PATENTS

Secured for new inventions, or improvements in old Articles. Infringements, Trade-Marks and all other business promptly attended to. Inventions that have been rejected may still, in many cases, be patented by us. Being opposite the U. S. Patent Office, and engaged in patent business exclusively, we can secure patents in less time than those remote from Washington. When inventors send model or sketch, we make search in the Patent Office, and advise as to its patentability free of charge. Correspondence confidential, prices reasonable; and no charge unless patent is secured. We refer by permission to the city postmaster and to the superintendent of the post office and the officials under this division in Washington. For special counsel, circulars, advice, terms, &c., address—

C. A. SNOW & CO.
