**"THE BORDER LEGION" AT THE GEM TODAY.**

Today and Monday patrons of the popular Gem theater will have an opportunity to see a Zane Grey story pictured in a remarkable manner. "The Border Legion" written by Mr. Grey will be the feature attraction and it can well be said that the story is one of Zane Grey's very best. The story is of course western and typical of frontier days. Lovers of fast action and out-door life will find here a picture to their fancy. The program will be complete with a two reel Sunshine comedy.

On Tuesday and Wednesday Frank Keenan will be presented in a first run picture entitled "False Codes." Everyone knows that there is not a finer actor appearing before the public than Mr. Keenan and Friday Select Pictures will present Mitchell Lewis in "Children of Banishment" a wonderful story of the northland where might is right and men are shot for calling another a liar.

Saturday, only, will find the usual program consisting of a Western Feature, the fourteenth episode of "Children of Banishment" a two reel comedy and the second of Major Allen's animal hunt pictures.

**BOOKINGS FOR THE WEEK AT GRAND OPERA HOUSE.**

Of the attractions of the present week at the Grand opera house the DeMille quartet will be the opening feature, appearing at that playhouse Monday night. This is one of the greatest of present-day America male quartets headed by the baritone, Hartwell DeMille, presenting selections from the operas and oratorios, together with the choicest of old Irish, Scotch and English ballads and some of the newest and most popular songs.

For Tuesday and Wednesday nights Pantages vaudeville in six big acts with an all-star show, will be the attraction. For Saturday and Sunday nights the Grand will present that most popular musical comedy, or rather light opera, "Maytime," with the original New York cast. This production bears the long-time record for New York, having played there continuously for two years and two months. It carries 12 stars, led by William Morris, Melvin Stokes and Caroline Thomson.

**BILL AT THE IMPERIAL FOR THE PRESENT WEEK.**

Showing for the last times today at the Imperial will be William Farnum in his newest picture "The Adventurer." The story of this splendid picture was written by J. Gordon Edwards and gives Farnum one of the best roles of his entire career. With the program there is also shown Harold Lloyd in his second \$100,000 comedy called "Bumping Into Broadway." This comedy is truly one of the biggest mirth producers of the year and will furnish Lloyd's admirers

no end of laughter. Included in the program is a Mutt and Jeff comedy and the Pathe Review.

On Monday and Tuesday William Fox will present that athletic star, George Walsh, in his newest picture "The Winning Stroke." On Wednesday, Thursday and Friday, the typical American girl, Elsie Janis, beloved of the American doughboy, will be seen in her premier production "A Regular Girl," and she proves in this picture that she is really a "regular girl." Her antics and pranks will keep the audience guessing and laughing. No former soldier and his mother, wife or sweetheart can afford not to see this picture. Of course no one else can afford to miss it either.

**JIGGS AND MABEL NORMAND CONTINUING AT ALCAZAR.**

Having already played to capacity houses for two days the Alcazar will continue, Sunday and Monday, its presentation of its two feature productions, Mabel Normand in "When Doctors Disagree," and the "Jiggs in Society" picture featuring Johnny Ray in real life. This latter film being adapted from the George McManus cartoons "Bringing Up Father." Both are farce comedies and are chock full of fun from beginning to end. Everyone who has followed the Jiggs cartoons know about what to expect in this series but the Mabel Normand picture is full of surprises and has for its basis one of the most laughable situations ever conceived. With these will be the Literary Digest, a Pathe news film, and a special musical score by Kernan.

For Tuesday, Wednesday and Thursday, through popular demand, there will be return showings of the famous Rex Beach production, "The Girl From Outside," together with the cartoon comedy, "De Witt's New Line." Current Topics and the Alcazar news reel.

For four days starting Friday May Allison will be shown in "The Walk-Offs," a satire of high social life, of the follies and foibles of the new money story of a woman who loves the man she tried to hate, a story in which a modern caveman was taught his lesson and won his love. With this will be shown the Alcazar-Pathe news, Literary Digest and "Papa by Proxy," a Christie comedy.

**"BROKEN BLOSSOMS" STILL SHOWING AT THE PALACE.**

Miss Lillian Gish has again proved her remarkable talent as a screen actress in her performance of Lucy, the child in "Broken Blossoms," D. W. Griffith's art sensation. In Thomas Burfile's story, "The Child and the Child," taken from "Limehouse Nights," Lucy, the daughter of a London tailor, is supposed to be 12 years old, but with the license of the artistic producer, Mr. Griffith took the liberty of adding three years to her age.

