurance company and expects to do a lot of business in this city this winter. The famous Giant says he will pass up baseball if he makes a success of his new business, and he is confident of doing so.

LABOR FEDERATION TO MEET IN DENVER

Hearst News Service.

Denver, Colo., October 21.—One of the most important conventions of the year will be held in Denver, beginning November 9, when the American Federation of Labor will hold its annual session. The session will doubtless be of the greatest interest, since it will follow the national election, and the result of the Gompers' declaration in favor of Bryan will be apparent. The coming election is looked upon as a crucial test of the political influence of organized labor. If the results of the federation's venture into politics should not be satisfactory to the rank and file of the members, an attempt may be made at the convention next month to return to the old policy of

A STARTLING STATEMENT

New York Medical Authorities Claim
Dyspepsia Causes Consumption.

The post mortem statistics of the big New York hospitals show that some cases of consumption are due to unchecked dyspepsia, especially when the victim was predisposed to tuberculosis.

Dyspepsia wears out the body and brain, the weakened, irritable stomach is unable to digest the food, the body does not receive the required nourishment, constipation ensues and the victim becomes thin, weak and haggard. As a result, the body becomes a fertile field for the germs of disease to lodge and flourish.

Therefore, the person who permits dyspepsia to progress unhindered is guilty of contributing toward the development of one of the most insidious and fatal diseases known to mankind.

Dyspepsia is curable if properly treated. The Owl Drug Store sell a remedy which they positively guarantee will cure indigestion or dyspepsia or they will pay for all the medicine used during the trial. The remedy is an absolutely new medical discovery and has been named Rexall Dyspepsia Tablets. Certainly no offer could be more fair, and the offer of the Owl Drug Store is proof positive that Rexall Dyspepsia Tablets are a dependable and infallible remedy. Inasmuch as the medicine will cost you nothing if it does not benefit you we urge you who are suffering with indigestion or dyspepsia to try this remedy. A twenty-five cent box of Rexall Dyspepsia Tablets contains enough medicine for fifteen days' treatment. Remember Rexall Dyspepsia Tablets are only sold in Hattiesburg by the Owl Drug Store.
