WEEKLY COMMERCIAL AND FINANCIAL REVIEW. OFFICE OF THE WEEKLY HERALD, MAY 23, 1870.

The May schedule of the public debt has two interesting features. First, it gives us another illustration of the financial strength of the National Treasury...

Examining the changes in our debt the first thing which strikes the eye is the accumulation of the balance in the Treasury...

The second item of the Treasury balance is the currency, which is about seven millions.

Under the present National Currency bill, however, every bank note bears the endorsement of the Government...

Whenever the above symptoms are found to exist, DR. M'LANE'S VERMIFUGE Will certainly effect a cure.
