Colds & Headache

"For years we have used Black-Draught in our family, and I have never found any medicine that could take its place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy, who is a Rutherford County farmer, recommends Black-Draught as a medicine that should be kept in every household for use in the prompt treatment of many little ills to prevent them from developing into serious troubles.

THEDFORD'S BLACK-DRAUGHT

"It touches the liver and does the work," Mr. Stacy declared. "It is one of the best medicines I ever saw for a cold and headache. I don't know what we would do in our family if it wasn't for Black-Draught. It has saved us many dollars . . . I don't see how any family can hardly go without it. I know it is a reliable and splendid medicine to keep in the house. I recommend Black-Draught highly and am never without it."

NOT DUE TO SEX ALONE

Aberdeen Women Have Learned
 the Cause of Many Mysteri-
 ous Pains and Aches

Many women have come to know
 that sex isn't the reason for all back-
 aches, dizzy headaches and urinary
 disorders. Men have these troubles,
 too, and often they come from kid-
 ney weakness. To live simply, eat
 sparingly, take better care of one's
 self and to use Doan's Kidney Pills,
 is bound to help bad kidneys get
 better. There is no other remedy so
 well recommended by Aberdeen peo-
 ple. Ask your neighbor. Read this
 case:
 Mrs. J. M. Brown, 210 S. Meridian
 St., Aberdeen, says: "A few years
 ago I had need of a kidney remedy.
 My kidneys didn't act right and
 caused my back to be lame. I used
 Doan's Kidney Pills as I heard a lot
 about them. They proved very ben-
 eficial and satisfactory in every
 respect."
 Price 60c at all dealers. Don't
 simply ask for a kidney remedy—get

PETITION FOR PARDON

To the Governor of the State of Mis-
 sippi and the Board of Pardons of
 the State of Mississippi:
 The undersigned respectfully peti-
 tion that you grant a pardon to a ne-
 gro boy, Earl Bell. This boy was
 convicted at the October term, 1919,
 of the Circuit Court of Monroe Coun-
 ty, Miss., for forgery. He forged a
 check for the sum of \$3.00 and was
 sentenced, upon his plea of guilty, to
 a term of two years in the state peni-
 tentiary. He was not represented in
 court by counsel and it was not
 developed that this boy is feeble-
 minded. He was injured when a baby
 and his skull fractured to such an ex-
 tent as to cause this condition of his
 mind. We believe, on account of his
 youth and the condition of his mind,
 that he should be pardoned, as he has
 been sufficiently punished.
 Respectfully submitted,

The Meridian Oil Well
 A large number of people are expected to visit the Craig oil well during today, it having been reported that the drillers have reached something like a depth of 2,200 feet—nearly 200 feet at the bottom being into solid lime rock. There is much speculation as to what the drillers will find when the drill passes through this rock strata so far beneath the surface. Many believe that a great gusher is about to be brought in, while others are not given to expressing an opinion but are hopeful that oil in paying quantities will reward the efforts of those who have put their money into the venture.
 A wire fence has been placed about the well, but at a distance that does not prevent sight-seers from getting a view of the operations.—Meridian Star.