The role of Battling Burrows, a London prize ring champion, taken by one of the most prominent of American pugilists, Norman Selby, known in sporting circles as "Kid McCoy." Starting Thursday the Palace will present for four days only the new picture sensation which is making a hit at the better class of theaters throughout the United States. This picture is "The Luck of the Irish," and has been pictureized in special feature character from the novel by Harold Mc-

**Doctor Tells How To Strengthen Eyesight 50 per cent In One Week's Time In Many Instances**

A Free Prescription You Can Have Filled and Use at Home Philadelphia, Pa.—Do you wear glasses? Are you a victim of eye strain or other eye weakness? If so, you will be glad to know that according to Dr. Lewis there is real hope for you. He says neglect causes more eye troubles and poor sight than any other one thing. Many whose eyes were failing say they have had their eyes restored through the principle of this wonderful free prescription. One man says, after trying it: "I was almost blind; could not see to read at all. Now I can read everything without any glasses and my eyes do not water any more. At night they would pain dreadfully; now they feel fine all the time. It was like a miracle to me." A lady who used it says: "The atmosphere seemed hazy with or without glasses, but after using this prescription for 15 days everything seems clear. I can even read fine print without glasses." It is believed that thousands who wear glasses can now discard them in a reasonable time and multitudes more will be able to strengthen their eyes so as to be spared the trouble and expense of ever getting eye glasses or other many descriptions may be wonderfully benefited by following the simple rules. Here is the prescription: Go to any active drug store and get a bottle of Bon-Opto tablets. Drop one Bon-Opto tablet in a fourth of a glass of water and allow to dissolve. With this liquid bathe the eyes two to four times daily. You should notice your eyes clear up perceptibly right from the start and inflammation will quickly disappear. If your eyes are bothering you, even a little, take steps to save them now before it is too late. Many hopelessly blind might have been saved if they had cared for their eyes in time.

Note: Another prominent physician to whom the above article was submitted, said: "Bon-Opto is a very remarkable remedy. Its constituent ingredients are well known to eminent eye specialists and widely prescribed by them. The manufacturers guarantee it to strengthen eyesight 50 per cent in one week's time in many instances or refund the money. It can be obtained from any good druggist and is one of the very few preparations I feel should be kept on hand for regular use in almost every family." It is sold in this city by all good druggists, including the Great Falls Drug Co. and other druggists.

**The Commission - Manager Plan**

**ORGANIZATION—**  
The people elect three commissioners, or five if the city's population exceeds 25,000. The Commission hires a City Manager, who appoints department heads. The organization is exactly the same as that of any corporation. The Commissioners are directly responsible to the people and the Manager is responsible to the Commissioners. No divided responsibility or overlapping authority. No chance to "Let George Do it." No star-chamber sessions of the Commission. Fewer appointive and elective officers, less cost. Provisions for the payment of pensions for members of Fire and Police Departments. Adequate pay for services.

**ACCOMPLISHMENTS—**  
Budget system of expenditures issued to the public. Saving in purchase of city's supplies. Thorough sanitary inspection. Disposal of garbage at a profit instead of expense. Free legal aid to the poor. Reduced infant mortality. Social evil and consequent spread of disease checked by reformatory and medical measures, instead of fining and turning loose as a further menace to public health. Petty criminals and drunks put to work instead of spending their day in idleness. Wages go to support of family. Death rate reduced. Increased facility for amusement and entertainment of children and grown-ups also.

**WHY IT WORKS—**  
Politicians eliminated because of short ballot, only commissioners to elect, and these not on a party basis. Easier for citizens to keep track of their government and to control it, hence more Democratic than old plan. A single body, the Commission, has all the power needed to get good results. No checks and balances—no pulling and hauling, deadlocks or delays.

**FINALLY—**  
Some two hundred cities and towns have adopted the Commission-Manager plan since August, 1913. Not one of them has ever returned to the old mayor-councilmanic system of municipal government. "THERE'S A REASON."  
Women and men of Great Falls, vote to bring into being a form of government for our city that will protect child life, guard public health, lower tax rates and provide recreation for both children and grown-ups, a government that is directly responsible for its acts of omission or commission to you, the people, a government which by nature of its formation is instantly responsive.
