The Page family held a reunion at the home of their mother, Mrs. Anna Page, Sunday. All of the children, Russell, Paul, and Kalispell; Jim, Thompson, Earl, Coram; Inez Leavens, Edna Krona, Whitefish Mae Endicott, Wyoming, were with members of their respective families. Mrs. Page has and Mrs. Chuck Endicott and Mr. and Mrs. Al Leavens, Ralph Krona and two children as her guests the past week. Thiesan, who spent the winter in Chicago, is back with his wife, Hans Thiesan, for the summer.

We are pleased to see Isabel at home from the U at Missions for the summer. She is making music and reports that she really takes hours of practice. After being held up by wash-dishes and delayed trains, Tom Beal returned Thursday to load their household furniture for moving to Whitefish, Wash., where he is now employed. They have purchased a home there and the family will be moving there Sunday evening, but will visit at Spokane on their way. We certainly regret the loss of the Beal family as they have been in the area a good number of years. Mrs. Delbert Brown have purchased the Beal residence and are moving in immediately. Mr. and Mrs. M. Vandevere, who are visiting in the home of their daughter, Mrs. Owen Wright, is trying out all of his old fishing holes and he's having good success, too. Mrs. Sherman Mow and daughter have joined Mr. Mow at the ranger station for the summer. The mountain goat are very plentiful at the lick these evenings, and everyone is enjoying the unusual sight of seeing them close to the highway.

HOD CARRIERS AND LABORERS
New Wage Scale
Last year the Laborer's tried their best to meet with the various Contractors in the vicinity and negotiate the wages for the new work year and were not successful in getting the Contractors together in enough of a body to be representative of their interests. We then did the only fair thing as we saw it and adopted the Associated General Contractors wage scale for this area. This seemed to work out all right and we are now in the same position, so we are again notifying the various Contractors that our new wage scale attached hereto will go into affect on all old and new work July 1, 1948.
