Effective Cough Syrup, Mixed at Home for Economy

No Cooking. No Work. Real Saving.

Here's an old home mixture your mother probably used, and is still one of the most effective for coughs due to colds. Once tried, you'll swear by it. Make a syrup with 2 cups granulated sugar and one cup water. No cooking needed. Or you can use corn syrup or liquid honey, instead of sugar syrup. Now put 2 1/2 ounces of Pinex into a pint bottle, and fill up with your syrup. This makes a full pint of cough medicine, and gives you about four times as much for your money. It keeps perfectly and tastes fine. And you'll say it's really excellent for quick action. You can feel it take hold swiftly. It loosens phlegm, soothes irritated membranes, helps clear the air passages. Thus it makes breathing easy and lets you get restful sleep. Pinex is a special compound of proven ingredients, in concentrated form, well-known for its quick action on throat and bronchial irritations. Money refunded if not pleased in every way.

Quality Shows at Angus Classic

BEFORE ONE of the smallest crowds of Angus buyers in recent years, 40 Angus bulls and females from five states, paraded before the auction stand at the Midland Empire fairgrounds, Billings, Oct. 29. The quality cattle of the offering brought top prices and sold easily, but at the tag end of the offering, buyers were hard to find.

The 40 cattle sold for a total of \$29,635 to bring an overall average to consignors of \$625. The top five bulls in the sale sold for an average of \$1,605. All 22 of the bulls averaged \$835.

Stimson Bull Top

The top selling bull of the sale, Elon Bardolier of Spring Hill, sold to E. and Ray Girder, Livingston, at \$2,175. This Carl Stimson, Belgrade, bred and consigned herd bull prospect outsold the champion bull of the sale by \$175. Another Stimson bred bull sold to Cecil Grew, Hill and Dale ranch, Portage, at \$510, and a Stimson bred heifer sold to N Bar ranch, Grass Range.

The champion bull, Blackbird Lad 111th, from the Fox & Son, Watertown, S. D., consignment, sold to Alfred Menke, Saco, at an even \$2,000 figure. L. A. Crawford & Sons, Bear Tooth Angus ranch, Red Lodge, purchased the reserve champion Angus bull at the Classic from the Gauger Bros., Clear Lake, S. D., consignment at \$900.

A son of Henke's Eliminator 2d sold to Archie Ginther, Harlowton, for \$1,950. E. W. Miller, Bozeman, purchased a half brother to this bull, also from the Henry Henke, Hanavor, N. D., consignment at \$800.

Harrer Buys Reserve Female

From this herd Judge J. C. Holbert, Washington, Ia., selected the reserve champion female of the show, Primrosa's Lady, and she sold to W. J. Harrer & Sons, Green Meadow ranch, Helena.

The champion cow, Cameron's Erica Lass 2d from the Don Cameron, Westhope, N. D., herd sold to J. E. Bowen, Spring Creek Angus ranch, Livingston. L. W. Swanson, Black Otter Angus, Springhill, was the main buyer of females at the sale. With but two exceptions, all buyers were within the state.

N. G. Warsinske was the auctioneer.

Spangler Named Head of DHI Group

RAY C. SPANGLER of Butte is the new president of the Madison-Jefferson Dairy Herd Improvement association.

Other officers are Charles Scalbrin, Butte, vice president; Kenneth Schurch, Deer Lodge, treasurer; Douglas Hansen, Deer Lodge, secretary, and William Helborg, Deer Lodge, and Alois Schai, Waterloo, directors.

Registered Guernsey Bulls

We have four bulls ranging in age from 1 month to 10 months.

Their dams' DHI records range from 300 to 508 pounds of butterfat.

Three of these bulls are sired by St. Albans Valor's Count, whose dam has a record of 1,106 pounds butterfat in 365 days. This cow was third high Guernsey in the nation in 1946.

The other bull is a grandson of Count out of a cow that produced 508 pounds of fat this year and sired by Boulder Bridge Jupiter, whose dam produced more than 600 pounds of butterfat.
