SARDIS TINWARE MANUFACTORY.

J. P. RYAN,

DEALER IN

STOVES, GRATES & HOLLOW WARE,

Has a large supply always on hand, and has a large stock of HARDWARE, CUTLERY, Etc., which he sells at very low prices and, as heretofore, will deplete any Memphis bill and pack and ship them free of cost. This is the reason Ryan don't make any money—he sells so cheap. He has, also, on hand the best quality of white, pure Coal Oil, which will show you light from head to feet. Come and get your

BUCK'S BRILLIANT,

which is the king of all the stoves. It bakes biscuits and bread so nice that it will make your wife ring money songs, and you will grow plump and fat. A man told me the other day that he had but one objection to it, and that was this, when his wife got up in the morning he did not have time to turn over in bed before she called him to breakfast.
