MAN FROM OHIO HAD GUN IN HIS POCKET

Constable C. E. Tucker turned a neat trick on a white man yesterday whom he arrested for carrying concealed weapon on the day before Christmas. Tucker found that the man was still carrying a 38 S. & W., but when he arrested the man on the old charge this morning he said nothing of the pistol that he knew was still on the man until he got him in Justice Bolton's court, when he requested Constable Riley to see if the

man had his pistol concealed about his person. Mr. Riley searched the man and drew forth the same pistol that he had been previously carrying. The man was in the presence of the court when the pistol was taken from his pocket, where Mr. Tucker knew it was.
The man gave his name as Wilbur Hixon, and Hillsboro, O., as his home. He was fined \$50 and sentenced to sixty days in jail in one case, and \$25 and thirty days in the other.

on this side of the Atlantic. Already the motoring clans are gathering for the show, and all the big hotels are today entertaining scores of enthusiasts from all over the United States, here to see for themselves the progress that has been made in motor car building during the last year. If any radical changes were expected, the motorists are due to be disappointed, since the scores of American and European cars now being put in place in the palace show little marked improvement, except in a more artistic finish and greater beauty of design.
The program of the show was finally decided upon today. The private view will be held tomorrow afternoon, and the doors will open to the public at 8 in the evening. Friday will be Army and navy night, Saturday students' night, Monday engineers' night Tuesday society night, Wednesday merchants' night, and Thursday municipal night.

MEN WANTED.
No Man Over 45 Years of Age Need Apply.
There's the sign that's getting to be common thing in America.
Corporations are retiring men at 40. They are not hiring anyone over 40.
A baldheaded man often looks 10 years older than he is.
A man with gray hair always does.
It is important nowadays that a man look as young as he is; it is vastly important that a man having a family dependent upon him should take care of his hair.
If you have dandruff, get rid of it by killing the germs.
If your hair is falling out, stop it, any time.
There is one sure remedy that will cure these misfortunes and aid you to remain young.
Parlsan Sage, the grand and efficient hair restorer, is guaranteed to permanently remove dandruff in two weeks, or your druggist will give you your money back.
Parlsan Sage stops falling hair—it prevents the hair from fading.
It is the best beautifier for ladies' hair as it makes harsh, lusterless hair fluffy, soft and beautiful, and is not sticky or greasy.
Parlsan Sage is sold and rigidly guaranteed by Hays & Field. Price 50 cents a bottle, or by express, all charges prepaid, by Grioux Mfg. Co., Buffalo, N. Y.

PRESIDENT PLANS NEW DEPARTMENT

Hearst News Service.
Washington, December 30.—The President is said to have under consideration a plan to establish a new Department of Criminal Investigation, to consolidate all the detective bureaus of the Government under one management, and to do away with the present Secret Service.
It is claimed such a scheme would greatly simplify the Government's police work, and result in a big financial saving.
